

RESOLUTION NO. 51

STATE OF FLORIDA

COUNTY RESOLUTION ON USE

of

80% OF SEVENTH CENT GASOLINE TAX

and

OTHER SECONDARY ROAD FUNDS

YEAR 1971-72 thru 1975-76

COUNTY  Nassau

WHEREAS, under the provisions of Section 208.44 Florida Statutes and Article XII(c)(5) Constitution of the State of Florida, the Florida State Road Department will receive 80% of this county's pro-rata share of seventh cent gasoline tax and a portion of the surplus of this county's pro-rata share of the 5th and 6th cent gasoline tax to be used within this county; and

WHEREAS, under the provisions of Section 339.08 and Section 339.081 Florida Statutes the expenditure of such funds shall be as prescribed by regulations of the Department and pursuant to a duly adopted resolution by this board of County Commissioners; and

WHEREAS, the department has requested this county to submit a resolution specifying the county's requests for expenditure of such funds, including any Federal-Aid allocations that may become available, during the fiscal year listed above, and also a continuing program for the succeeding four years so that these requests can be considered in the preparation of the Department's annual budget and program of work.

NOW THEREFORE BE IT RESOLVED AS FOLLOWS:

1. That the Florida State Road Department is hereby requested to use the aforesaid funds for the purposes and projects listed in EXHIBIT "A" attached hereto and made a part hereof and that the Department consider the listed items in accordance with priorities shown and to the extent of available funds in the preparation of its annual program of work for the above listed fiscal year with

the remaining requests constituting a continuing program to be scheduled in accordance with estimated available funds during the succeeding four years.

2. That the actual scheduling of work by the Department on the requested projects be in the order of priorities listed insofar as is practicable, but not to the extent of retarding the whole program or precluding the grouping of similar type projects in one construction contract.

3. That allocations and expenditures of funds by the Department shall not be restricted by any estimate of cost shown herein, and that this board concurs in the use by the Department of any available funds necessary and incidental to making those road projects listed in EXHIBIT "A" fully operating facilities within the termini described in said exhibit, and as shown on the accompanying map except in such cases as limitations to the phase or type work are shown on said exhibit.

4. That the methods and standards employed by the Department for the determination of major improvement features, including specific alignment, types and width of pavement, types of materials, and the Department's standard specifications for construction are concurred in and approved by this Board.
