

82-25-A

RESOLUTION

A RESOLUTION GRANTING PERMISSION TO U. s. Army Corp of Engineers  
TO DO THE NECESSARY DREDGING AND FILLING IN CONNECTION  
WITH THE permit to maintenance dredge for a 10-year period  
on the Intracoastal Waterway from Fernandina Harbor to the St. Johns  
River

WHEREAS, the Board of County Commissioners

\_\_\_\_\_ , has received an application from U. S. Army Corps of  
Engineers , a corporation organized and existing under the  
laws of the State of Florida and duly authorized to do  
business in the State of Florida, to do extensive dredging and filling  
and excavation as described for filling under Chapter 253.124, Florida  
Statutes; and

WHEREAS, this application has been reviewed and it has been  
determined that the project entertained would not:

1. Violate any statute, zoning law, ordinance, or other  
applicable restriction, nor
2. Subject the natural flow of the navigable waters as defined  
in Section 253.12, Florida Statutes, to harmful destruction  
or alteration, nor
3. Create harmful or increased erosion, shoaling of channels  
or stagnant areas of water, nor
4. Cause material injury or monetary damage to accrue to  
adjoining land; and

WHEREAS, the The Board of County Commissioners

\_\_\_\_\_ , has determined:

A. Whether the project will interfere with the conservation of  
fish, marine and wildlife, or other natural resources to such an extent  
as to be contrary to the public interest; and

B. Whether the destruction of oyster beds, clam beds, or  
marine productivity, including but not limited to destruction of natural  
marine habitats, grass flats suitable as nursery or feeding grounds for marine  
life, including established marine soils suitable for producing plant  
growth of a type useful as nursery or feeding grounds for marine life, will  
result therefrom to such an extent as to be contrary to the public interest.

It has also considered other factors effecting the public interest; and

WHEREAS, the biological survey of the Department of Environmental Regulation designated in Section 253.124, Florida Statutes, has been considered and read into the record at the same meeting at which final action has been taken on this application;

NOW, THEREFORE, BE IT RESOLVED:

That the Board of County Commissioners  
\_\_\_\_\_, hereby gives its approval of the Department of Environmental Regulation, pursuant to Section 253.124(2), Florida Statutes, and the approval of the United States Army Corps of Engineers, pursuant to the Rivers and Harbors Act, and all other applicable federal statutes.

PASSED AND DULY ADOPTED This 22nd day of  
June, 1982, at regular scheduled public meeting.
