DATE: April 20, 1990
SUBJECT: Borrowing of funds from County Transportation Funds
by Nassau County Recreation and Water Conservation
District No. 5

Due to the Special District act passed in 1989, all special districts must pay the state \$175.00. The Watershed is a special dependent district. This cost was not budgeted in the Watershed budget, thus request that \$175.00 be borrowed from the County Transportation Fund to be paid back in fiscal year 1990/91. This request is in addition to the \$11,807 previously approved by Board.
