AUTHORIZATION, TERMS, EXECUTION AND REGISTRATION OF BONDS

SECTION 2.01. AUTHORIZATION OF BONDS. This Resolution creates an issue of Bonds of the Issuer to be designated as "Nassau County, Florida Solid Waste System Revenue Bonds" which may be issued in one or more Series as hereinafter provided. The aggregate principal amount of the Bonds which may be executed and delivered under this Resolution is not limited except as is or may hereafter be provided in this Resolution or as limited by the Act or by law.

The Bonds may, if and when authorized by the Issuer pursuant to this Resolution, be issued in one or more Series, with such further appropriate particular designations added to or incorporated in such title for the Bonds of any particular Series as the Issuer may determine and as may be necessary to distinguish such Bonds from the Bonds of any other Series. Each Bond shall bear upon its face the designation so determined for the Series to which it belongs.

The Bonds shall be issued for such purpose or purposes; shall bear interest at such rate or rates not exceeding the maximum rate permitted by law; and shall be payable in lawful money of the United States of America on such dates; all as determined by Supplemental Resolution of the Issuer.

The Bonds shall be issued in such denominations and such form, whether coupon or registered; shall be dated such date; shall bear such numbers; shall be payable at such place or places; shall contain such redemption provisions; shall have such Paying Agents and Registrars; shall mature in such years and amounts; and the proceeds shall be used in such manner; all as determined by Supplemental Resolution of the Issuer. The Issuer may issue Bonds which may be secured by a Credit Facility or by an insurance policy of an Insurer, all as shall be determined by Supplemental Resolution of the Issuer.

SECTION 2.02. AUTHORIZATION AND DESCRIPTION OF SERIES 1991 BONDS. (A) A Series of Bonds entitled to the benefit, protection and security of this Resolution is hereby authorized in the aggregate principal amount of not exceeding \$30,000,000 for the principal purposes of acquiring and constructing the Initial Project, funding the Reserve Subaccount and paying certain costs of issuance incurred with respect to the Series 1991 Bonds. Such Series of Bonds shall be designated as, and shall be distinguished from the Bonds of all other Series by the title, "Nassau County, Florida Solid Waste System Revenue Bonds, Series 1991"; provided the Issuer may change such designation in the event that the total

amount of Series 1991 Bonds authorized herein are not issued in a simultaneous transaction or the Series 1991 Bonds are not issued in calendar year 1991.

(B) The Series 1991 Bonds shall be dated as of the first day of the month in which occurs the delivery of the Series 1991 Bonds to the purchaser or purchasers thereof or such other date as may be set forth by Supplemental Resolution of the Issuer; shall be issued as fully registered Bonds; shall be numbered consecutively from one upward in order of maturity preceded by the letter "R"; shall be in such denominations and shall bear interest at a rate or rates not exceeding the maximum rate permitted by law, payable in such manner and on such dates; shall consist of such amounts of Serial Bonds, Term Bonds, Variable Rate Bonds and Capital Appreciation Bonds maturing in such years and amounts not exceeding forty (40) years from their date; shall be payable in such place or places; shall have such Paying Agents and Registrars; and shall contain such redemption provisions; all as the Issuer shall provide hereafter by Supplemental Resolution.

(C) The principal of or Redemption Price, if applicable, on the Series 1991 Bonds are payable upon presentation of the Series 1991 Bonds at the office of the Paying Agent. Interest payable on any Series 1991 Bond on any Interest Date will be paid by check or draft of the Paying Agent to the Holder in whose name such Bond shall be registered at the close of business on the date which shall be the fifteenth day (whether or not a business day) of the calendar month next preceding such Interest Date, or, at the option of the Paying Agent, and at the request and expense of the Holder of \$500,000 or more in principal amount of Series 1991 Bonds, by bank wire transfer for the account of such Holder. All payments of principal of or Redemption Price, if applicable, and interest on the Series 1991 Bonds shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

(D) The following provisions shall apply to payments by the Insurer in respect of the Series 1991 Bonds:

(1) If, on the third day preceding any interest payment date for the Series 1991 Bonds there is not on deposit with the Issuer sufficient moneys available to pay all principal of and interest on the Series 1991 Bonds due on such date, the Issuer shall immediately notify the Insurer and Citibank, N.A., New York, New York or its successor as its Fiscal Agent (the "Fiscal Agent") of the amount of such deficiency. If, by said interest payment date, the Issuer has not provided the amount of such deficiency, the Registrar shall simultaneously make available to the Bond Insurer and to the Fiscal Agent the registration books for the Bonds maintained by the Registrar. In addition:

(a) The Registrar shall provide the Insurer with a list of the Bondholders entitled to receive principal or interest payments from the Insurer under the terms of the Bond Insurance Policy and shall make arrangements for the Insurer and its Fiscal Agent (i) to mail checks or drafts to Series 1991 Bondholders entitled to receive full or partial interest payments from the Insurer and (ii) to pay principal of the Series 1991 Bonds surrendered to the Fiscal Agent by the Series 1991 Bondholders entitled to receive full or partial principal payments from the Insurer; and

(b) The Issuer shall, at the time the Registrar makes the registration books available to the Insurer pursuant to (a) above, notify Series 1991 Bondholders entitled to receive the payment of principal of or interest on the Series 1991 Bonds from the Insurer (i) as to the fact of such entitlement, (ii) that the Insurer will remit to them all or part of the interest payments coming due, (iii) that, except as provided in paragraph (2) below, in the event that any Series 1991 Bondholder is entitled to receive full payment of principal from the Insurer, such Series 1991 Bondholder must tender his Bond with the instrument of transfer in the form provided on the Bond executed in the name of the Insurer, and (iv) that, except as provided in paragraph (2) below, in the event that such Bondholder is entitled to receive partial payment or principal from the Insurer, such Bondholder must tender his Bond for payment first to the Issuer, which shall note on such Bond the portion of principal paid by the Issuer, and then, with the form of transfer executed in the name of the Insurer, to the Fiscal Agent, which will then pay the unpaid portion of principal to the Bondholder.

(2) In the event that the Issue has notice that any payment of principal of or interest on a Series 1991 Bond has been recovered from a Bondholder pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with the final nonappealable order of a court having competent jurisdiction, the Issuer shall, at the time it provides notice to the Insurer, notify all Series 1991 Bondholders that in the event that any Series 1991 Bondholder's payment is so recovered, such Bondholder will be entitled to payment from the Insurer to the extent of such recovery, and the Paying Agent shall furnish to the Insurer its records evidencing the payment of principal of and interest on the Series 1991 Bonds which have been made by the Issuer and subsequently recovered from Bondholders, and the dates on which such payments were made.

(3) The Insurer shall, to the extent it makes payment of principal of or interest on the Series 1991 Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Bond Insurance Policy and, to evidence such subrogation, (a) in the case of subrogation as to

claims for past due interest, the Issuer shall note the Insurer's rights as subrogee on the registration books maintained by the Registrar upon receipt from the Insurer of proof of the payment of interest thereon to the Bondholders of such Series 1991 Bonds and (b) in the case of subrogation as to claims for past due principal, the Issuer shall note the Insurer's rights as subrogee on the registration books for the Series 1991 Bonds maintained by the Issuer upon receipt of proof of the payment of principal thereof to the Bondholders of such Bonds.

SECTION 2.03. APPLICATION OF SERIES 1991 BOND PROCEEDS.

Except as otherwise provided by Supplemental Resolution of the Issuer, the proceeds derived from the sale of the Series 1991 Bonds, including accrued interest and premium, if any, shall, simultaneously with the delivery of the Series 1991 Bonds to the purchaser or purchasers thereof, be applied by the Issuer as follows:

(A) Accrued interest and proceeds of the Series 1991 Bonds representing capitalized interest, if any, shall be deposited or credited to the Payment Subaccount and shall be used only for the purpose of paying the interest which shall thereafter become due on the Series 1991 Bonds.

(B) A sufficient amount of Series 1991 Bond proceeds shall be deposited or credited to the appropriate subaccount of the Reserve Subaccount which, together with any moneys and securities therein and Reserve Subaccount Insurance Policy and/or Reserve Subaccount Letter of Credit obtained in accordance with Section 4.05(B)(4) hereof, shall equal the Reserve Subaccount Requirement for such subaccount.

(C) A sufficient amount of the Series 1991 Bond proceeds shall be applied to the payment of the premiums of any municipal bond insurance policies applicable to the Series 1991 Bonds or reserves established therefor and to the payment of costs and expenses relating to the issuance of the Series 1991 Bonds. Such amount may, at the option of the Issuer, be deposited or credited to and disbursed from the Construction Account.

(D) The balance of the Series 1991 Bond proceeds shall be deposited or credited to the Construction Account.

SECTION 2.04. EXECUTION OF BONDS.

The Bonds shall be executed in the name of the Issuer with the manual or facsimile signature of the Chairman and the official seal of the Issuer shall be imprinted thereon, attested and countersigned with the manual or facsimile signature of the Clerk. In case any one or more of the officers who shall have signed or sealed any of the Bonds or whose facsimile signature shall appear thereon shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless

be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Bond may be signed and sealed on behalf of the Issuer by such person who at the actual time of the execution of such Bond shall hold the proper office of the Issuer, although at the date of such Bond such person may not have held such office or may not have been so authorized. The Issuer may adopt and use for such purposes the facsimile signatures of any such persons who shall have held such offices at any time after the date of the adoption of this Resolution, notwithstanding that either or both shall have ceased to hold such office at the time the Bonds shall be actually sold and delivered.

SECTION 2.05. AUTHENTICATION. No Bond of any Series shall be secured hereunder or entitled to the benefit hereof or shall be valid or obligatory for any purpose unless there shall be manually endorsed on such Bond a certificate of authentication by the Registrar or such other entity as may be approved by the Issuer for such purpose. Such certificate on any Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Resolution. The form of such certificate shall be substantially in the form provided in Section 2.10 hereof.

SECTION 2.06. TEMPORARY BONDS. Until the definitive Bonds of any Series are prepared, the Issuer may execute, in the same manner as is provided in Section 2.04, and deliver, upon authentication by the Registrar pursuant to Section 2.05 hereof, in lieu of definitive Bonds, but subject to the same provisions, limitations and conditions as the definitive Bonds, except as to the denominations thereof, one or more temporary Bonds substantially of the tenor of the definitive Bonds in lieu of which such temporary Bond or Bonds are issued, in denominations authorized by the Issuer by subsequent resolution and with such omissions, insertions and variations as may be appropriate to temporary Bonds. The Issuer, at his own expense, shall prepare and execute definitive Bonds, which shall be authenticated by the Registrar. Upon the surrender of such temporary Bonds for exchange, the Registrar, without charge to the Holder thereof, shall deliver in exchange therefor definitive Bonds, of the same aggregate principal amount and Series and maturity as the temporary Bonds surrendered. Until so exchanged, the temporary Bonds shall in all respects be entitled to the same benefits and security as definitive Bonds issued pursuant to this Resolution. All temporary Bonds surrendered in exchange for another temporary Bond or Bonds or for a definitive Bond or Bonds shall be forthwith cancelled by the Registrar.

SECTION 2.07. BONDS MUTILATED, DESTROYED, STOLEN OR LOST. In case any Bond shall become mutilated, or be destroyed, stolen or lost, the Issuer may, in its discretion, issue and deliver, and the Registrar shall authenticate, a new Bond of like tenor as the Bond so mutilated, destroyed, stolen or lost, in exchange and

substitution for such mutilated Bond upon surrender and cancellation of such mutilated Bond or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder furnishing the Issuer and the Registrar proof of his ownership thereof and satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer or the Registrar may prescribe and paying such expenses as the Issuer and the Registrar may incur. All Bonds so surrendered or replaced shall be cancelled by the Registrar. If any of the Bonds shall have matured or be about to mature, instead of issuing a substitute Bond, the Issuer may pay the same or cause the Bond to be paid, upon being indemnified as aforesaid, and if such Bonds be lost, stolen or destroyed, without surrender thereof.

Any such duplicate Bonds issued pursuant to this Section 2.07 shall constitute original contractual obligations on the part of the Issuer whether or not the lost, stolen or destroyed Bond be at any time found by anyone, and such duplicate Bond shall be entitled to equal and proportionate benefits and rights as to lien on the Pledged Funds to the same extent as all other Bonds issued hereunder.

SECTION 2.08. EXCHANGE AND TRANSFER. Bonds, upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar, duly executed by the Holder thereof or his attorney duly authorized in writing, may, at the option of the Holder thereof, be exchanged for an equal aggregate principal amount of registered Bonds of the same Series and maturity of any other authorized denominations.

The Bonds issued under this Resolution shall be and have all the qualities and incidents of negotiable instruments under the law merchant and the Uniform Commercial Code of the State of Florida, subject to the provisions for registration of transfer contained in this Resolution and in the Bonds. So long as any of the Bonds shall remain Outstanding, the Issuer shall maintain and keep, at the office of the Registrar, books for the registration and transfer of the Bonds.

The transfer of any Bond shall be registered only upon the books of the Issuer, at the office of the Registrar, under such reasonable regulations as the Issuer may prescribe, by the Holder thereof in person or by his attorney duly authorized in writing upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed and guaranteed by the Holder or his duly authorized attorney. Upon the registration of transfer of any such Bond, the Issuer shall issue, and cause to be authenticated, in the name of the transferee a new Bond or Bonds of the same aggregate principal amount and Series and maturity as the surrendered Bond. The Issuer, the Registrar and any Paying Agent or fiduciary of the Issuer may deem and treat the Person in whose name any Outstanding Bond shall be registered upon

the books of the Issuer as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal or Redemption Price, if applicable, and interest on such Bond and for all other purposes, and all such payments so made to any such Holder or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid and neither the Issuer nor the Registrar nor any Paying Agent or other fiduciary of the Issuer shall be affected by any notice to the contrary.

The Registrar, in any case where it is not also the Paying Agent in respect to any Series of Bonds, forthwith (A) following the fifteenth day prior to an interest payment date for such Series; (B) following the fifteenth day next preceding the date of first mailing of notice of redemption of any Bonds of such Series; and (C) at any other time as reasonably requested by the Paying Agent of such Series, certify and furnish to such Paying Agent the names, addresses and holdings of Bondholders and any other relevant information reflected in the registration books. Any Paying Agent of any fully registered Bond shall effect payment of interest on such Bonds by mailing a check to the Holder entitled thereto or may, in lieu thereof, upon the request and at the expense of the Holder of \$500,000 or more in principal amount of Series 1991 Bonds, by bank wire transfer for the account of such Holder.

In all cases in which Bonds shall be exchanged or the transfer of Bonds shall be registered, the Issuer shall execute and deliver Bonds and the Registrar shall authenticate such Bonds in accordance with the provisions of this Resolution. Execution of Bonds by the Chairman and Clerk for purposes of exchanging, replacing or registering the transfer of Bonds may occur at the time of the original delivery of the Series of which such Bonds are a part. All Bonds surrendered in any such exchanges or registration of transfer shall be held by the Registrar in safekeeping until directed by the Issuer to be cancelled by the Registrar. For every such exchange or registration of transfer, the Issuer or the Registrar may make a charge sufficient to reimburse it for any tax, fee, expense or other governmental charge required to be paid with respect to such exchange or registration of transfer. The Issuer and the Registrar shall not be obligated to make any such exchange or registration of transfer of Bonds of any Series during the fifteen (15) days next preceding an Interest Date on the Bonds of such Series (other than Capital Appreciation Bonds and Variable Rate Bonds), or, in the case of any proposed redemption of Bonds of such Series, then during the fifteen (15) days next preceding the date of the first mailing of notice of such redemption and, in the case of Bonds called for redemption, continuing until such redemption date.

The Issuer may elect to issue any Bonds as uncertificated registered public obligations (not represented by instruments), commonly known as book-entry obligations, provided it shall

establish a system of registration therefor by Supplemental Resolution.

SECTION 2.09. COUPON BONDS. The Issuer, at its discretion, and provided it has obtained an opinion of Bond Counsel that such action will not cause interest on the Bonds to be included in gross income for purposes of federal income taxation, may by Supplemental Resolution authorize the issuance of coupon Bonds, registrable as to principal only or as to both principal and interest. Such Supplemental Resolution shall provide for the negotiability, transfer, interchangeability, denominations and form of such Bonds and coupons appertaining thereto.

SECTION 2.10. FORM OF BONDS. The text of the Bonds, except as otherwise provided pursuant to Section 2.09 hereof and except for Capital Appreciation Bonds and Variable Rate Bonds, the form of which shall be provided by Supplemental Resolution of the Issuer, shall be in substantially the following form with such omissions, insertions and variations as may be necessary and/or desirable and approved by the Chairman or the Clerk prior to the issuance thereof (which necessity and/or desirability and approval shall be presumed by such officer's execution of the Bonds and the Issuer's delivery of the Bonds to the purchaser or purchasers thereof):

SECTION 3.02. SELECTION OF BONDS TO BE REDEEMED. The Bonds shall be redeemed only in the principal amount of \$5,000 each and integral multiples thereof. The Issuer shall, at least 60 days prior to the redemption date (unless a shorter time period shall be satisfactory to the Registrar) notify the Registrar of such redemption date and of the principal amount of Bonds to be redeemed. For purposes of any redemption of less than all of the Outstanding Bonds of a single maturity, the particular Bonds or portions of Bonds to be redeemed shall be selected not more than 45 days prior to the redemption date by the Registrar from the Outstanding Bonds of the maturity or maturities designated by the Issuer by such method as the Registrar shall deem fair and appropriate and which may provide for the selection for redemption of Bonds or portions of Bonds in principal amounts of \$5,000 and integral multiples thereof.

If less than all of the Outstanding Bonds of a single maturity are to be redeemed, the Registrar shall promptly notify the Issuer and Paying Agent (if the Registrar is not the Paying Agent for such Bonds) in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

SECTION 3.03. NOTICE OF REDEMPTION. Notice of such redemption, which shall specify the Bond or Bonds (or portions thereof) to be redeemed and the date and place for redemption, shall be given by the Registrar on behalf of the Issuer, and (A) shall be filed with the Paying Agents of such Bonds, (B) shall be mailed first class, postage prepaid, at least 30 days prior to the redemption date to all Holders of Bonds to be redeemed at their addresses as they appear on the registration books kept by the Registrar, and (C) shall be mailed certified, postage prepaid, at least 35 days prior to the redemption date to the registered securities depositories, to two or more nationally recognized municipal bond information services and to each Insurer of any Bonds Outstanding affected by such redemption. Failure to mail notice to the Holders of the Bonds to be redeemed, or any defect therein, shall not affect the proceedings for redemption of Bonds as to which no such failure or defect has occurred. Notice of any redemption of Bonds at the option of the Issuer shall be given only

upon the prior deposit into the Debt Service Account of sufficient amounts to effect such redemption.

Each notice of redemption shall state: (1) the CUSIP numbers of all Bonds being redeemed; (2) the original issue date of such Bonds; (3) the maturity date and rate of interest borne by each Bond being redeemed; (4) the redemption date; (5) the Redemption Price; (6) the date on which such notice is mailed; (7) if less than all Outstanding Bonds are to be redeemed, the certificate number (and, in the case of a partial redemption of any Bond, the principal amount) of each Bond to be redeemed; (8) that on such redemption date there shall become due and payable upon each Bond to be redeemed the Redemption Price thereof, or the Redemption Price of the specified portions of the principal thereof in the case of Bonds to be redeemed in part only, together with interest accrued thereon to the redemption date, and that from and after such date interest thereon shall cease to accrue and be payable; (9) that the Bonds to be redeemed, whether as a whole or in part, are to be surrendered for payment of the redemption price at the principal office of the Registrar at an address specified; and (10) the name and telephone number of a person designated by the Registrar to be responsible for such redemption.

SECTION 3.04. REDEMPTION OF PORTIONS OF BONDS. Any Bond which is to be redeemed only in part shall be surrendered at any place of payment specified in the notice of redemption (with due endorsement by, or written instrument of transfer in form satisfactory to the Registrar duly executed by, the Holder thereof or his attorney duly authorized in writing) and the Issuer shall execute and the Registrar shall authenticate and deliver to the Holder of such Bond, without service charge, a new Bond or Bonds, of any authorized denomination, as requested by such Holder in an aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bonds so surrendered.

SECTION 3.05. PAYMENT OF REDEEMED BONDS. Notice of redemption having been given substantially as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of the Redemption Price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Registrar and/or Paying Agent at the appropriate Redemption Price, plus accrued interest. All Bonds which have been redeemed shall be cancelled and destroyed by the Registrar and shall not be reissued.

ARTICLE IV

SECURITY, SPECIAL FUNDS AND APPLICATION THEREOF

SECTION 4.01. BONDS NOT TO BE INDEBTEDNESS OF ISSUER. The Bonds shall not be or constitute general obligations or indebtedness of the Issuer as "bonds" within the meaning of any constitutional or statutory provision, but shall be special obligations of the Issuer, payable solely from and secured by a lien upon and pledge of the Pledged Funds, in the manner and to the extent provided in this Resolution. No Holder of any Bond shall ever have the right to compel the exercise of any ad valorem taxing power to pay such Bond, or be entitled to payment of such Bond from any moneys of the Issuer except from the Pledged Funds in the manner and to the extent provided herein.

SECTION 4.02. SECURITY FOR BONDS. The payment of the principal of or Redemption Price, if applicable, and interest on the Bonds and the payment of any obligations owed to any issuer of a Reserve Subaccount Letter of Credit or Reserve Subaccount Insurance Policy securing any Series of Bonds shall be secured forthwith equally and ratably by a pledge of and lien upon the Pledged Funds; provided, however, a Series of Bonds may be further secured by a Credit Facility or insurance policy of an Insurer in addition to the security provided herein; and provided further that each Series of Bonds shall be secured independently of any other Series of Bonds by the corresponding subaccount in the Reserve Subaccount, except as otherwise provided herein. The Issuer does hereby irrevocably pledge the Pledged Funds to the payment of the principal of or Redemption Price, if applicable, and interest on the Bonds in accordance with the provisions hereof. Any obligations owed to the issuer of a Reserve Subaccount Letter of Credit or Reserve Subaccount Insurance Policy shall be deemed to be subordinate to the lien on and pledge of the Pledged Funds to the Holders of the Bonds, solely in respect of principal of and interest due thereon. The Pledged Funds shall immediately be subject to the lien of this pledge without any physical delivery thereof or further act, and the lien of this pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Issuer.

SECTION 4.03. CONSTRUCTION ACCOUNT. The Issuer covenants and agrees to establish a special account in a bank, trust company or other entity in the State which is eligible under the laws of the State to be a depository for public funds, to be known as the "Nassau County, Florida, Solid Waste System Construction Account," which shall be used only for payment of the Cost of the Project. Moneys in the Construction Account, until applied in payment of any item of the Cost of a Project in the manner hereinafter provided,

shall be subject to a lien and charge in favor of the Holders of the Bonds and for the further security of such Holders.

There shall be paid into the Construction Account the amounts required to be so paid by the provisions of this Resolution, and there may be paid into the Construction Account, at the option of the Issuer, any moneys received for or in connection with a Project by the Issuer from any other source.

The Issuer shall establish within the Construction Account a separate subaccount for each Project, the Cost of which is to be paid in whole or in part out of the Construction Account.

The proceeds of insurance maintained pursuant to this Resolution against physical loss of or damage to a Project, or of contractors' performance bonds with respect thereto pertaining to the period of construction thereof, shall be deposited or credited to the appropriate subaccount of the Construction Account.

Any moneys received by the Issuer from the State or from the United States of America or any agencies thereof for the purpose of financing part of the Cost of a Project shall be deposited or credited to the appropriate subaccount of the Construction Account and used in the same manner as other Bond proceeds are used therein; provided that separate subaccounts may be established in the Construction Account for moneys received pursuant to the provisions of this paragraph whenever required by Federal or State law.

The Issuer covenants that the acquisition, construction and installation of each Project will be completed without delay and in accordance with sound engineering practices. The Issuer shall make disbursements or payments from the Construction Account to pay the Cost of a Project upon the filing with the Clerk of certificates and/or documents signed by an Authorized Issuer Officer and by the Consulting Engineers, stating with respect to each disbursement or payment to be made: (A) the item number of the payment, (B) the name and address of the Person to whom payment is due, (C) the amount to be paid, (D) the Construction Account subaccount from which payment is to be made, (E) the purpose, by general classification, for which payment is to be made, and (F) that (i) each obligation, item of cost or expense mentioned therein has been properly incurred, is in payment of a part of the Cost of a Project and is a proper charge against the subaccount of the Construction Account from which payment is to be made and has not been the basis of any previous disbursement or payment, or (ii) each obligation, item of cost or expense mentioned therein has been paid by the Issuer, is a reimbursement of a part of the Cost of a Project, is a proper charge against the subaccount of the Construction Account from which payment is to be made, has not been theretofore reimbursed to the Issuer or otherwise been the basis of any previous disbursement or payment and the Issuer is entitled

to reimbursement thereof. The Clerk shall retain all such certificates and/or documents of the Authorized Issuer Officers and the Consulting Engineers for three (3) years from the dates of such certificates and/or documents. The Clerk shall make available the certificates and/or documents at all reasonable times for inspection by any Holder of any of the Bonds or the agent or representative of any Holder of any of the Bonds. Notwithstanding the foregoing, a certification of the Consulting Engineers shall not be required to make disbursements or payments from the Construction Account to pay (1) costs related to issuance of the Bonds to the extent funds are deposited in the Construction Account for such purpose and (2) any portions of the Cost of a Project which do not, in the aggregate, exceed 1 percent of the amount initially deposited or credited to the Construction Account in respect of such Project after deducting any amounts described in clause (1) above.

Notwithstanding any of the other provisions of this Section 4.03, to the extent that other moneys are not available therefor, amounts in the Construction Account shall be applied to the payment of principal and interest on Bonds when due.

The date of completion of the Initial Project or any Additional Project shall be determined by the Consulting Engineers which shall certify such fact in writing to the Governing Body. Promptly after the date of the completion of a Project, and after paying or making provision for the payment of all unpaid items of the Cost of such Project, the Issuer shall deposit or credit in the following order of priority any balance of moneys remaining in the Construction Account in (1) another subaccount of the Construction Account for which the Consulting Engineers have stated that there are insufficient moneys present to pay the Cost of the related Project, (2) the Reserve Subaccount, to the extent of a deficiency therein, and (3) such other account or subaccount established hereunder as shall be determined by the Governing Body, provided the Issuer has received an opinion of Bond Counsel to the effect that such transfer shall not adversely affect the exclusion, if any, of interest on the Bonds from gross income of the holder for federal income tax purposes.

SECTION 4.04. CREATION OF ACCOUNTS. The Issuer covenants and agrees to establish the "Nassau County, Florida, Solid Waste System Enterprise Fund" with a bank, trust company or such other entity in the State, which is eligible under the laws of the State to be a depository for public funds which shall include the following accounts and subaccounts:

- (A) The "Nassau County, Florida, Solid Waste System Revenue Account."
- (B) The "Nassau County, Florida, Solid Waste System Operation and Maintenance Account."

(C) The "Nassau County, Florida, Solid Waste System Debt Service Account." The Issuer shall maintain three separate accounts in the Debt Service Account: the "Payment Subaccount," the "Term Bonds Redemption Subaccount" and the "Reserve Subaccount."

(D) The "Nassau County, Florida, Solid Waste System Renewal and Replacement Account."

(E) The "Nassau County, Florida, Solid Waste System Rebate Account."

(F) The "Nassau County, Florida, Solid Waste System Closure Account."

(G) The "Nassau County, Florida, Solid Waste System Surplus Reserve Account."

Moneys in the aforementioned accounts and subaccounts (except for moneys in the Rebate Account, the Closure Account and the Surplus Reserve Account), until applied in accordance with the provisions hereof, shall be subject to a lien and charge in favor of the Holders of the Bonds and for the further security of such Holders.

The Issuer may at any time and from time to time appoint one or more depositaries to hold, for the benefit of the Bondholders, any one or more of the accounts and subaccounts established hereby. Such depositary or depositaries shall perform at the direction of the Issuer the duties of the Issuer in depositing, transferring and disbursing moneys to and from each of such accounts or subaccounts as herein set forth, and all records of such depositary in performing such duties shall be open at all reasonable times to inspection by the Issuer and its agents and employees. Any such depositary shall be a bank or trust company duly authorized to exercise corporate trust powers and subject to examination by federal or state authority, of good standing, and having a combined capital, surplus and undivided profits aggregating not less than fifty million dollars (\$50,000,000).

SECTION 4.05. DISPOSITION OF REVENUES.

(A) The Issuer shall deposit or credit all Gross Revenues, as received, into the Revenue Account.

Operation and Maintenance Account. Moneys in the Revenue Account shall first be used each month to deposit or credit to the Operation and Maintenance Account such sums as are necessary to pay Operating Expenses for the ensuing month; provided the Issuer may transfer moneys from the Revenue Account to the Operation and Maintenance Account at any time to pay Operating Expenses to the

extent there is a deficiency in the Operation and Maintenance Account for such purpose. Amounts in the Operation and Maintenance Account shall be paid out from time to time by the Issuer for reasonable and necessary Operating Expenses; provided, however, that no such payment shall be made unless the provisions of Section 5.03 hereof in regard to the current Annual Budget are complied with.

(B) Amounts remaining in the Revenue Account after the aforementioned deposits or credits to the Operation and Maintenance Account shall be applied by the Issuer on or before the fifteenth (15th) day of each month, commencing in the month immediately following the delivery of any of the Bonds to the purchasers thereof, or such later date as hereinafter provided, in the following manner and in the following order of priority:

(1) Payment Subaccount. The Issuer shall deposit or credit to the Payment Subaccount the sum which, together with the balance in said Subaccount, shall equal the interest on all Bonds Outstanding (except as to Capital Appreciation Bonds) accrued and unpaid and to accrue to the end of the then current calendar month. The Issuer shall also deposit or credit to the Payment Subaccount the sum which, together with the balance in said Subaccount, shall equal the principal amounts on all Bonds Outstanding due and unpaid and that portion of the principal next due which would have accrued on such Bonds during the then current calendar month if such principal amounts were deemed to accrue monthly (assuming that a year consists of twelve 12 equivalent calendar months having 30 days each) in equal amounts from the next preceding principal payment due date, or, if there be no such preceding payment due date from a date one year preceding the due date of such principal amount. Moneys in the Payment Subaccount shall be applied by the Issuer for deposit with the Paying Agents to pay the principal of and interest on the Bonds on or prior to the date the same shall become due. Serial Capital Appreciation Bonds shall be payable from the Payment Subaccount in the Bond Years in which such Bonds mature and monthly payments into the Payment Subaccount on account of such Bonds shall commence in the first month of the respective Bond Years in which such Bonds mature. The Issuer shall, on a pro-rata basis for each Series, adjust the amount of the deposit or credit to the Payment Subaccount not later than the month immediately preceding any Interest Date and/or principal payment date so as to provide sufficient moneys in the Payment Subaccount to pay the principal of and interest on the Bonds coming due on such Interest Date and/or principal payment date.

(2) Term Bonds Redemption Subaccount. Commencing in the month which is one year prior to the first Amortization Installment, there shall be deposited or credited to the Term Bonds Redemption Subaccount the sum which, together with the balance in such Subaccount, shall equal the Amortization Installments on all Term Bonds Outstanding due and unpaid and that portion of the

Amortization Installments of all Term Bonds Outstanding next due which would have accrued on such Term Bonds during the then current calendar month if such Amortization Installments were deemed to accrue monthly (assuming that a year consists of twelve 12 equivalent calendar months having 30 days each) in equal amounts from the next preceding Amortization Installment due date, or, if there is no such preceding Amortization Installment due date, from a date one year preceding the due date of such Amortization Installment. Moneys in the Term Bonds Redemption Subaccount shall be used to purchase or redeem Term Bonds in the manner herein provided, and for no other purpose. The Issuer shall adjust the amount of the deposit or credit to the Term Bonds Redemption Subaccount in the month immediately preceding any Amortization Installment Date so as to provide sufficient moneys in the Term Bonds Redemption Subaccount to pay the Amortization Installments becoming due on such date. Payments to the Term Bonds Redemption Subaccount shall be on a parity with payments to the Payment Subaccount.

Amounts accumulated in the Term Bonds Redemption Subaccount with respect to any Amortization Installment (together with amounts accumulated in the Payment Subaccount with respect to interest, if any, on the Term Bonds for which such Amortization Installment was established) may be applied by the Issuer, on or prior to the sixtieth (60th) day preceding the due date of such Amortization Installment, (a) to the purchase of Term Bonds of the Series and maturity for which such Amortization Installment was established, or (b) to the redemption at the applicable Redemption Prices of such Term Bonds, if then redeemable by their terms. The applicable Redemption Price (or principal amount of maturing Term Bonds) of any Term Bonds so purchased or redeemed shall be deemed to constitute part of the Term Bonds Redemption Subaccount until such Amortization Installment date, for the purposes of calculating the amount of such Subaccount. As soon as practicable after the 60th day preceding the due date of any such Amortization Installment, the Issuer shall proceed to call for redemption on such due date, by causing notice to be given as provided in Section 3.03 hereof, Term Bonds of the Series and maturity for which such Amortization Installment was established (except in the case of Term Bonds maturing on a Amortization Installment date) in such amount as shall be necessary to complete the retirement of the unsatisfied balance of such Amortization Installment. The Issuer shall pay out of the Term Bonds Redemption Subaccount and the Payment Subaccount to the appropriate Paying Agents, on or before the day preceding such redemption date (or maturity date), the amount required for the redemption (or for the payment of such Term Bonds then maturing), and such amount shall be applied by such Paying Agents to such redemption (or payment). All expenses in connection with the purchase or redemption of Term Bonds may be paid by the Issuer from the Operation and Maintenance Account.

(3) Reserve Subaccount. Except as otherwise provided by Section 8.01(H) hereof, the Issuer shall establish within the Reserve Subaccount a separate subaccount for each Series of Bonds issued hereunder. The moneys in each such subaccount shall be applied in the manner provided herein solely for the payment of the principal of, or Redemption Price, if applicable, and interest on the Series of Bonds for which it is designated and shall not be available to pay debt service on any other Series.

There shall be deposited or credited to each subaccount of the Reserve Subaccount such sum, if any, as will be necessary to immediately restore the funds in each such subaccount to an amount equal to the Reserve Subaccount Requirement applicable thereto including the reinstatement of any Reserve Subaccount Credit Instrument therein; provided, in no event shall the amount deposited or credited to the subaccounts of the applicable Reserve Subaccount be less than one twelfth (1/12) of the amount which would enable the Issuer to restore the funds in each such subaccount to an amount equal to the Reserve Subaccount Requirement in one (1) year from the date of such shortfall. To the extent there are insufficient moneys in the Revenue Account to make the required monthly deposit or credit to each subaccount of the Reserve Subaccount, such deposits or credits shall be made to each subaccount on a pro rata basis in relation to the amount of the deficiency existing in each subaccount. On or prior to each principal and interest payment date for the Bonds, moneys in each subaccount of the Reserve Subaccount shall be applied by the Issuer to the payment of the principal of, or Redemption Price, if applicable, and interest on related Series of Bonds to the extent moneys in the Payment Subaccount and the Term Bonds Redemption Subaccount, shall be insufficient for such purpose, but only to the extent the moneys transferred from the Surplus Reserve Account for such purposes pursuant to Section 4.05(B)(7) hereof shall be inadequate to fully provide for such insufficiency. Whenever there shall be surplus moneys in any subaccount of the Reserve Subaccount by reason of a decrease in the Reserve Subaccount Requirement, such surplus moneys shall be deposited or credited by the Issuer first, on a pro rata basis into other subaccounts, if any, containing less than the Reserve Subaccount Requirement applicable thereto, and second, into the Surplus Reserve Account.

Upon the issuance of any Series of Bonds under the terms, limitations and conditions as herein provided, the Issuer shall, on the date of delivery of such Series of Bonds, fund the corresponding subaccount of the Reserve Subaccount established for such Series in an amount at least equal to the Reserve Subaccount Requirement applicable to such Series of Bonds. Such required amount may be paid in full or in part from the proceeds of such Series of Bonds or may be accumulated in equal monthly payments to such subaccount of the Reserve Subaccount over a period of months from the date of issuance of such Series of Bonds, which shall not exceed the greater of (a) 24 months, or (b) the number of months

for which interest on such Series of Bonds has been capitalized, as determined by Supplemental Resolution.

Whenever moneys in a subaccount of the Reserve Subaccount, together with the other available amounts in the Debt Service Account, are sufficient to fully pay the corresponding Series of Bonds in accordance with their terms (including principal and interest thereon), the funds in such subaccount of the Reserve Subaccount shall be applied to the payment of such Series of Bonds.

Notwithstanding the foregoing provisions, in lieu of the required deposits or credits to a subaccount of the Reserve Subaccount, the Issuer may cause to be placed into such subaccount a Reserve Subaccount Credit Instrument for the benefit of the Bondholders in an amount equal to the difference between the Reserve Subaccount Requirement applicable thereto and the amounts then in such subaccount, if any. Such Reserve Subaccount Credit Instrument shall be payable to the Paying Agent for such Series (upon the giving of notice as required thereunder) on any interest payment or redemption date on which a deficiency exists which cannot be cured by funds in any other account or subaccount held pursuant to this Resolution and available for such purpose.

Prior to fulfilling all or any portion of a Reserve Subaccount Requirement for any subaccount of the Reserve Subaccount through the use of a Reserve Subaccount Credit Instrument, the Issuer shall comply with each of the following requirements to the satisfaction of each Insurer of Outstanding Bonds secured by such subaccount:

(a) A Reserve Subaccount Insurance Policy issued to the Paying Agent by an Insurer may be deposited in the Reserve Subaccount to meet a Reserve Subaccount Requirement if the claims paying ability of such Insurer shall be rated "AAA" or "Aaa" by Standard and Poor's or Moody's, respectively.

(b) A Reserve Subaccount Insurance Policy issued to the Paying Agent by an entity other than an Insurer may be deposited in the Reserve Subaccount to meet a Reserve Subaccount Requirement if the form and substance of such instrument and the issuer thereof shall be approved by the Insurer of the Series of Bonds to be secured by such Reserve Subaccount Insurance Policy.

(c) A Reserve Subaccount Letter of Credit issued to the Paying Agent by a bank may be deposited in the Reserve Subaccount to meet a Reserve Subaccount Requirement if the issuer thereof is rated at least "AA" by Standard and Poor's or "Aa" by Moody's. The Reserve Subaccount Letter of Credit shall be payable in one or more draws upon presentation by the beneficiary of a sight draft accompanied by its certificate that it then holds insufficient funds to make a required payment of principal or interest on the Series of Bonds

secured by such Reserve Subaccount Letter of Credit. The draws shall be payable within two days of presentation of the sight draft. The Reserve Subaccount Letter of Credit shall be for a term of not less than three years. The issuer of the Reserve Subaccount Letter of Credit shall be required to notify the Issuer and the Paying Agent, not later than 30 months prior to the stated expiration date of the Reserve Subaccount Letter of Credit, as to whether such expiration date shall be extended, and if so, shall indicate the new expiration date.

If such notice indicates that the expiration date shall not be extended, the Issuer shall deposit in the appropriate subaccount of the Reserve Subaccount an amount sufficient to cause the cash or permitted investments on deposit in such subaccount together with any other qualifying Reserve Subaccount Credit Instruments, to equal the Reserve Subaccount Requirement on all Outstanding Bonds secured by such subaccount, such deposit to be paid in equal installments on at least a semi-annual basis over the remaining term of the Reserve Subaccount Letter of Credit, unless the Reserve Subaccount Letter of Credit is replaced by a Reserve Subaccount Credit Instrument meeting the requirements set forth above. The Reserve Subaccount Letter of Credit shall permit a draw in full not less than two weeks prior to the expiration or termination of such Reserve Subaccount Letter of Credit if the Reserve Subaccount Letter of Credit has not been replaced or renewed. In such event, the Paying Agent is hereby directed to draw upon the Reserve Subaccount Letter of Credit prior to its expiration or termination unless an acceptable replacement is in place or the subaccount of the Reserve Subaccount is fully funded in its required amount.

(d) The use of any Reserve Subaccount Credit Instrument shall be subject to receipt of an opinion of counsel acceptable to the Insurer of Outstanding Bonds to be secured by such Reserve Subaccount Credit Instrument and in form and substance satisfactory to such Insurer as to the due authorization, execution, delivery and enforceability of the Reserve Subaccount Credit Instrument in accordance with its terms, subject to applicable laws affecting creditors' rights generally, and, in the event the issuer of the Reserve Subaccount Credit Instrument is not a domestic entity, an opinion of foreign counsel in form and substance satisfactory to such Insurer. In addition, the use of a Reserve Subaccount Letter of Credit shall be subject to receipt of an opinion of counsel acceptable to the Insurer of Outstanding Bonds to be secured by such Reserve Subaccount Letter of Credit and in form and substance satisfactory to such Insurer to the effect that payments under the Reserve Subaccount Letter of Credit would not constitute avoidable preferences under Section 547 of the U.S. Bankruptcy Code or similar State laws with

avoidable preference provisions in the event of the filing of a petition for relief under the U.S. Bankruptcy Code or similar State laws by or against the Issuer (or any other account party under the Reserve Subaccount Letter of Credit).

(e) The obligation to reimburse the issuer of a Reserve Subaccount Credit Instrument for any fees, expenses, claims or draws upon such Reserve Subaccount Credit Instrument shall be subordinate to the payment of debt service on the Bonds. The right of the issuer of a Reserve Subaccount Credit Instrument to payment or reimbursement of its fees and expenses shall be subordinated to cash replenishment of the Reserve Subaccount, and, subject to the second succeeding sentence, its right to reimbursement for claims or draws shall be on a parity with the cash replenishment of the Reserve Subaccount. The Reserve Subaccount Credit Instrument shall provide for a revolving feature under which the amount available thereunder will be reinstated to the extent of any reimbursement of draws or claims paid. If the revolving feature is suspended or terminated for any reason, the right of the issuer of the Reserve Subaccount Credit Instrument to reimbursement will be further subordinated to cash replenishment of the Reserve Subaccount to an amount equal to the difference between the full original amount available under the Reserve Subaccount Credit Instrument and the amount then available for further draws or claims. If (i) the issuer of a Reserve Subaccount Credit Instrument becomes insolvent or (ii) the issuer of a Reserve Subaccount Credit Instrument defaults in its payment obligations thereunder or (iii) the claims-paying ability of the issuer of the Reserve Subaccount Insurance Policy falls below a Standard and Poor's "AAA" or a Moody's "Aaa" or (iv) the rating of the issuer of the Reserve Subaccount Letter of Credit falls below a Standard and Poor's "AA" or a Moody's "Aa", the obligation to reimburse the issuer of the Reserve Subaccount Credit Instrument shall be subordinate to the cash replenishment of the Reserve Subaccount.

(f) If (i) the revolving reinstatement feature described in the preceding paragraph is suspended or terminated or (ii) the rating of the claims paying ability of the issuer of the Reserve Subaccount Insurance Policy falls below a Standard and Poor's "AAA" or a Moody's "Aaa" or (iii) the rating of the issuer of the Reserve Subaccount Letter of Credit falls below a Standard and Poor's "AA" or a Moody's "Aa", the Issuer shall either (X) deposit into the appropriate subaccount of the Reserve Subaccount an amount sufficient to cause the cash or permitted investments on deposit in such subaccount to equal the Reserve Subaccount Requirement on all Outstanding Bonds secured by such subaccount, such amount to be paid over the ensuing five years in equal installments deposited at least semi-annually or (Y) replace such instrument with a Reserve

Subaccount Credit Instrument meeting the requirements set forth above within six months of such occurrence. In the event (I) the rating of the claims-paying ability of the issuer of the Reserve Subaccount Insurance Policy falls below "A" or (II) the rating of the issuer of the Reserve Subaccount Letter of Credit falls below "A" or (III) the issuer of the Reserve Subaccount Credit Instrument defaults in its payment obligations or (IV) the issuer of the Reserve Subaccount Credit Instrument becomes insolvent, the Issuer shall either (XX) deposit into the appropriate subaccount of the Reserve Subaccount an amount sufficient to cause the cash or permitted investments on deposit in such subaccount to equal to Reserve Subaccount Requirement on all Outstanding Bonds secured by such subaccount, such amount to be paid over the ensuing year in equal installments on at least a monthly basis or (YY) replace such instrument with a Reserve Subaccount Credit Instrument meeting the requirements set forth above within six months of such occurrence.

(g) Where applicable, the amount available for draws or claims under the Reserve Subaccount Credit Instrument may be reduced by the amount of cash or permitted investments deposited in the appropriate subaccount of the Reserve Subaccount pursuant to clause (X) of the preceding subparagraph f.

(h) At all times during which a Reserve Subaccount Credit Instrument is used to replace cash amounts required to be on deposit in the Reserve Subaccount, the Paying Agent shall ascertain the necessity for a claim or draw upon the Reserve Subaccount Credit Instrument and provide notice to the issuer of the Reserve Subaccount Credit Instrument in accordance with its terms not later than three days (or such longer period as may be necessary depending on the permitted time period for honoring a draw under the Reserve Subaccount Credit Instrument) prior to each interest payment date.

(i) Cash on deposit in any subaccount of the Reserve Subaccount shall be used (or investments purchased with such cash shall be liquidated and the proceeds applied as required) prior to any drawing on any Reserve Subaccount Credit Instrument. If and to the extent that more than one Reserve Subaccount Credit Instrument is deposited in any subaccount of the Reserve Subaccount, drawings thereunder and repayments of costs associated therewith shall be made on a pro rata basis, calculated by reference to the maximum amounts available thereunder.

(4) Payments to Issuer of Reserve Subaccount Letter of Credit. The Issuer shall next make any payments required to be made to the issuer of any Reserve Subaccount Letter of Credit. Payments pursuant to this subsection (4), other than payments which

are not incurred as a result of a draw against the Reserve Subaccount Letter of Credit, shall be on a parity with all payments made to the Reserve Subaccount pursuant to subsection (3) above.

(5) Closure Account. Next, the Issuer shall deposit or credit to the Closure Account (from moneys available in the Revenue Account) a sum equal to the aggregate fees or surcharges on fees or other revenues imposed, levied or collected by the Issuer in compliance with Section 403.7125(3), Florida Statutes, as amended, to ensure the availability of financial resources for the proper closure of the landfills of the System, unless the Issuer shall not be required to establish any such fee, surcharge or other appropriate revenue-producing mechanism by reason of having established proof of financial responsibility in the manner permitted by Section 403.7125(4), Florida Statutes, as amended, which shall have been collected and received by the Issuer or which shall have accrued, if accrual shall be the basis of such mechanism, and which shall not have been previously deposited or credited to the Closure Account. Moneys in the Closure Account shall be paid out from time to time by the Issuer only for the purpose of landfill closure, for planning and construction of resource recovery or landfill facilities if such planning and construction expenditures do not deplete the Closure Account to the detriment of landfill closure, or for such other purpose or purposes authorized or required by Florida law for the application of such Section 403.7125(3) escrow account moneys. No moneys in the Closure Account may be applied by the Issuer to the payment of any part of the principal of, Redemption Price or interest on the Bonds or Subordinated Indebtedness, except upon receipt by the Issuer of an opinion of counsel that such payment shall be permitted by Florida law controlling the application of such Section 403.7125(3) escrow account moneys. Any moneys remaining to the credit of the Closure Account after closure of all landfill facilities of the System shall be disposed of in the manner provided by Florida law for the disposition of surplus Section 403.7125(3) escrow account moneys; the Issuer covenants and agrees that if such law permits, any Closure Account surplus shall be deposited or credited to the Revenue Account. If such law shall require that the Issuer deposit any such surplus to the Issuer's general fund, the Issuer will transfer from its general fund to the Revenue Account a sum equal to the amount of such surplus promptly upon depositing such surplus to its general fund.

(6) Renewal and Replacement Account. There shall be deposited or credited to the Renewal and Replacement Account an amount equal to one-twelfth of the Renewal and Replacement Requirement until the amount accumulated in such Account is equal to the Renewal and Replacement Account Requirement. In the event that the Renewal and Replacement Account Requirement is reduced, any excess amount in the Renewal and Replacement Account shall be deposited or credited to the Surplus Reserve Account. The moneys in the Renewal and Replacement Account shall be applied by the

Issuer for the purpose of paying the cost of major extensions, improvements or additions to, or the replacement or renewal of capital assets of, the System, or extraordinary repairs of the System; provided, however, that on or prior to each principal and interest payment date for the Bonds (in no event earlier than the fifteenth (15th) day of the month next preceding such payment date), moneys in the Renewal and Replacement Account shall be applied for the payment into the Payment Subaccount, and the Term Bonds Redemption Subaccount when the moneys therein are insufficient to pay the principal of and interest on the Bonds coming due, but only to the extent moneys available in the Reserve Subaccount for such purpose pursuant to Section 4.05(B)(3) hereof shall be inadequate to fully provide for such insufficiency.

(7) Subordinated Indebtedness. Gross Revenues shall next be applied by the Issuer for the payment of any accrued debt service on Subordinated Indebtedness incurred by the Issuer in connection with the System and in accordance with the proceedings authorizing such Subordinated Indebtedness.

(8) Surplus Reserve Account. The balance of any Gross Revenues remaining in said Revenue Account after the foregoing shall be deposited or credited to the Surplus Reserve Account. Moneys in the Surplus Reserve Account shall be applied monthly by the Issuer, to the extent necessary, to pay Operating Expenses whenever the moneys in the Operation and Maintenance Account shall be insufficient for such purpose. Whenever no Event of Default shall have occurred and be continuing under this Resolution, and after setting aside in the Surplus Reserve Account a sum which, together with the moneys in the Operation and Maintenance Account, shall be sufficient to pay Operating Expenses until the next succeeding November 1 according to the Annual Budget, the balance of any moneys remaining in the Surplus Reserve Account may be applied by the Issuer to replace any amounts withdrawn from the Secondary Security Fund or for any other lawful purpose of the System. Notwithstanding the foregoing, the Issuer shall have the right, at any time, to apply any money in the Surplus Reserve Account for deposit or credit to the Closure Account, the Renewal and Replacement Account and the Rebate Account. Additionally, the Issuer shall have the right, but may never be compelled by any Holder, to apply any moneys in the Surplus Reserve Account, at any time, to the payment of all or any part of principal of, Redemption Price or interest on the Bonds or any Subordinated Indebtedness. The Issuer shall have the right also to withdraw from the Surplus Reserve Account at any time, or from time to time, any sum or sums equal to all or any part of the aggregate amount of money which shall have been collected and received by the Issuer from fees or surcharges on fees or other revenues imposed, levied or collected by the Issuer in compliance with Section 403.7125(3), Florida Statutes, as amended, for deposit or credit to the Closure Account, but which shall have been transferred to the Surplus Reserve Account as a result of equivalent sums having been deposited or

credited to the Closure Account from other legally available funds of the Issuer or as a result of the Issuer establishing proof of financial responsibility as described in paragraph (5), above, and expend the same for any lawful purpose.

(C) Whenever moneys in the Reserve Subaccount, together with the other amounts in the Debt Service Account, are sufficient to fully pay all Outstanding Bonds in accordance with their terms (including principal or applicable Redemption Price and interest thereon), no further deposits or credits to the Debt Service Account need be made.

The Issuer, in its discretion, may use moneys in the Payment Subaccount to purchase or redeem Bonds coming due on the next principal payment date, provided such purchase or redemption does not adversely affect the Issuer's ability to pay the principal or interest coming due on such principal payment date on the Bonds not so purchased or redeemed.

Prior to the close of business on the sixteenth Business Day (or, if no Reserve Subaccount Letter of Credit or Reserve Subaccount Insurance Policy is then in place, prior to the close of business on the fifth Business Day) prior to any date established for the payment of principal of or Redemption Price, if applicable, or interest on any Series of Bonds, the Issuer shall certify to the Paying Agent that sufficient moneys are in the Payment Subaccount and Term Bonds Redemption Subaccount to make all payments due on such forthcoming date. The Paying Agent shall be entitled to verify such certification by examination of any books, records or other proceedings deemed necessary by the Paying Agent to effectuate such verification and shall be entitled, at its request, to receive the certificate described in the preceding sentence in writing. At least one (1) business day prior to the date established for payment of any principal of or Redemption Price, if applicable, or interest on the Bonds, the Issuer shall withdraw from the appropriate account of the Debt Service Account sufficient moneys to pay such principal or Redemption Price, if applicable, or interest and deposit such moneys with the Paying Agent for the Bonds to be paid.

(D) In the event the Issuer shall issue a Series of Bonds secured by a Credit Facility, the Issuer may establish separate subaccounts in the Payment Subaccount and the Term Bonds Redemption Subaccount to provide for payment of the principal of and interest on such Series; provided payment from the Pledged Funds of one Series of Bonds shall not have preference over payment of any other Series of Bonds. The Issuer may also deposit or credit moneys to such subaccounts at such other times and in such other amounts from those provided in Section 4.05(B) as shall be necessary to pay the principal of and interest on such Bonds as the same shall become due, all as provided by the Supplemental Resolution authorizing such Bonds.

In the case of Bonds secured by a Credit Facility, amounts in the Debt Service Account may be applied as provided in the applicable Supplemental Resolution to reimburse the Credit Bank for amounts drawn under such Credit Facility to pay the principal of, premium, if any, and interest on such Bonds; provided such Credit Facility shall have no priority over Bondholders or the Insurer with respect to amounts in the Debt Service Account.

SECTION 4.06. REBATE ACCOUNT. Amounts in the Rebate Account shall be held in trust by the Issuer and used solely to make required rebates to the United States (except to the extent the same may be transferred to the Revenue Account) and the Bondholders shall have no right to have the same applied for debt service on the Bonds. The Issuer agrees to undertake all actions required of it in its arbitrage certificate, dated the date of issuance of the Series 1991 Bonds, as well as any successor certificate relating to other Series of Bonds, relating to such Series 1991 Bonds, including, but not limited to:

(A) making a determination in accordance with the Code of the amount required to be deposited or credited to the Rebate Account;

(B) depositing or crediting the amount determined in clause (A) above into the Rebate Account;

(C) paying on the dates and in the manner required by the Code to the United States Treasury from the Rebate Account and any other legally available moneys of the Issuer such amounts as shall be required by the Code to be rebated to the United States Treasury; and

(D) keeping such records of the determinations made pursuant to this Section 4.06 as shall be required by the Code, as well as evidence of the fair market value of any investments purchased with proceeds of the Bonds.

The provisions of the above-described arbitrage certificate may be amended from time to time as shall be necessary, in the opinion of Bond Counsel, to comply with the provisions of the Code.

SECTION 4.07. SECONDARY SECURITY REVENUE ACCOUNT.

(A) At all times prior to the release and discharge of the pledge of and lien upon the Secondary Security Revenues in accordance with Section 4.08 hereof, the Issuer shall maintain a special fund, to be known as the "Secondary Security Revenue Fund," and shall establish therein three accounts: the "Guaranteed Entitlement Account," the "Pari-Mutuel Revenue Account," and the "Sales Tax Revenue Account." Each of the aforementioned accounts shall contain a special subaccount to be known as the "Bond Security Subaccount." The Issuer shall deposit all Secondary

Security Revenues, as received, into the Bond Security Subaccount of the appropriate account until the aggregate amount on deposit in the three Bond Security Subaccounts is equal to the aggregate required deposits to the Payment Subaccount on the last day of the month.

(B) On the last day of each month, amounts on deposit in the three Bond Security Subaccounts shall be deposited or credited to the Payment Account, when the moneys therein are insufficient to pay the principal of and interest on the Bonds coming due, but only to the extent moneys transferred from the Surplus Reserve Account and the Renewal and Replacement Account for such purpose pursuant to Sections 4.05(B)(8) and 4.05 (B)(6) hereof (but exclusive of moneys available in the Reserve Account for such purpose pursuant to Section 4.05(B)(3) hereof) shall be inadequate to fully provide for such insufficiency. Any moneys transferred to the aforementioned Accounts described above shall be repaid from Gross Revenues as described in Section 4.05(B)(8) hereof. Any funds on deposit in the Bond Security Subaccount not required for deposit or credit to the aforementioned Accounts shall be transferred out of the Bond Security Subaccount and may be used for any other lawful purpose of the Issuer.

(C) The Issuer hereby represents that there are currently no obligations secured by a lien on the Secondary Security Revenues on a parity with or prior to the lien of the bonds, other than the Issuer's obligations under that certain Loan Agreement by and between the Issuer and the Florida Association of Counties Trust, dated as of October 1, 1990. The Issuer hereby covenants and agrees that, unless and until the lien on the Secondary Security Revenues is released as provided in Section 4.08 hereof, the Issuer will not cause to be issued any obligations secured by a lien on the Secondary Security Revenues prior to or on a parity with the lien of the Bonds on such Secondary Security Revenues, other than Additional Bonds issued in accordance with Article VI hereof.

SECTION 4.08. RELEASE OF SECONDARY SECURITY REVENUES.

(A) The pledge of and lien upon the Secondary Security Revenues shall be discharged and satisfied upon compliance with the following requirements:

(1) An independent certified public accountant shall certify to the Issuer and the Insurer that the amount of the Net Revenues received during each of the three most recently completed Fiscal Years will be equal to at least 110 percent the Maximum Annual Debt Service of the Bonds then Outstanding, plus 100 percent of the maximum annual debt service for all Subordinated Indebtedness then outstanding and any amounts owed to the issuer of a Reserve Subaccount Letter of Credit as a result of a draw against such Reserve Subaccount Letter of Credit. For the purpose of determining the Maximum Annual Debt Service with respect to such

certificate, any Variable Rate Bonds shall be deemed to bear interest at all times to the maturity thereof at a constant rate of interest equal to either the rate borne by such Variable Rate Bonds on the date they were issued plus one-half of the difference between such rate and the Maximum Interest Rate or the actual rate of interest borne by such Variable Rate Bonds on such date of calculation, whichever is higher.

(2) The Issuer shall adopt a resolution acknowledging receipt of the independent certified public accountant's certificate and discharging the Secondary Security Revenues from the lien of this Resolution.

(B) If the Issuer, prior to the of such computation, shall have increased the rates, fees or other charges for the product, services or facilities of the System, the Net Revenues for each Fiscal Year shall be adjusted to show the Net Revenues which would have been derived from the System in such Fiscal Year as if such increased rates, fees or other charges for the product, services or facilities of the System had been in effect during each of the three most recently completed Fiscal Years.

(C) A certified copy of the resolution discharging the lien against the Secondary Security Revenues shall be provided to any Insurer, Credit Bank or other financial institution that has insured or to provided for Bonds of any one or more Series credit or liquidity support to enhance the security or the value of such Bonds.

(D) Upon discharge and satisfaction of the lien on and pledge of the Secondary Security Revenues in accordance with this Section, the Bondholders shall have no further rights to such Secondary Security Revenues, which may, thereupon, be used for any lawful purpose of the Issuer.

SECTION 4.09. INVESTMENTS. The Construction Account, the Revenue Account, the Debt Service Account, the Operation and Maintenance Account, the Closure Account, the Surplus Reserve Account and the Renewal and Replacement Account shall be continuously secured in the manner by which the deposit of public funds are authorized to be secured by the laws of the State. The moneys in the Construction Account, the Revenue Account, Operation and Maintenance Account, the Payment Subaccount, the Term Bonds Redemption Subaccount, the Renewal and Replacement Account and the Surplus Reserve Account shall be invested and reinvested by the Issuer in Authorized Investments, maturing not later than the dates on which such moneys will be needed for the purposes of such account or subaccount. Moneys in the Reserve Subaccount shall be invested in Authorized Investments, maturing no later than five (5) years from the date of investment. Moneys in the Closure Account may be invested or reinvested in the manner authorized by applicable law. All investments shall be valued at cost.

Notwithstanding any other provision hereof, all amounts in the Construction Account or Payment Subaccount representing accrued and capitalized interest shall be held by the Paying Agent, shall be pledged solely to the payment of interest on the corresponding Series of Bonds and shall be invested only in obligations described in paragraph (A) of the definition of "Authorized Investments" set forth in Section 1.01 hereof maturing in such times and in such amounts as are necessary to pay the interest to which they are pledged. Any and all income received from the investment of moneys in the accounts and subaccounts established hereunder shall be deposited or credited upon receipt thereof in the Revenue Account.

Nothing in this Resolution shall prevent any Authorized Investments acquired as investments of or security for funds held under this Resolution from being issued or held in book-entry form on the books of the Department of the Treasury of the United States.

SECTION 4.10. SEPARATE ACCOUNTS. The moneys required to be accounted for in each of the foregoing funds, accounts and subaccounts established herein may be deposited in a single bank account, and funds allocated to the various funds, accounts and subaccounts established herein may be invested in a common investment pool, provided that adequate accounting records are maintained to reflect and control the restricted allocation of the moneys on deposit therein and such investments for the various purposes of such funds, accounts and subaccounts as herein provided.

The designation and establishment of the various funds, accounts and subaccounts in and by this Resolution shall not be construed to require the establishment of any completely independent, self-balancing funds as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of certain revenues for certain purposes and to establish certain priorities for application of such revenues as herein provided.

ARTICLE V

COVENANTS

SECTION 5.01. GENERAL. The Issuer hereby makes the following covenants, in addition to all other covenants in this Resolution, with each and every successive Holder of any of the Bonds so long as any of said Bonds remain Outstanding.

SECTION 5.02. OPERATION AND MAINTENANCE. The Issuer will maintain or cause to be maintained the System and all portions thereof in good condition and will operate or cause to be operated the same in an efficient and economical manner, making or causing to be made such expenditures for equipment and for renewals, repairs and replacements as may be proper for the economical operation and maintenance thereof. The Issuer covenants to comply with all State and federal laws and regulations applicable to its ownership and operation of the System.

SECTION 5.03. ANNUAL BUDGET. The Issuer shall annually prepare and adopt, prior to the beginning of each Fiscal Year, an Annual Budget in accordance with applicable law. No expenditure for the operation and maintenance of the System shall be made in any Fiscal Year in excess of the amount provided therefor in the Annual Budget, (A) without a written finding and recommendation by an Authorized Issuer Officer, which finding and recommendation shall state in detail the purpose of and necessity for such increased expenditures, and (B) until the Governing Body shall have approved such finding and recommendation.

If for any reason the Issuer shall not have adopted the Annual Budget before the first day of any Fiscal Year, other than the first Fiscal Year, the Annual Budget for the preceding Fiscal Year, shall be deemed to be in effect for such Fiscal Year until the Annual Budget for such Fiscal Year is adopted.

SECTION 5.04 RATES. The Issuer shall fix, establish and maintain such rates and collect such fees, rates, Assessments or other charges for the product, services and facilities of its System, and revise the same from time to time, whenever necessary, as will always provide in each Fiscal Year Net Revenues which at least equal 110 percent of the Annual Debt Service on all Outstanding Bonds becoming due in such Fiscal Year plus 100 percent of any amounts required by the terms hereof to be deposited or credited to the Reserve Subaccount or with any issuer of a Reserve Subaccount Letter of Credit or Reserve Subaccount Insurance Policy as a result of a withdrawal from the Reserve Subaccount. Such rates, fees or other charges shall not be so reduced so as to be insufficient to provide adequate Net Revenues for the purposes provided therefor by this Resolution.

SECTION 5.05. BOOKS AND RECORDS. The Issuer shall keep books, records and accounts of the revenues and operations of the System, which shall be kept separate and apart from all other books, records and accounts of the Issuer, and the Holders of any Bonds Outstanding or the duly authorized representatives thereof shall have the right at all reasonable times to inspect all books, records and accounts of the Issuer relating thereto.

SECTION 5.06. ANNUAL AUDIT. The Issuer shall, immediately after the close of each Fiscal Year, cause the books, records and accounts relating to the System to be properly audited by a recognized independent certified public accountant or firm of independent certified public accountants, and shall require such accountants to complete their report of such Annual Audit in accordance with applicable law. Each Annual Audit shall be in conformity with generally accepted accounting principles. A copy of each Annual Audit shall regularly be furnished to any Insurer and to any Holder of a Bond who shall have furnished his address to the Clerk and requested in writing that the same be furnished to him.

SECTION 5.07. NO MORTGAGE OR SALE OF THE SYSTEM. The Issuer irrevocably covenants, binds and obligates itself not to sell, lease, encumber or in any manner dispose of the System as a whole or any substantial part thereof (except as provided below) until all of the Bonds and all interest thereon shall have been paid in full or provision for payment has been made in accordance with Section 9.01 hereof.

The foregoing provision notwithstanding, the Issuer shall have and hereby reserves the right to sell, lease or otherwise dispose of any of the property comprising a part of the System in the following manner, if any one of the following conditions exist: (A) such property is not necessary for the operation of the System, (B) such property is not useful in the operation of the System, (C) such property is not profitable in the operation of the System, or (D) in the case of a lease of such property, such lease will be advantageous to the System and will not adversely affect the security for the Bondholders.

Prior to any such sale, lease or other disposition of said property: (1) if the amount to be received therefor is not in excess of one-half of one percent of the value of the fixed assets of the System at original cost, an Authorized Issuer Officer shall make a finding in writing determining that one or more of the conditions for sale, lease or disposition of property provided for in the second paragraph of this Section 5.07 have been met; or (2) if the amount to be received from such sale, lease or other disposition of said property shall be in excess of one-half of one percent of the value of the gross plant of the System at original cost, an Authorized Issuer Officer shall first make a finding in writing determining that one or more of the conditions for sale,

lease or other disposition of property provided for in the second paragraph of this Section 5.07 have been met, and the Issuer shall, by resolution, duly adopt, approve and concur in the finding of the Authorized Issuer Officer.

The proceeds from such sale, lease or other disposition shall be deposited or credited, first, to the Renewal and Replacement Account to the extent necessary to make the amount therein equal to the Renewal and Replacement Account Requirement, and, second, to the Surplus Reserve Account.

The transfer of the System as a whole from the control of the Governing Body to some other board or authority which may hereafter be created for such purpose and which constitutes a governmental entity, obligations issued by which are exempt from Federal income taxation under Section 103(a) of the Code, shall not be deemed prohibited by this Section 5.07 and such successor board or authority shall fall within the definition of "Issuer" in Section 1.01 hereof, provided that the transferee has the same payment obligation as the Issuer with respect to the Bonds, from the same source of revenue.

Notwithstanding the foregoing provisions of this Section 5.07, the Issuer shall have the authority to sell for fair and reasonable consideration or to transfer without charge from the System to another department of the Issuer any land comprising a part of the System which, based upon the certification of the Authorized Issuer Officer, is no longer necessary or useful in the operation of the System and the proceeds derived from the sale of such land shall be disposed of in accordance with the provisions of the fourth paragraph of this Section 5.07.

The Issuer may make contracts or grant licenses for the operation of, or grant easements or other rights with respect to, any part of the System if such contract, license, easement or right does not impede or restrict the operation by the Issuer of the System, but any payments to the Issuer under or in connection with any such contract, license, easement or right in respect of the System or any part thereof shall constitute Gross Revenues.

SECTION 5.08. INSURANCE. The Issuer will carry such insurance as is ordinarily carried by private or public corporations owning and operating solid waste disposal systems similar to the System with a reputable insurance carrier or carriers, including public liability insurance in such amounts as the Issuer shall determine to be sufficient and such other insurance against loss or damage by fire, explosion (including underground explosion), hurricane, tornado or other hazards and risks, and said property loss or damage insurance shall at all times be in an amount or amounts equal to the fair appraisal value of the buildings, properties, furniture, fixtures and equipment of

the System, or such other amount or amounts as the Consulting Engineers shall approve as sufficient.

The Issuer may establish certain minimum levels of insurance for which the Issuer may self-insure. Such minimum levels of insurance shall be in amounts as recommended in writing by an insurance consultant who has a favorable reputation and experience and is qualified to survey risks and to recommend insurance coverage for Persons engaged in operations similar to the System.

The proceeds of any such insurance shall be held in the Construction Account and applied in accordance with the requisition procedure provided in Section 4.03 hereof to the necessary costs involved in such repair and replacement and, to the extent not so applied, shall (together with proceeds of any such use and occupancy insurance) be deposited or credited to the Revenue Account as Gross Revenues.

SECTION 5.09. NO FREE SERVICE. The Issuer will not render, or cause to be rendered, any free services of any nature by its System or any part thereof, nor will any preferential rates be established for users of the same class.

SECTION 5.10. NO IMPAIRMENT OF RIGHTS. the Issuer will not enter into any contract or contracts, nor take any action, the results of which might impair the rights of the Holders of the Bonds and will not permit the operation of any competing solid waste disposal facilities in the Issuer.

SECTION 5.11. ENFORCEMENT OF CHARGES. The Issuer shall compel the prompt payment of rates, fees and charges imposed for service rendered by the System, and to that end will vigorously enforce all of the provisions of any ordinance or resolution of the Issuer having to do with assessments for solid waste disposal services, and all of the rights and remedies permitted the Issuer under law.

SECTION 5.12. COVENANTS WITH CREDIT BANKS AND INSURERS. The Issuer may make such covenants as it may in its sole discretion determine to be appropriate with any Insurer, Credit Bank or other financial institution that shall agree to insure or to provide for Bonds of any one or more Series credit or liquidity support that shall enhance the security or the value of such Bonds, provided, that any such covenants shall not adversely affect the Holders of any Outstanding Bonds. Such covenants may be set forth in the applicable Supplemental Resolution and shall be binding on the Issuer, the Registrar, the Paying Agent and all the Holders of Bonds the same as if such covenants were set forth in full in this Resolution.

SECTION 5.13. CONSULTING ENGINEERS. The Issuer shall at all times employ Consulting Engineers, whose duties shall be to make

any certificates and perform any other acts required or permitted of the Consulting Engineers under this Resolution, and also to review the construction and operation of the System, to make an inspection of the System at least once every two years, and to submit to the Issuer a report with recommendations as to the proper maintenance, repair and operation of the System during the ensuing Fiscal Year, including recommendations for expansion and additions to the System to meet anticipated service demands, and an estimate of the amount of money necessary for such purposes. Copies of such reports, recommendations and estimates made as hereinabove provided shall be filed with the Issuer for inspection by Bondholders, if such inspection is requested.

SECTION 5.14. MANAGER OF FACILITIES. The Issuer in operating the System will employ a manager of demonstrated ability.

SECTION 5.15. USE OF SYSTEM. The Issuer will, to the full extent permitted by law, require persons within the limits of the Issuer who can use the services of the System to utilize such services immediately upon availability and to cease the use of all other means and methods similar to the services furnished by the System.

SECTION 5.16. FEDERAL INCOME TAXATION COVENANTS.

(A) The Issuer covenants with the Holders of each Series of Bonds (other than Taxable Bonds) that it shall not use the proceeds of such Series of Bonds in any manner which would cause the interest on such Series of Bonds to be or become includable in gross income for purposes of federal income taxation.

(B) The Issuer covenants with the Holders of each Series of Bonds (other than Taxable Bonds) that neither the Issuer nor any Person under its control or direction will make any use of the proceeds of such Series of Bonds (or amounts deemed to be proceeds under the Code) in any manner which would cause such Series of Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code and neither the Issuer nor any other Person shall do any act or fail to do any act which would cause the interest on such Series of Bonds to become includable in gross income for purposes of federal income taxation.

(C) The Issuer hereby covenants with the Holders of each Series of Bonds (other than Taxable Bonds) that it will comply with all provisions of the Code necessary to maintain the exclusion from gross income of interest on the Bonds for purposes of federal income taxation, including, in particular, the payment of any amount required to be rebated to the U.S. Treasury pursuant to the Code.

(D) The Issuer may, if it so elects, issue one or more Series of Taxable Bonds the interest on which is (or may be) includable

126

in the gross income of the Holder thereof for federal income taxation purposes, so long as each Bond of such Series states in the body thereof that interest payable thereon is (or may be) subject to federal income taxation and provided that the issuance thereof will not cause interest on any other Bonds theretofore issued hereunder to be or become subject to federal income taxation. The covenants set forth in paragraphs (A), (B) and (C) above shall not apply to any Taxable Bonds.

SECTION 5.17. COLLECTION BY FORECLOSURE. The Issuer shall have the right to appoint an agent to foreclose and collect all delinquent Assessments in the manner provided by law and the Assessment Ordinance. An Assessment shall become delinquent if it is not paid within 30 days from the date any installment is due. The Issuer or its agent shall cause notice to be sent to any property owner who is delinquent in payment of his Assessment installment within 60 days from the date such installment was due. Between the 75th and 90th day after the due date of the delinquent installment, the Issuer or its agent may declare the entire unpaid balance of the delinquent Assessment to be in default and cause such delinquent property to be foreclosed in the method now or hereafter provided by law for foreclosure of mortgages on real estate, or otherwise as provided by law. Commencing on the 90th day after the due date of the delinquent installment, the Issuer or its agent shall declare the entire unpaid balance of the Assessment to be in default and cause the delinquent property to be foreclosed as described above. Any Governing Board action required in the collection of Assessments may be by resolution. All costs, fees and expenses, including reasonable attorney fees, related to any foreclosure action as described in Section 5.17 hereof shall be included in any judgment or decree rendered therein. At the sale pursuant to decree in any such action, the Issuer may be the purchaser to the same extent as an individual person or corporation.

SECTION 5.18. REASSESSMENTS. If any Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the Issuer shall be satisfied that any such Assessment is so irregular or defective that the same cannot be enforced or collected, or if the Issuer shall have omitted to make such Assessment when it might have done so, the Issuer shall either (A) take all necessary steps to cause a new Assessment to be made against any property benefited by the System, or (B) in its sole discretion, make up the amount of such Assessment from legally available moneys, which moneys shall be deposited or credited to the Revenue Account. In case such second Assessment shall be annulled, said Issuer shall obtain and make other Assessments until a valid Assessment shall be made.

SECTION 5.19. SYSTEM CAPACITY. During the entire period in which Bonds are Outstanding, the Issuer covenants to acquire and operate sanitary landfill sites or obtain contractual rights to dispose of solid waste at landfill sites, or any combination thereof, that the Issuer and the Consulting Engineer determine to be sufficient in the aggregate (after taking into account alternatives for solid waste other than disposal) to meet the needs of all incorporated and unincorporated areas within the boundaries of the Issuer.

SECTION 5.20. REPORTS TO INSURERS. The Issuer agrees to provide the following information to each Insurer of Outstanding Bonds:

(A) As soon as practicable after the end of each Fiscal Year, (1) the Issuer's budget for the current Fiscal Year; (2) audited financial statements for the immediate prior Fiscal Year; (3) the total amount of solid waste (in tons) delivered to the System during the immediate prior Fiscal Year; and (4) the amount of the Assessments (in dollars per unit) and the tipping fees (in dollars per ton) for the current Fiscal Year.

ARTICLE VI

**SUBORDINATED INDEBTEDNESS AND
ADDITIONAL BONDS**

SECTION 6.01. SUBORDINATED INDEBTEDNESS. The Issuer will not issue any other obligations, except under the conditions and in the manner provided herein, payable from the Pledged Funds or the Gross Revenues or voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge having priority to or being on a parity with the lien thereon in favor of the Bonds and the interest thereon. The Issuer may at any time or from time to time issue evidences of indebtedness payable in whole or in part out of Pledged Funds and which may be secured by a pledge of Pledged Funds; provided, however, that such pledge shall be, and shall be expressed to be, subordinated in all respects to the pledge of the Pledged Funds created by this Resolution and provided further that the issuance of such Subordinated Indebtedness shall be subject to any provisions contained in financing documents securing Outstanding Subordinated Indebtedness to the extent such provisions impact on the ability of the Issuer to issue Subordinated Indebtedness. The Issuer shall have the right to covenant with the holders from time to time of any Subordinated Indebtedness to add to the conditions, limitations and restrictions under which any Additional Bonds may be issued under the provisions of Section 6.02 hereof. The Issuer agrees to pay promptly any Subordinated Indebtedness as the same shall become due. Notwithstanding anything contained herein to the contrary, no Subordinated Indebtedness shall be subject to acceleration upon an event of default.

SECTION 6.02. ISSUANCE OF ADDITIONAL BONDS. No Additional Bonds, payable on a parity with the Bonds then Outstanding pursuant to this Resolution, shall be issued except upon the conditions and in the manner herein provided. The Issuer may issue one or more Series of Additional Bonds for any one or more of the following purposes: (i) financing the Cost of a Project, or the completion thereof, or (ii) refunding any or all Outstanding Bonds or of any Subordinated Indebtedness of the Issuer.

No such Additional Bonds shall be issued unless the following conditions are complied with:

(A) The Issuer shall certify that it is current in all deposits or credited to the various accounts and subaccounts established hereby and all payments theretofore required to have been deposited or credited by it under the provisions of this Resolution and that no Event of Default shall have occurred and be continuing.

(B) An independent certified public accountant shall certify to the Issuer that the amount of the Net Revenues received during the immediately preceding Fiscal Year or any 12 consecutive months selected by the Issuer of the 24 months immediately preceding the issuance of said Additional Bonds, adjusted as hereinafter provided, will be equal to at least 110 percent of the Maximum Annual Debt Service of the Outstanding Bonds and the Additional Bonds then proposed to be issued, plus 100 percent of the maximum annual debt service for all Subordinated Indebtedness then outstanding and any amounts owed to the issuer of a Reserve Subaccount Letter of Credit as a result of a draw against such Reserve Subaccount Letter of Credit.

(C) For the purpose of determining the Maximum Annual Debt Service under this Section 6.02, the additional parity Variable Rate Bonds then proposed to be issued shall be deemed to bear interest at all times to the maturity thereof at a constant rate of interest equal to either (1) the rate of interest such additional parity Variable Rate Bonds shall be assumed to have borne on the first business day of the calendar month next preceding the date on which the additional parity Variable Rate Bonds are to be delivered plus one-half of the difference between such rate and the Maximum Interest Rate or (2) the actual rate of interest such Variable Rate Bonds shall be assumed to have borne on such date of calculation, whichever is higher. The assumed interest rates for the additional parity Variable Rate Bonds established pursuant to this paragraph shall be based upon a written report or opinion to the Issuer of a banking or investment banking or financial advisory institution knowledgeable in financial matters relating to the Issuer.

(D) For the purpose of determining the Maximum Annual Debt Service under this Section 6.02, any Variable Rate Bonds shall be deemed to bear interest at all times to the maturity thereof at a constant rate of interest equal to either the rate borne by such Variable Rate Bonds on the date they were issued plus one-half of the difference between such rate and the Maximum Interest Rate or the actual rate of interest borne by such Variable Rate Bonds on such date of calculation, whichever is higher.

(E) For the purpose of this Section 6.02, the phrase "immediately preceding Fiscal Year or the 12 consecutive months of the 24 months immediately preceding the issuance of said Additional Bonds" shall be sometimes referred to as "12 consecutive months."

(F) The Net Revenues calculated pursuant to the foregoing Section 6.02(B) may be adjusted by the independent certified public accountant upon the written advice of the Consulting Engineers, at the option of the Issuer, as follows:

(1) If the Issuer, prior to the issuance of the proposed Additional Bonds, shall have increased the rates, fees or other

charges for the product, services or facilities of the System, the Net Revenues for the 12 consecutive months shall be adjusted to show the Net Revenues which would have been derived from the System in such 12 consecutive months as if such increased rates, fees or other charges for the product, services or facilities of the System had been in effect during all of such 12 consecutive months.

(2) If the Issuer shall have acquired or has contracted to acquire any privately or publicly owned existing solid waste disposal system, the cost of which shall be paid from all or part of the proceeds of the issuance of the proposed Additional Bonds, then the Net Revenues derived from the System during the 12 consecutive months immediately preceding the issuance of said Additional Bonds shall be increased by adding to the Net Revenues for said 12 consecutive months the Net Revenues which would have been derived from said existing solid waste disposal system as if such existing solid waste disposal system had been a part of the System during such 12 consecutive months. Such Net Revenues shall, to the extent the Issuer has increased its rates as described in paragraph (1) above, be calculated as if such increased rates were in effect as described in paragraph (1). For the purposes of this paragraph, the Net Revenues derived from said existing solid waste disposal system during such 12 consecutive months shall be adjusted to determine such Net Revenues by deducting what would have been the Issuer's costs of operation and maintenance of said existing solid waste disposal system (the basis of which is certified by the Consulting Engineers) as part of the System from the gross revenues of said system.

(3) If the Issuer, in connection with the issuance of Additional Bonds, shall enter into a contract (with a duration not less than the final maturity of such Additional Bonds) with any public or private entity whereby the Issuer agrees to furnish services in connection with any solid waste disposal system, then the Net Revenues of the System during the 12 consecutive months immediately preceding the issuance of said Additional Bonds shall be increased by the least amount which said public or private entity shall guarantee to pay in any one year for the furnishing of said services by the Issuer, after deducting therefrom the proportion of operating expenses and repair, renewal and replacement cost attributable in such year to such services.

(4) In the event the Issuer shall be constructing or acquiring additions, extensions or improvements to the System from the proceeds of such Additional Bonds and shall have established fees, rates or charges to be charged and collected from users of such facilities when service is rendered, such Net Revenues may be adjusted by adding thereto the Net Revenues estimated by the Consulting Engineers to be derived during the first 12 months of operation after completion of the construction or acquisition of said additions, extensions and improvements from the proposed users

of the facilities to be financed by Additional Bonds together with other funds on hand or lawfully obtained for such purpose.

(G) Additional Bonds shall be deemed to have been issued pursuant to this Resolution the same as the Outstanding Bonds, and all of the other covenants and other provisions of this Resolution (except as to details of such Additional Bonds inconsistent therewith) shall be for the equal benefit, protection and security of the Holders of all Bonds issued pursuant to this Resolution. Except as provided in Sections 4.02 and 4.05 hereof, all Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Pledged Funds and their sources and security for payment therefrom without preference of any Bonds over any other.

(H) In the event any Additional Bonds are issued for the purpose of refunding any Bonds then Outstanding, the conditions of Section 6.02(B) shall not apply, provided that the issuance of such Additional Bonds shall not result in an increase in the aggregate amount of principal of and interest on the Outstanding Bonds becoming due in the current Fiscal Year and all subsequent Fiscal Years. The conditions of Section 6.02(B) shall apply to Additional Bonds issued to refund Subordinated Indebtedness and to Additional Bonds issued for refunding purposes which cannot meet the conditions of this paragraph.

(I) In the event that the total amount of Series 1991 Bonds herein authorized to be issued are not issued simultaneously, such Series 1991 Bonds which are subsequently issued shall be subject to the conditions of Section 6.02(B).

(J) For purposes of making a draw against any Reserve Subaccount Letter of Credit, the Issuer's obligation to reinstate the Reserve Subaccount Letter of Credit shall not be subject to the Additional Bonds test set forth in the Resolution.

SECTION 6.03. BOND ANTICIPATION NOTES. The Issuer may issue notes in anticipation of the issuance of Bonds which shall have such terms and details and be secured in such manner, not inconsistent with this Resolution, as shall be provided by Supplemental Resolution of the Issuer.

SECTION 6.04. ACCESSION OF SUBORDINATED INDEBTEDNESS TO PARITY STATUS WITH BONDS. The Issuer may provide for the accession of Subordinated Indebtedness to the status of complete parity with the Bonds, if (A) the Issuer shall meet all the requirements imposed upon the issuance of Additional Bonds by Sections 6.02(A) and (B) hereof, assuming for purposes of said requirements, that such Subordinated Indebtedness shall be Additional Bonds, (B) the facilities financed by such Subordinated Indebtedness shall be, or become part of, the System, and (C) a subaccount in the Reserve Subaccount is established, upon such accession, which shall contain

an amount equal to the Reserve Subaccount Requirement in accordance with Section 4.05(B)(4) hereof. If the aforementioned conditions are satisfied, the Subordinated Indebtedness shall be deemed to have been issued pursuant to this Resolution the same as the Outstanding Bonds, and such Subordinated Indebtedness shall be considered Bonds for all purposes provided in this Resolution.

ARTICLE VII

DEFAULTS AND REMEDIES

SECTION 7.01. EVENTS OF DEFAULT. The following events shall each constitute an "Event of Default":

(A) Default shall be made by the Issuer in the payment of the principal of, Amortization Installment, redemption premium or interest on any Bond when due; provided however, that no effect shall be given to payments made under a Bond Insurance Policy.

(B) There shall occur the dissolution or liquidation of the Issuer, or the filing by the Issuer of a voluntary petition in bankruptcy, or the commission by the Issuer of any act of bankruptcy, or adjudication of the Issuer as a bankrupt, or assignment by the Issuer for the benefit of its creditors, or appointment of a receiver for the Issuer, or the entry by the Issuer into an agreement of composition with its creditors, or the approval by a court of competent jurisdiction of a petition applicable to the Issuer in any proceeding for its reorganization instituted under the provisions of the Federal Bankruptcy Act, as amended, or under any similar act in any jurisdiction which may now be in effect or hereafter enacted.

(C) The Issuer shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Bonds or in this Resolution on the part of the Issuer to be performed, and such default shall continue for a period of 30 days after written notice of such default shall have been received from the Holders of not less than 25 percent of the aggregate principal amount of Bonds Outstanding or the Insurer of such amount of Bonds. Notwithstanding the foregoing, the Issuer shall not be deemed to be in default hereunder if such default can be cured within a reasonable period of time and if the Issuer in good faith institutes appropriate curative action and diligently pursues such action until default has been corrected; provided however, that if such default is not cured within 60 days, it shall become an Event of Default.

SECTION 7.02. REMEDIES. Any Holder of Bonds issued under the provisions of this Resolution or any trustee or receiver acting for such Bondholders may either at law or in equity, by suit, action, mandamus or other proceedings in any court of competent jurisdiction, protect and enforce any and all rights under the Laws of the State of Florida, or granted and contained in this Resolution, and may enforce and compel the performance of all duties required by this Resolution or by any applicable statutes to be performed by the Issuer or by any officer thereof.

The Holder or Holders of Bonds in an aggregate principal amount of not less than 25 percent of the Bonds then Outstanding may by a duly executed certificate in writing appoint a trustee for Holders of Bonds issued pursuant to this Resolution with authority to represent such Bondholders in any legal proceedings for the enforcement and protection of the rights of such Bondholders and such certificate shall be executed by such Bondholders or their duly authorized attorneys or representatives, and shall be filed in the office of the Clerk. Notice of such appointment, together with evidence of the requisite signatures of the Holders of not less than 25 percent in aggregate principal amount of Bonds Outstanding and the trust instrument under which the trustee shall have agreed to serve, shall be filed with the Issuer and the trustee and notice of such appointment shall be given to all Holders of Bonds in the same manner as notices of redemption are given hereunder. After the appointment of the first trustee hereunder, no further trustees may be appointed; however, the Holders of a majority in aggregate principal amount of all the Bonds then Outstanding may remove the trustee initially appointed and appoint a successor and subsequent successors at any time.

If any remedial action is discontinued or abandoned, the Bondholders and Insurers shall be restored to their respective positions held prior to commencement of such remedial action.

SECTION 7.03. DIRECTIONS TO TRUSTEE AS TO REMEDIAL PROCEEDINGS. The Holders of a majority in principal amount of the Bonds then Outstanding (or any Insurer insuring any then Outstanding Bonds) have the right, by an instrument or concurrent instruments in writing executed and delivered to the trustee, to direct the method and place of conducting all remedial proceedings to be taken by the trustee hereunder with respect to the Series of Bonds owned by such Holders or insured by such Insurer, provided that such direction shall not be otherwise than in accordance with law or the provisions hereof, and that the trustee shall have the right to decline to follow any direction which in the opinion of the trustee would be unjustly prejudicial to Holders of Bonds not parties to such direction.

SECTION 7.04. REMEDIES CUMULATIVE. No remedy herein conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

SECTION 7.05. WAIVER OF DEFAULT. No delay or omission of any Bondholder to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default, or an acquiescence therein; and every power and remedy given by Section 7.02 to the Bondholders may

be exercised from time to time, and as often as may be deemed expedient.

SECTION 7.06. APPLICATION OF MONEYS AFTER DEFAULT. If an Event of Default shall happen and shall not have been remedied, the Issuer or a trustee or receiver appointed for the purpose shall apply all Pledged Funds (except for amounts in the subaccounts of the Reserve Subaccount which shall be applied to the payment of the Series of Bonds for which they were established) as follows and in the following order:

A. To the payment of the reasonable and proper charges, expenses and liabilities of the trustee or receiver and Registrar hereunder;

B. To the payment of the amounts required for reasonable and necessary Operating Expenses, and for the reasonable renewals, repairs and replacements of the System necessary to prevent loss of Gross Revenues, as certified by the Consulting Engineer;

C. To the payment of the interest and principal or Redemption Price, if applicable, then due on the Bonds, as follows:

(1) Unless the principal of all the Bonds shall have become due and payable, all such moneys shall be applied:

FIRST: to the payment to the Persons entitled thereto of all installments of interest then due, in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the Persons entitled thereto, without any discrimination or preference;

SECOND: to the payment to the Persons entitled thereto of the unpaid principal of any of the Bonds which shall have become due at maturity or upon mandatory redemption prior to maturity (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of Section 9.01 of this Resolution), in the order of their due dates, with interest upon such Bonds from the respective dates upon which they became due, and, if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with such interest, then to the payment first of such interest, ratably according to the amount of such interest due on such date, and then to the payment of such principal, ratably according to the amount of such principal due on such date, to the Persons entitled thereto without any discrimination or preference; and

THIRD: to the payment of the Redemption Price of any Bonds called for optional redemption pursuant to the provisions of this Resolution.

(2) If the principal of all the Bonds shall have become due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, with interest thereon as aforesaid, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the Persons entitled thereto without any discrimination or preference.

In the event a Reserve Subaccount Insurance Policy or Reserve Subaccount Letter of Credit provider shall fail to honor its commitment in respect of a Series of Bonds, the Pledged Funds shall be allocated on a pro rata basis by and among each Series of Bonds Outstanding without regard to the availability of (i) monies in the remaining reserve subaccounts or (ii) Reserve Subaccount Insurance Policies or Reserve Subaccount Letters of Credit issued in respect of the remaining reserve subaccounts.

SECTION 7.07. CONTROL BY INSURER. Upon the occurrence and continuance of an Event of Default or any event which with notice or the lapse of time or both would become an Event of Default, an Insurer, if such Insurer shall have honored all of its payment obligations under its Bond Insurance Policy, shall be entitled to direct and control the enforcement of all right and remedies with respect to the Bonds it shall insure and, except for the provision of notice to the Bondholders, shall be deemed to be the sole holder of the Bonds insured by its Bond Insurance Policy.

ARTICLE VIII

SUPPLEMENTAL RESOLUTIONS

SECTION 8.01. SUPPLEMENTAL RESOLUTION WITHOUT BONDHOLDERS' CONSENT. The Issuer, from time to time and at any time, may adopt such Supplemental Resolutions without the consent of the Bondholders, but with the prior written consent of each Insurer of Bonds which are Outstanding at the time such Supplemental Resolution (which Supplemental Resolution shall thereafter form a part hereof) for any of the following purposes:

(A) To cure any ambiguity or formal defect or omission or to correct any inconsistent provisions in this Resolution or to clarify any matters or questions arising hereunder.

(B) to grant to or confer upon the Bondholders any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Bondholders.

(C) To add to the conditions, limitations and restrictions on the issuance of Bonds under the provisions of this Resolution other conditions, limitations and restrictions thereafter to be observed.

(D) To add to the covenants and agreements of the Issuer in this Resolution other covenants and agreements thereafter to be observed by the Issuer or to surrender any right or power herein reserved to or conferred upon the Issuer.

(E) To specify and determine the matters and things referred to in Sections 2.01, 2.02 or 2.09 hereof, and also any other matters and things relative to such Bonds which are not contrary to or inconsistent with this Resolution as theretofore in effect, or to amend, modify or rescind any such authorization, specification or determination at any time prior to the first delivery of such Bonds.

(F) To authorize Additional Projects or to change or modify the description of any Project.

(G) To specify and determine matters necessary or desirable for the issuance of Variable Rate Bonds or Capital Appreciation Bonds.

(H) To provide for the establishment of a subaccount in the Reserve Subaccount which shall equally and ratably secure more than one Series of Bonds issued hereunder; provided the establishment of such subaccount shall not materially adversely affect the security of any Outstanding Bonds.

(I) To make any other change that, in the opinion of the Issuer, would not materially adversely affect the security for the Bonds. In making such determination, the Issuer shall not take into consideration any Bond Insurance Policy.

SECTION 8.02. SUPPLEMENTAL RESOLUTION WITH BONDHOLDERS' AND INSURER'S CONSENT. Subject to the terms and provisions contained in this Section 8.02 and Section 8.01 hereof, the Holder or Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding shall have the right, from time to time, anything contained in this Resolution to the contrary notwithstanding, to consent to and approve the adoption of such Supplemental Resolution or Resolutions hereto as shall be deemed necessary or desirable by the Issuer for the purpose of supplementing, modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Resolution; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified Series or maturity remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section 8.02. Any Supplemental Resolution which is adopted in accordance with the provisions of this Section 8.02 shall also require the prior written consent of each Insurer of Bonds which are Outstanding at the time such Supplemental Resolution shall take effect. No Supplemental Resolution may be approved or adopted which shall permit or require (A) an extension of the maturity of the principal of or the payment of the interest on any Bond issued hereunder, (B) reduction in the principal amount of any Bond or the Redemption Price or the rate of interest thereon, (C) the creation of a lien upon or a pledge of the Pledged Funds, other than the lien and pledge created by this Resolution, which adversely affects any Bondholders, (D) a preference or priority of any Bond or Bonds over any other Bond or Bonds, or (E) a reduction in the aggregate principal amount of the Bonds required for consent to such Supplemental Resolution. Nothing contained in this Section 8.02, however, shall be construed as making necessary the approval by Bondholders of the adoption of any Supplemental Resolution as authorized in Section 8.01 hereof.

If at any time the Issuer shall determine that it is necessary or desirable to adopt any Supplemental Resolution pursuant to this Section 8.02, the Clerk shall cause the Registrar to give notice of the proposed adoption of such Supplemental Resolution and the form of consent to such adoption to be mailed, postage prepaid, to all Bondholders at their addresses as they appear on the registration books. Such notice shall briefly set forth the nature of the proposed Supplemental Resolution and shall state that copies thereof are on file at the offices of the Clerk and the Registrar for inspection by all Bondholders. The Issuer shall not, however, be subject to any liability to any Bondholder by reason of its

failure to cause the notice required by this Section 8.02 to be mailed and any such failure shall not affect the validity of such Supplemental Resolution when consented to and approved as provided in this Section 8.02.

Whenever the Issuer shall deliver to the Clerk an instrument or instruments in writing purporting to be executed by the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding, which instrument or instruments shall refer to the proposed Supplemental Resolution described in such notice and shall specifically consent to and approve the adoption thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the Issuer may adopt such Supplemental Resolution in substantially such form, without liability or responsibility to any Holder of any Bond, whether or not such Holder shall have consented thereto.

If the Holders of not less than a majority in aggregate principal amount of the Bonds Outstanding at the time of the adoption of such Supplemental Resolution shall have consented to and approved the adoption thereof as herein provided, no Holder of any Bond shall have any right to object to the adoption of such Supplemental Resolution, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the Issuer from adopting the same or from taking any action pursuant to the provisions thereof.

Upon the adoption of any Supplemental Resolution pursuant to the provisions of this Section 8.02, this Resolution shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Resolution of the Issuer and all Holders of Bonds then Outstanding shall thereafter be determined, exercised and enforced in all respects under the provisions of this Resolution as so modified and amended.

SECTION 8.03. AMENDMENT WITH CONSENT OF INSURER ONLY. If all of the Bonds Outstanding hereunder are insured as to payment of principal and interest by an Insurer or Insurers, the Issuer may enact one or more Supplemental Resolutions amending all or any part of Articles I, IV, V, VI and VII hereof with the written consent of said Insurer or Insurers and the acknowledgment by said Insurer or Insurers that its insurance or guaranty policy will remain in full force and effect; provided, however, that such amendment shall not have any adverse affect on the Holders of any Bonds Outstanding. The consent of the Holders of any Bonds shall not be necessary. The foregoing right of amendment, however, does not apply to any amendment with respect to the exclusion, if applicable, of interest on said Bonds from gross income of the holder for federal income tax purposes nor may any such amendment deprive the Holders of any Bond of right to payment of the Bonds from, and their lien on, the Pledged Funds. Upon filing with the

Clerk of evidence of such consent of the Insurer or Insurers as aforesaid, the Issuer may adopt such Supplemental Resolution. Copies of any Supplemental Resolution proposed to be adopted pursuant to this Section 8.03 shall be provided to Moody's and Standard and Poor's at least 15 days prior to its adoption. After the adoption by the Issuer of such Supplemental Resolution, notice thereof shall be mailed in the same manner as notice of an amendment under Section 8.02 hereof.

SECTION 8.04. TRANSCRIPT OF DOCUMENTS TO INSURERS. The Issuer shall provide each Insurer of Bonds which are Outstanding at the time any Supplemental Resolution is adopted with a complete transcript of all proceedings relating to the execution of any Supplemental Resolution.

ARTICLE IX

MISCELLANEOUS

SECTION 9.01. DEFEASANCE. If (i) the Issuer shall pay or cause to be paid or there shall otherwise be paid to the Holders of all Bonds the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Resolution, (ii) the Issuer shall pay all amounts owing to any issuer of any Reserve Subaccount Letter of Credit or Reserve Subaccount Insurance Policy and all amounts owing to any Insurer, and (iii) all provisions regarding any amounts to be rebated to the United States government have been complied with, then the pledge of the Pledged Funds, and all covenants, agreements and other obligations of the Issuer to the Bondholders, shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Paying Agents shall pay over or deliver to the Issuer all money or securities held by them pursuant to the Resolution which are not required for the payment or redemption of Bonds not theretofore surrendered for such payment or redemption.

Any Bonds or interest installments appertaining thereto, whether at or prior to the maturity or redemption date of such Bonds, shall be deemed to have been paid within the meaning of this Section 9.01 if (A) in case any such Bonds are to be redeemed prior to the maturity thereof, there shall have been taken all action necessary to call such Bonds for redemption and notice of such redemption shall have been duly given or provision shall have been made for the giving of such notice, and (B) there shall have been deposited in irrevocable trust with a banking institution or trust company by or on behalf of the Issuer either moneys in an amount which shall be sufficient, or Refunding Securities certified by an independent nationally recognized certified public accountant to be in such amount that the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with such bank or trust company at the same time, shall be sufficient to pay the principal of or Redemption Price, if applicable, and interest due and to become due on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be. Except as hereafter provided, neither the Refunding Securities nor any moneys so deposited with such bank or trust company nor any moneys received by such bank or trust company on account of principal of or Redemption Price, if applicable, or interest on said Refunding Securities shall be withdrawn or used for any purpose other than, and all such moneys shall be held in trust for and be applied to, the payment, when due, of the principal of or Redemption Price, if applicable, of the Bonds for the payment or redemption of which they were deposited and the interest accruing thereon to the date of maturity or redemption; provided, however, the Issuer may substitute new Refunding

Securities and moneys for the deposited Refunding Securities and moneys if the new Refunding Securities and moneys are sufficient, based upon the certification of an independent certified public accountant, to pay the principal of or Redemption Price, if applicable, and interest on the refunded Bonds.

For purposes of determining whether Variable Rate Bonds shall be deemed to have been paid prior to the maturity or the redemption date thereof, as the case may be, by the deposit of moneys, or specified Refunding Securities and moneys, if any, in accordance with this Section 9.01, the interest to come due on such Variable Rate Bonds on or prior to the maturity or redemption date thereof, as the case may be, shall be calculated at the Maximum Interest Rate; provided, however, that if on any date, as a result of such Variable Rate Bonds having borne interest at less than the Maximum Interest Rate for any period, the total amount of moneys and specified Refunding Securities on deposit for the payment of interest on such Variable Rate Bonds is in excess of the total amount which would have been required to be deposited on such date in respect of such Variable Rate Bonds is in order to satisfy this Section 9.01, such excess shall be paid to the Issuer free and clear of any trust, lien, pledge or assignment securing the Bonds or otherwise existing under this Resolution.

In the event the Bonds for which moneys are to be deposited for the payment thereof in accordance with this Section 9.01 are not by their terms subject to redemption within the next succeeding 60 days, the Issuer shall cause the Registrar to mail a notice to the Holders of such Bonds that the deposit required by this Section 9.01 of moneys or Refunding Securities has been made and said Bonds are deemed to be paid in accordance with the provisions of this Section 9.01 and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal of or Redemption Price, if applicable, and interest on said Bonds.

Nothing herein shall be deemed to require the Issuer to call any of the Outstanding Bonds for redemption prior to maturity pursuant to any applicable optional redemption provisions, or to impair the discretion of the Issuer in determining whether to exercise any such option for early redemption.

In the event that the principal of or Redemption Price, if applicable, and interest due on the Bonds shall be paid by an Insurer or Insurers, such Bonds shall remain Outstanding, shall not be defeased and shall not be considered paid by the Issuer, and the pledge of the Pledged Funds and all covenants, agreements and other obligations of the Issuer to the Bondholders shall continue to exist and such Insurer or Insurers shall be subrogated to the rights of such Bondholders.

SECTION 9.02. CAPITAL APPRECIATION BONDS. For the purposes of (A) receiving payment of the Redemption Price if a Capital

Appreciation Bond is redeemed prior to maturity, or (B) receiving payment of a Capital Appreciation Bond if the principal of all Bonds becomes due and payable under the provisions of this Resolution, or (C) computing the amount of Bonds held by the Holder of a Capital Appreciation Bond in giving to the Issuer or any trustee or receiver appointed to represent the Bondholders any notice, consent, request or demand pursuant to this Resolution for any purpose whatsoever, the principal amount of a Capital Appreciation Bond shall be deemed to be its Accreted Value.

SECTION 9.03. SALE OF BONDS. The Bonds shall be issued and sold at public or private sale at one time or in installments from time to time and at such price or prices as shall be consistent with the provisions of the Act, the requirements of this Resolution and other applicable provisions of law.

SECTION 9.04. SEVERABILITY OF INVALID PROVISIONS. If any one or more of the covenants, agreements or provisions of this Resolution shall be held contrary to any express provision of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed separable from the remaining covenants, agreements and provisions of this Resolution and shall in no way affect the validity of any of the other covenants, agreements or provisions hereof or of the Bonds issued hereunder.

SECTION 9.05. VALIDATION AUTHORIZED. To the extent deemed necessary by Bond Counsel or desirable by Counsel for the Issuer, the Counsel for the Issuer is authorized to institute appropriate proceedings for validation of the Bonds herein authorized pursuant to Chapter 75, Florida Statutes.

SECTION 9.06. EFFECTIVE DATE. This Resolution shall take effect immediately upon its adoption.

ADOPTED this 26th day of August, 1991.
