Lieutenant Carl Woodle  
Nassau County Sheriff's Office  
50 Bobby Moore Circle  
Yulee, FL 32097

Dear Lieutenant Woodle:

We have compiled the following legal opinion in response to your question:

**How should a Sheriff's Office dispose of unclaimed cash evidence?**

Section 705.105, Florida Statutes, provides that unclaimed evidence belongs to the agency 60 days after conclusion of the proceeding for which the evidence was seized. The agency may retain, transfer to a governmental unit, donate to charity, or sell at advertised public sale. The cash evidence should be given to the County Commission as an unanticipated revenue to be appropriated back to the Sheriff's Office as Section 705.105, Florida Statutes, mandates that title to such property shall vest in the Sheriff's Office but the Sheriff's Office needs budget authority from the county to spend it under Chapter 129, Florida Statutes.

Section 116.21, Florida Statutes, provides that Sheriffs are authorized at their discretion on or before September 25 of each and every year thereafter to pay into the fine and forfeiture fund of their respective counties any or all unclaimed monies deposited or collected by them in their official capacity, which unclaimed monies came into their hands prior to January 1 of the preceding year and for which monies claim has not been made.

Persons having or claiming any interest in such funds or any portion of them shall file their written claims with the Sheriff or Clerk of the Court of the county having custody of such funds within the time specified by the notice and shall make sufficient proof to the Sheriff or Clerk of his ownership and upon so doing shall be entitled to receive any part of the monies so claimed.
