Hon. Thomas D. Branam, Jr., Chairman  
Nassau County Commission  
P.O. Box 1010  
Fernandina Beach, Florida

Dear Chairman Branam:

The Job Training Partnership Act programs administered by the Northeast Florida Private Industry Council, Inc., have made a difference in the lives of some of the citizens in your county. Workers who need training and jobs, and employers who need workers have all benefitted from these programs.

In July, the PIC named and recognized Jefferson Smurfit/Container Corporation of America as the Employer of the Year for Nassau County.

In October we will name and recognize the Nassau County JTPA Alumni of the Year. This person will be someone who has worked hard at their job and made a difference in the workplace.

Please help us recognize the JTPA employers and workers in your county by adopting a proclamation or resolution acknowledging JTPA Alumni Month.

Contact me or Susan Wildes of my staff in the administrative offices if you need additional information. The numbers are (904)363-6350, Suncom 874-6350, or toll-free 1-800-527-3573.

We would be pleased to attend a Board of County Commissioners meeting at which this would appear on the agenda.

We look forward to working with you as we pay tribute to our employers and workers.

Sincerely,

John W. Edwards, Jr.  
Executive Director
