

RESOLUTION NO. 2000-37

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS
OF NASSAU COUNTY SCHEDULING A STATE OF THE COUNTY
REPORT FOR THE LAST MEETING IN APRIL

WHEREAS, the citizens of Nassau County should receive updates and information as to the state of the county; and

WHEREAS, the State of the County Report should include information regarding the budget, millage, county operations, and policies; and

WHEREAS, the Board of County Commissioners finds that the State of the County Report should be set for six month increments; and

WHEREAS, the State of the County Report should be advertised to ensure public participation; and

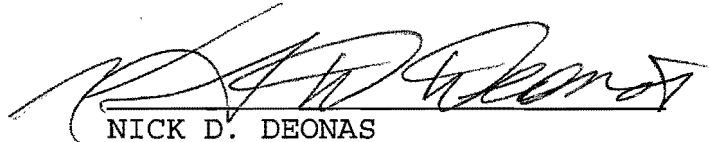

WHEREAS, staff should be directed to prepare a report in order for the full Commission to review said report and provide input.

NOW, THEREFORE, BE IT RESOLVED this 20th day of March, 2000, by the Board of County Commissioners that:

1. The County Coordinator is directed to prepare a draft county report setting forth information regarding the county budget, millage rates, department operations and/or changes and ways to better serve the public.

2. The draft report be presented to the Board at least the week prior to the last meeting in April in order for the Board to review said information and finalize the report.
