(A) The Issuer has infrastructure needs and requirements in the form of the 2001A Project which must be acquired and constructed in order to maintain and protect the health and welfare of the citizens of the Improvement Area of the Issuer.

(C) The principal of, Redemption Price, if applicable, and interest on the Bonds shall be paid from the Pledged Revenues. The Issuer shall never be required to use any ad valorem taxes for the payment of the Bonds. (D) Due to the present volatility of the market for tax-exempt obligations such as the Bonds and the complexity of the transactions relating to such Bonds, it is in the best interest of the Issuer to sell the Bonds by a negotiated sale, allowing the Issuer to enter the market at the most advantageous time and conditions, thereby permitting the Issuer to obtain the best possible price and interest rate for the Bonds. The Issuer acknowledges receipt of the information required by Section 218.385, Florida Statutes, in connection with the negotiated sale of the Bonds. A copy of the disclosure statement provided by the Bondholder of the Bonds containing the aforementioned information has been provided under separate cover to the Issuer.

SECTION 1.05. AUTHORIZATION OF 2001A PROJECT. The Issuer hereby authorizes the acquisition and construction of the 2001A Project.

The final payment of principal of and interest on the respective Bonds shall be payable at the office of the Clerk of the Circuit Court, ex officio Clerk of the Board of County Commissioners, upon presentation and surrender of such Bonds on the maturity date thereof, or if such maturity date is a Saturday, Sunday or holiday, on the next succeeding business day. Notwithstanding the foregoing, with respect to owners of \$100,000 or more in aggregate principal amount of the Series 2001A Bonds and in all cases in the event there is only one Bondholder, all payments of principal and interest shall be made by wire transfer for the account of such Bondholder to an account within the Continental United States of America, designated in writing to the County. Principal of and interest on the Bonds shall be payable in any coin or currency of the United States of America which, on the date of payment, are legal tender for the payment of public and private debts.

Interest on the Series 2001A Bonds shall accrue to the maturity date thereof at the rate of 5.63% per annum, computed based on a 360-day year, subject to adjustment from time to time as set forth in Section 2.06 hereof, and shall be payable on each September 1 commencing on September 1, 2002. Principal on the Series 2001A Bonds shall be payable on September 1, 2002 and annually thereafter in the amounts set forth below on September 1 of each year, through and including September 1, 2014:

<u>Year</u>	<u>Principal Due</u>
2002	35,381.76
2003	36,379.12

2005	40,590.72
2006	42,875.98
2007	45,289.89
2008	47,839.71
2009	50,533.09
2010	53,378.10
2011	56,383.29

The County additionally agrees to pay a late fee in an amount equal to 5% of the late payment, not to exceed \$250, to the Bondholders in the event payments of principal or interest are not made on the required date.

SECTION 2.02. APPLICATION OF BOND PROCEEDS.

The proceeds derived from the sale of the Series 2001A Bonds, including accrued interest and premium, if any, shall, simultaneously with the delivery of the Series 2001A Bonds to the purchaser or purchasers thereof, be applied by the Issuer as follows:

(i) An amount of the Bond proceeds shall be applied to the payment of costs and expenses relating to the issuance of the Series 2001A Bonds to the extent such costs and expenses shall not be paid from the Construction Fund.

(ii) The balance of the Series 2001A Bond proceeds shall be deposited in the Construction Fund.

SECTION 2.03. EXECUTION OF BONDS. The Bonds shall be executed in the name of the Issuer with the manual or facsimile signature of the Chairman and the Clerk and the official seal of the Issuer shall be imprinted thereon, attested and countersigned with the manual or facsimile signature of the Clerk. In case any one or more of the officers who shall have signed or sealed any of the Bonds or whose facsimile signature shall appear thereon shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered, such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Bond may be signed and sealed on behalf of the Issuer by such person who at the actual time of the execution of such Bond shall hold the proper office of the Issuer, although at the date of such Bond such person may not have held such office or may not have been so authorized. The Issuer may adopt and use for such purposes the facsimile signatures of any such persons who shall have held such offices at any time after the date of the adoption of this Resolution, notwithstanding that either or both shall have ceased to hold such office at the time the Bonds shall be actually sold and delivered.

SECTION 2.04. BONDS MUTILATED, DESTROYED, STOLEN OR LOST. In case any Bond shall become mutilated, or be destroyed, stolen or lost, the Issuer may, in its discretion, issue and deliver a new Bond of like tenor as the Bond so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond upon surrender and cancellation of such mutilated Bond or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder furnishing the Issuer proof of his ownership thereof and indemnity satisfactory to the Issuer, and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer may incur. All Bonds so surrendered or otherwise substituted shall be canceled by the Clerk. If any of the Bonds shall have matured or been called for redemption or be about to mature or be called for redemption, instead of issuing a substitute Bond, the Issuer may pay the same or cause the Bond to be paid, upon being indemnified as aforesaid, and if such Bonds be lost, stolen or destroyed, without surrender thereof.

Any such duplicate Bonds issued pursuant to this Section 2.04 shall constitute original, additional contractual obligations on the part of the Issuer whether or not the lost, stolen or destroyed Bond be at any time found by anyone, and such duplicate Bond shall be entitled to equal and proportionate benefits and rights as to lien on the Pledged Revenues to the same extent as all other Bonds issued hereunder.

SECTION 2.05. INTERCHANGEABILITY, NEGOTIABILITY AND TRANSFER. Bonds, upon surrender thereof at the office of the Clerk with a written instrument of transfer satisfactory to the Clerk, duly executed by the Holder thereof or his attorney duly authorized in writing, may, at the option of the Holder thereof, be exchanged for an equal aggregate principal amount of registered Bonds of the same maturity of any other authorized denominations.

The Bonds issued under this Resolution shall be and have all the qualities and incidents of negotiable instruments under the law merchant and the Uniform Commercial Code of the State of Florida, subject to the provisions for registration of transfer contained in this Resolution and in the Bonds. So long as any of the Bonds shall remain Outstanding, the Issuer shall maintain and keep, at the office of the Clerk, books for the registration of transfer of the Bonds.

The transfer of any Bond shall be registered only upon the books of the Issuer, at the office of the Clerk, under such reasonable regulations as the Issuer may prescribe, by the Holder thereof in person or by his attorney duly authorized in writing upon surrender thereof together with a written instrument of transfer satisfactory to the Clerk duly executed by the Holder or his duly authorized attorney with signature guaranteed. Upon the registration of transfer of any such Bond, the Issuer shall issue, and cause to be authenticated, in the name of the transferee a new Bond or Bonds of the same aggregate principal amount and maturity as the surrendered Bond.

In all cases in which Bonds shall be exchanged or the transfer of Bonds shall be registered, the Issuer shall execute and authenticate and deliver such Bonds in accordance with the provisions of this Resolution. For every such exchange or registration of transfer, the Issuer may make a charge sufficient to reimburse it for any tax or other governmental charge imposed by an entity other than the Issuer with respect to such exchange or registration of transfer. The Issuer shall not be obligated to make any such exchange or registration of transfer of Bonds during the fifteen (15) days next preceding a Payment Date on the Bonds, or, in the case of any proposed redemption of Bonds, then, during the fifteen (15) days next preceding the date of the first mailing of notice of such redemption and, in the case of the Bonds called for redemption, continuing until such redemption date.

SECTION 2.06. ADJUSTMENTS TO INTEREST RATE.

(a) The interest rate on the Bonds shall be subject to adjustment as described in this Section. Any adjustments shall be payable only after the Bondholder or its assigns has provided the Issuer written notice of such adjustments.

(b) Subject to the provisions of Section 2.06(a) above, the interest rate on the Bonds shall be adjusted as follows: (i) in the event of a change from the current 35% rate in the maximum federal income tax rate applicable to corporations, the interest on the Bonds shall be automatically adjusted, up or down, in order to maintain the same after-tax yield to the Bondholder; or (ii) the interest rate shall be adjusted (retroactively, if necessary) to provide the Bondholder with the same after-tax yield on the Bonds if (x) any amendments to existing law, other than a change in the corporate tax rate, are adopted which adversely affect the after-tax yield, or (y) there occurs a final determination by the Internal Revenue Service or a court that interest on the Bonds is not excluded from gross income for federal income tax purposes.

(c) The above adjustments shall be cumulative, but in no event shall the interest rate on the Bonds exceed the maximum rate permitted by law. The above adjustments to the interest rate on the Bonds shall be effective on the effective date of the applicable change in the tax laws or regulations, provided such adjustment shall not become payable until after notice has been given pursuant to Section 2.06 (a) hereof. Interest on the Bonds and all other tax rates and interest rates are expressed as annual rates. However, proper partial adjustment shall be made if the tax law change is effective after the first day of the Bondholder's tax year or if interest on the Bonds does not accrue for the entire tax year of the Bondholder. Adjustments which create a circular calculation because the interest rate on the Bonds is affected by the calculation shall be carried out sequentially, increasing the interest rate on the Bonds accordingly in each successive calculation until the change on the interest rate on the Bonds caused by the next successive calculation of the adjustment is de minimis.

(d) To the extent an adjustment to the interest rate on the Bonds is not effected within three (3) months of the event giving rise to the adjustment, the additional interest due as a result of such adjustment shall be paid with interest thereon compounded monthly at the rate which is equal to the interest rate on the Bonds. All unpaid amounts determined to be owing as a result of such calculation shall be due and payable within ten (10) days after delivery of notice of the amount of such adjustment, and shall be paid to the Bondholder of record during the period to which the adjustment relates. This obligation shall survive the payment and cancellation of the Bonds.

(e) If any adjustments made to the interest rate on the Bonds pursuant to the terms of this Section shall cause such interest rate to be in violation of the maximum interest rate provisions of Section 215.84, Florida Statutes, the Bonds shall be subject to mandatory redemption within 30 days thereof, upon notice from the Bondholder or its assigns to redeem the Bonds.

SECTION 2.07. FORM OF BONDS. The text of the Bonds shall be in substantially the following form with such omissions, insertions and variations, as may be necessary and/or desirable and approved by the Chairman prior to the issuance thereof (which necessity and/or desirability and approval shall be presumed by such officer's execution of the Bonds and the Issuer's delivery of the Bonds to the purchaser or purchasers thereof):

Interest shall be paid on each September 1, commencing September 1, 2002, in an amount equal to the interest accrued and unpaid to such date. The interest rate on this Bond is subject to adjustment upon a Determination of Taxability (as defined in the Resolution) and certain other events affecting the tax status of the Issuer and the registered owner hereof, all as set forth in the Resolution defined below.

Both principal of and interest on this Bond are payable in lawful money of the United States of America by check or draft of the Clerk of the Circuit Court, ex officio Clerk of the Board of County Commissioners of the Issuer to the owner of record as such owner shall appear in the registration books of the Issuer on the 15th day of the month prior to such payment date. The final payment of principal of and interest on the Bonds shall be payable, upon presentation, at the office of the Clerk of the Circuit Court, ex officio Clerk of the Board of County Commissioners of the Issuer. Notwithstanding the foregoing, with respect to owners of \$100,000 or more in aggregate principal amount of the Series 2001A Bonds and in all cases in the event there is only one Bondholder, all payments of principal and interest shall be made by wire transfer for the account of such Bondholder to an account within the Continental United States designated in writing to the County. If a payment date for this Bond is not a business day, such payment date shall be the next succeeding business day, with interest accruing at the interest rate then due hereon until payment is made.

This Bond is issued for the principal purpose of providing moneys to acquire and construct various road and ancillary improvements within the 2001A Improvement Area (as specified and defined in the Resolution) of the Issuer (the "2001A Project"), under the authority of and in full compliance with the Constitution and laws of the State of Florida, particularly Chapter 125, Florida Statutes, the Issuer's Ordinance No. 2000-37 duly enacted by the Board of County Commissioners of the Issuer on September 25, 2000, as amended and supplemented, and other applicable provisions of law (the "Act") and Resolution No. _____, adopted September 10, 2001 (the "Resolution") and is subject to all the terms and conditions of the Resolution.

This Bond and the interest hereon are payable from and secured by a lien upon and a pledge of (1) proceeds of special assessments levied, collected and received by the Issuer upon property in the Improvement Area benefited by the 2001A Project within Nassau County, Florida, as more particularly described in the Resolution, and (2) until applied in accordance with the provisions of the Resolution, all moneys, including investments thereof, in certain of the funds and accounts established by the Resolution, all in the manner and to the extent described in the Resolution (collectively, the "Pledged Revenues").

It is expressly agreed by the Registered Holder of this Bond that the full faith and credit of the Issuer, the State of Florida, or any political subdivision thereof, are not pledged to the payment of the principal of, premium, if any, and interest on this Bond and that such Holder shall never have the right to require or compel the exercise of any taxing power of the Issuer, the State of Florida, or any political subdivision thereof, to the payment of such principal, premium, if any, and interest. This Bond and the obligation evidenced hereby shall not constitute a lien upon any property of the Issuer or the 2001A Project, but shall constitute a lien only on, and shall be payable from, the Pledged Revenues.

Neither the members of the Board of County Commissioners of the Issuer nor the Chairman nor any person executing this Bond shall be liable personally hereon or be subject to any personal liability or accountability by reason of the issuance hereof.

The transfer of this Bond is registrable in accordance with the terms of the Resolution only upon the books of the Issuer kept for that purpose at the principal office of the Clerk by the registered owner hereof in person or by his attorney duly authorized in writing, upon the surrender of this Bond together with a written instrument of transfer satisfactory to the Clerk duly executed by the registered owner or his attorney duly authorized in writing, and thereupon a new Bond or Bonds in the same aggregate principal amount shall be issued to the transferee in exchange therefor, and upon the

payment of the charges, if any, permitted by the Resolution. The 2001A Bonds are issuable in fully registered form in the denomination of \$636,000 (or such lesser amount resulting from a partial redemption of the Bonds). The Issuer and any paying agent may treat the registered Holder of this Bond as the absolute owner hereof for all purposes, whether or not this Bond shall be overdue, and shall not be affected by any notice to the contrary.

The Bonds are subject to redemption prior to their stated date of maturity, in whole or in part at any time upon 5 days prior written notice to the registered owners thereof and are subject to mandatory redemption upon a rate adjustment which would cause the rate of interest on the Bonds to exceed the maximum rate allowed by Section 215.84, Florida Statutes, as described in the Resolution. In either case, such redemption shall be without premium, at a price of par, plus accrued interest.

Reference to the Resolution and any and all resolutions supplemental thereto and modifications and amendments thereof and to the Act is made for a description of the pledge and covenants securing this Bond, the nature, manner and extent of enforcement of such pledge and covenants and the rights, duties, immunities and obligations of the Issuer.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen and to be performed precedent to and in the issuance of this Bond, exist, have happened and have been performed, in regular and due form and time as required by the laws and Constitution of the State of Florida applicable thereto, and that the issuance of the Bonds does not violate any constitutional or statutory limitations or provisions.

IN WITNESS WHEREOF, the Board of County Commissioners of Nassau County, Florida has issued this Bond and has caused the same to be executed by the manual or facsimile signature of its Chairman, its official seal or a facsimile thereof to be affixed or reproduced hereon, and countersigned and attested to by the manual or facsimile signature of its Clerk, all as of the 11th day of September, 2001.

(B) The Bonds shall be subject to mandatory redemption in whole, at a price equal to the Redemption Price, upon the occurrence of the circumstances described in Section 2.06(e) hereof.

ARTICLE IV

SECURITY, SPECIAL FUNDS AND APPLICATION THEREOF

SECTION 4.01. BONDS NOT TO BE INDEBTEDNESS OF ISSUER. The Bonds shall not be or constitute general obligations or indebtedness of the Issuer as "bonds" within the meaning of any constitutional or statutory provision, but shall be special obligations of the Issuer, payable from and secured by a lien upon and pledge of the Pledged Revenues in accordance with the terms of this Resolution. No Holder of any Bond shall ever have the right to compel the exercise of any ad valorem taxing power to pay such Bond, or be entitled to payment of such Bond from any moneys of the Issuer, except from the Pledged Revenues, in the manner provided herein.

SECTION 4.02. SECURITY FOR BONDS. The payment of the principal of or Redemption Price, if applicable, and interest on the Bonds shall be secured forthwith equally and ratably by a pledge of and lien upon the Pledged Revenues. The Issuer does hereby irrevocably pledge the Pledged Revenues to the payment of the principal of or Redemption Price, if applicable, and interest on the Bonds in accordance with the provisions hereof. The Pledged Revenues shall immediately be subject to the lien of this pledge without any physical delivery thereof or further act, and the lien of this pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Issuer.

SECTION 4.03. CONSTRUCTION FUND. The Issuer covenants and agrees to establish a special fund to be known as the "Nassau County, Florida Special Assessment Bonds, Series 2001A Construction Fund," which shall be used only for payment of the Cost of the 2001A Project. Such fund shall be an account established with the initial Bondholder. Moneys in the Construction Fund, until applied in payment of any item of the Cost of the 2001A Project in the manner hereinafter provided, shall be held in trust by the Issuer, and shall be subject to a lien and charge in favor of the Holders of the Bonds and for the further security of such Holders.

The proceeds of insurance maintained against physical loss of or damage to the 2001A Project, or the contractors' performance bonds with respect thereto pertaining to the period of construction thereof, shall be deposited into the Construction Fund.

The Issuer covenants that the acquisition, construction and installation of the 2001A Project will be completed without delay and in accordance with sound engineering practices. The Issuer shall make disbursements or payments from the Construction Fund to pay the Cost of the 2001A Project. The Issuer shall keep records of such disbursements and payments and shall retain all such records for six (6) years from the dates of such records.

Notwithstanding any of the other provisions of this Section 4.03, to the extent that other moneys are not available therefor, amounts in the Construction Fund shall be applied to the payment of principal and interest on Bonds, when due.

The date of completion of acquisition and construction of the 2001A Project shall be determined by an Authorized Issuer Officer who shall certify such fact in writing to the Board of County Commissioners. Promptly after the date of the completion of the 2001A Project, and after paying or making provisions for the payment of all unpaid items of the Cost of the 2001A Project,

the Issuer shall deposit any balance of moneys remaining in the Construction Fund to the Redemption Account.

SECTION 4.04. FUND AND ACCOUNTS. The Issuer covenants and agrees to establish a special fund to be known as the "Nassau County, Florida Special Assessment Bonds, Series 2001A Debt Service Fund." The Issuer shall maintain in the Debt Service Fund six accounts: the "Assessment Account," the "Payment Account," the "Reserve Account," the "Redemption Account," the "Rebate Account" and the "Expense Account." Moneys in the aforementioned fund and accounts (other than moneys on deposit in the Rebate Account), until applied in accordance with the provisions hereof, shall be held in trust for and be subject to a lien and charge in favor of the Holders of the Bonds and for the further security of such Holders.

SECTION 4.05. FLOW OF FUNDS.

(A) All Special Assessment Proceeds shall be deposited, as received, into the Assessment Account of the Debt Service Fund. Collection Costs may be paid directly to any Person which is due such Costs without being deposited to the Assessment Account. Within three (3) Business Days of receipt of moneys in the Assessment Account, the Issuer shall apply such moneys in the following manner and in the following order of priority:

(1) Expense Account. The Issuer shall deposit into the Expense Account, amounts required for the expenses and the payment of Collection Costs. Moneys on deposit in the Expense Account shall also be used to pay principal of and interest on the Bonds (whether at maturity or by redemption) in the event there is a deficiency in the Payment or Redemption Accounts.

(2) Payment Account. The Issuer shall deposit or credit to the Payment Account of the Debt Service Fund, from the Assessment Account, the sum which, together with the balance in said Account, shall equal the interest on all Outstanding Bonds due or to become due on the next subsequent Payment Date and the principal due or to become due on the Outstanding Bonds on the next subsequent Payment Date on which principal is due which shall be not greater than one year from the date of such deposit. Moneys in the Payment Account shall be used for payment of principal of and interest on the Bonds when the same become due and payable. In the event the Issuer shall determine that any moneys in the Payment Account shall not be required to pay the principal or interest of Bonds coming due on the otherwise corresponding Payment Date because such Bonds have been called or redeemed, the Issuer shall transfer such moneys to the Reserve Account if the amount then on deposit therein is less than the Reserve Account Requirement, and otherwise to the Redemption Account.

(3) Rebate Account. The Issuer shall next deposit into the Rebate Account, from the Assessment Account, all amounts required to be deposited therein in order to make timely rebate payments to the United States government pursuant to Section 4.06 hereof.

(4) Reserve Account. The Issuer shall next deposit into the Reserve Account, from the Assessment Account, any amount necessary to restore the amount on deposit therein to the Reserve Account Requirement.

(5) Redemption Account. The balance of any funds remaining in the Assessment Account after the deposits and payments required by Sections 4.05(A)(1) through 4.05(A)(3)

hereof shall be deposited into the Redemption Account. Excess moneys on deposit in the Construction Fund shall be deposited to the Redemption Account in accordance with the provisions of Section 4.03 hereof. If, on the sixth (6th) day prior to any Payment Date, moneys in the Payment Account shall be insufficient to pay the interest on or principal of the Bonds coming due on such Payment Date, moneys in an amount equal to such insufficiency shall be transferred from the Redemption Account to the Payment Account. Except as applied above, moneys in the Redemption Account shall be used for the retirement of principal on the Bonds through redemption, subject to the provisions of Section 3.05(A) hereof.

(B) On or before the date established for payment of any principal of or Redemption Price, if applicable, or interest on the Bonds, the Issuer shall withdraw from the appropriate account of the Debt Service Fund sufficient moneys to pay such principal or Redemption Price, if applicable, and interest.

SECTION 4.06. REBATE ACCOUNT. Amounts on deposit in the Rebate Account shall be held in trust by the Issuer and used solely to make required rebates to the United States (except to the extent the same may be transferred to the Assessment Account) and the Bondholders shall have no right to have the same applied for debt service on the Bonds. The Issuer agrees to undertake all actions required of it in its Certificate as to Arbitrage and Certain Other Tax Matters, dated the date of issuance of the Bonds, relating to such Bonds, as well as any successor Certificate thereto, including, but not limited to:

(A) making a determination in accordance with the Code of the amount required to be deposited in the Rebate Account;

(B) depositing the amount determined in clause (A) above in the Rebate Account;

(C) paying on the dates and in the manner required by the Code to the United States Treasury from the Rebate Account and any other legally available moneys of the Issuer such amounts as shall be required by the Code to be rebated to the United States Treasury; and

(D) keeping such records of the determinations made pursuant to this Section 4.06 as shall be required by the Code, as well as evidence of the fair market value of any investments purchased with "gross proceeds" of the Bonds (as defined in the Code).

The provisions of the above-described Certificate as to Arbitrage and Certain Other Tax Matters may be amended from time to time as shall be necessary, in the opinion of Bond Counsel, to comply with the provisions of the Code.

SECTION 4.07. RESERVE ACCOUNT. In the event amounts on deposit in the Payment Account on the day prior to any Payment Date are insufficient to make the forthcoming payment of principal and interest on the Bonds, the Issuer shall transfer from the Reserve Account an amount necessary to cure such deficiency. In the event amounts on deposit in the Reserve Account are at any time in excess of the Reserve Account Requirement, the Issuer shall transfer such excess to the Redemption Account.

SECTION 4.08. INVESTMENTS. The Construction Fund and the Debt Service Fund shall be continuously secured in the manner by which the deposit of public funds are authorized to be secured by the laws of the State. Moneys on deposit in the Construction Fund and the Debt

Service Fund may be invested and reinvested in Authorized Investments maturing not later than the date on which the moneys therein will be needed; provided, that amounts on deposit in the Reserve Account shall be invested for a maturity not in excess of one year. Any and all income received by the Issuer from the investment of moneys in the Construction Fund, the Assessment Account and the Rebate Account shall be retained in such respective Fund or Account. Any and all income received by the Issuer from the investment of moneys in the Expense Account, the Redemption Account and the Reserve Account shall be transferred to the Assessment Account. All investments shall be valued at amortized cost.

Nothing contained in this Resolution shall prevent any Authorized Investments acquired as investments of or security for funds held under this Resolution from being issued or held in book-entry form on the books of the Department of the Treasury of the United States.

SECTION 4.09. SEPARATE ACCOUNTS. The moneys required to be accounted for in each of the foregoing funds and accounts established herein may be deposited in a single bank account, and funds allocated to the various funds and accounts established herein may be invested in a common investment pool, provided that adequate accounting records are maintained to reflect and control the restricted allocation of the moneys on deposit therein and such investments for the various purposes of such funds and accounts as herein provided.

The designation and establishment of the various funds and accounts in and by this Resolution shall not be construed to require the establishment of any completely independent, self-balancing funds as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of certain revenues for certain purposes and to establish certain priorities for application of such revenues as herein provided.

ARTICLE V

SECTION 5.02. ANNUAL AUDIT. The pledging of the Pledged Revenues in the manner provided herein shall not be subject to repeal, modification or impairment by any subsequent ordinance, resolution or other proceedings of the Board without the prior written consent of the holders of all Bonds outstanding.

SECTION 5.04. FEDERAL INCOME TAX COVENANTS. The Issuer covenants with the Holders of the Bonds that it shall not use the proceeds of such Bonds in any manner which would cause the interest on such Bonds to be included in gross income for purposes of federal income taxation to the extent not otherwise included therein on the date of issuance of the Bonds.

The Issuer covenants with the Holders of the Bonds that neither the Issuer nor any Person under its control or direction will make any use of the proceeds of such Bonds (or amounts deemed to be proceeds under the Code) in any manner which would cause such Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code and neither the Issuer nor any other Person shall do any act or fail to do any act which would cause the interest on such Bonds to be included in gross income for purposes of federal income taxation.

The Issuer hereby covenants with the Holders of Bonds that it will comply with all provisions of the Code necessary to maintain the exclusion of interest on the Bonds from gross income for purposes of federal income taxation, including, in particular, the payment of any amount required to be rebated to the United States Treasury pursuant to the Code.

SECTION 5.05. ENFORCEMENT OF PAYMENT OF SPECIAL ASSESSMENT PROCEEDS. The Issuer will receive, collect and timely enforce the payment of Special Assessment Proceeds in the manner prescribed by this Resolution, the Assessment Ordinance and all other resolutions, ordinances or laws appertaining thereto, and will pay and deposit the proceeds of Special Assessment Proceeds, as received, into the Assessment Account. Absent a default or delinquency in the payment of any Assessment, nothing herein shall require the prepayment of any installment due on an Assessment prior to its due date, except as otherwise provided by the Assessment Ordinance. The Issuer shall not change its method of collection of the Assessments without the prior written consent of the holders of the Bonds.

SECTION 5.06. RE-ASSESSMENTS. If any Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the Issuer shall be satisfied that any such Assessment is so irregular or defective that the same cannot be enforced or collected, or if the Issuer shall have omitted to make such Assessment when it might have done so, the Issuer shall either (A) take all necessary steps to cause a new Assessment to be made for the whole or any part of the 2001A Project or against any property benefited by the 2001A Project, or (B) in its sole discretion, make up the amount of such Assessment from legally available moneys, which moneys shall be deposited into the Assessment Account. In case such second Assessment shall be annulled, said Issuer shall obtain and make other Assessments until a valid Assessment shall be made.

SECTION 5.07. OTHER MONEYS. The Issuer may, in its sole discretion, utilize other legally available moneys, in addition to the Pledged Revenues, to pay the principal of and interest on the Bonds.

SECTION 5.08. COMPLIANCE WITH LAWS. The Issuer covenants to comply with all laws relating to: (a) the Assessments and the collection thereof and (b) the construction of the 2001A Project.

SECTION 5.09. ADDITIONAL OBLIGATIONS. The Issuer will not issue any additional debt or obligation secured by a pledge of the Pledged Revenues without the prior written consent of the Bondholders.

SECTION 5.10. NOTIFICATION OF PROGRESS. The Issuer shall notify the Bondholders in a timely manner with respect to any public meetings or private meetings in respect of the progress of construction of the 2001A Project, and shall permit the Bondholders to attend any such meetings, in person or by their agents.

SECTION 5.11. LIMITATION OF LIABILITY. No inspection or review by the Bondholders or their agent of the 2001A Project, or of the proceedings in respect of the Assessments or the subject financing, shall impose any liability upon the Bondholders or give rise to any claim, defense, set-off or counterclaim of any kind or nature.

SECTION 5.12. WAIVER OF JURY TRIAL. With respect to any suit or action between the Issuer and the Bondholders relating to the Bonds or this Resolution, the Issuer and the Bondholders each expressly waive any right to a jury trial, and agree that exclusive venue for such suit or action shall be Nassau County, Florida.

ARTICLE VI

DEFAULTS AND REMEDIES

SECTION 6.01. EVENTS OF DEFAULT. The following events shall each constitute an "Event of Default":

(A) Default shall be made in the payment of the principal of, redemption premium, if any, or interest on any Bond, when due.

(B) The Issuer shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Bonds or in this Resolution on the part of the Issuer to be performed, and such default shall continue for a period of thirty (30) days after written notice of such default shall have been received from the Holders of not less than ten percent (10%) of the aggregate principal amount of Bonds Outstanding.

(C) An Act of Bankruptcy shall have occurred with respect to the Issuer.

Notice of any default by the Issuer hereunder shall be given promptly to the Bondholders.

SECTION 6.02. REMEDIES. Whenever any Default referred to in Section 6.01 hereof shall have happened and be continuing, the Bondholder or its assigns, may take one or any combination of the following remedial steps:

(a) Have reasonable access to and inspect, examine and make copies of the books and records and any and all accounts and data of the Issuer during regular business hours; or

(b) Take whatever action at law or in equity may appear necessary or desirable to collect the amounts then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Issuer under this Resolution or to enforce the lien granted hereunder on the Pledged Revenues.

SECTION 6.03. REMEDIES CUMULATIVE. No remedy herein conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute. If any remedial action is discontinued or abandoned, the Bondholders shall be restored to their former position.

SECTION 6.04. WAIVER OF DEFAULT. No delay or omission of any Bondholder to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default, or an acquiescence therein; and every power and remedy given by this Article VI to the Bondholders may be exercised from time to time, and as often as may be deemed expedient.

ARTICLE VII

SUPPLEMENTAL RESOLUTIONS

SECTION 7.01. SUPPLEMENTAL RESOLUTIONS. The Holder or Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding shall have the right, from time to time, anything contained in this Resolution other than in this Section 7.01 to the contrary notwithstanding, to consent to and approve the adoption of such Supplemental Resolution or Resolutions hereto as shall be deemed necessary or desirable by the Issuer for the purpose of supplementing, modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Resolution; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified maturity remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section 7.01. No Supplemental Resolution may be approved or adopted without approval of the owners of 100% in aggregate principal amount of Bonds then outstanding which shall permit or require (A) an extension of the maturity of the principal of or the payment of the interest on any Bond issued hereunder, (B) reduction in the principal amount of any Bond or the Redemption Price or the rate of interest thereon, (C) the creation of a lien upon or a pledge of the Pledged Revenues other than the lien and pledge created by this Resolution or any other lien or pledge permitted by the terms of this Resolution which materially adversely affects any Bondholders, (D) a preference or priority of any Bond or Bonds over any other Bond or Bonds, or (E) a reduction in the aggregate principal amount of the Bonds required for consent to such Supplemental Resolution.

If at any time the Issuer shall determine that it is necessary or desirable to adopt any Supplemental Resolution pursuant to this Section 7.01, the Clerk shall give notice of the proposed adoption of such Supplemental Resolution and the form of consent to such adoption to be mailed, postage prepaid, to all Bondholders at their addresses as they appear on the registration books. Such notice shall briefly set forth the nature of the proposed Supplemental Resolution and shall state that copies thereof are on file at the offices of the Clerk for inspection by all Bondholders. The Issuer shall not, however, be subject to any liability to any Bondholder by reason of its failure to cause the notice required by this Section 7.01 to be mailed and any such failure shall not affect the validity of such Supplemental Resolution when consented to and approved as provided in this Section 7.01.

Whenever the Issuer shall deliver to the Clerk an instrument or instruments in writing purporting to be executed by the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding, which instrument or instruments shall refer to the proposed Supplemental Resolution described in such notice and shall specifically consent to and approve the adoption thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the Issuer may adopt such Supplemental Resolution in substantially such form, without liability or responsibility to any Holder of any Bond, whether or not such Holder shall have consented thereto.

If the Holders of not less than a majority in aggregate principal amount of the Bonds Outstanding at the time of the adoption of such Supplemental Resolution shall have consented to and approved the adoption thereof as herein provided, no Holder of any Bond shall have any right to object to the adoption of such Supplemental Resolution, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of

the adoption thereof, or to enjoin or restrain the Issuer from adopting the same or from taking any action pursuant to the provisions thereof.

Upon the adoption of any Supplemental Resolution pursuant to the provisions of this Section 7.01, this Resolution shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Resolution of the Issuer and all Holders of Bonds then Outstanding shall thereafter be determined, exercised and enforced in all respects under the provisions of this Resolution as so modified and amended.

ARTICLE VIII

MISCELLANEOUS

SECTION 8.01. DEFEASANCE. If the Issuer shall pay or cause to be paid or there shall otherwise be paid to the Holders of all Bonds the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Resolution, then the pledge of the Pledged Revenues, and all covenants, agreements and other obligations of the Issuer to the Bondholders, shall thereupon cease, terminate and become void and be discharged and satisfied.

Any Bonds or interest installments appertaining thereto, whether at or prior to the maturity or redemption date of such Bonds, shall be deemed to have been paid within the meaning of this Section 8.01 if (A) in case any such Bonds are to be redeemed prior to the maturity thereof, there shall have been taken all action necessary to call such Bonds for redemption and notice of such redemption shall have been duly given or provision shall have been made for the giving of such notice, (B) there shall have been deposited in irrevocable trust with a banking institution or trust company by or on behalf of the Issuer either moneys in an amount which shall be sufficient, or Defeasance Obligations, which in either case shall be verified by an independent certified public accountant to be in such amount that the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with such banking institution or trust company at the same time shall be sufficient, to pay the principal of or Redemption Price, if applicable, and interest due and to become due on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be, and (C) the Issuer shall receive an opinion of Bond Counsel to the effect that refunded Bonds are defeased in accordance with this Section 8.01 and, therefore, are no longer Outstanding under this Resolution. Except as hereafter provided, neither the Defeasance Obligations nor any moneys so deposited with such banking institution or trust company nor any moneys received by such banking institution or trust company on account of principal of or Redemption Price, if applicable, or interest on said Defeasance Obligations shall be withdrawn or used for any purpose other than, and all such moneys shall be held in trust for and be applied to, the payment, when due, of the principal of or Redemption Price, if applicable, of the Bonds for the payment or redemption of which they were deposited and the interest accruing thereon to the date of maturity or redemption; provided, however, the Issuer may substitute new Defeasance Obligations and moneys for the deposited Defeasance Obligations and moneys if the new Defeasance Obligations and moneys are verified by an independent certified public accountant as being sufficient to pay the principal of or Redemption Price, if applicable, and interest on the refunded Bonds.

In the event the Bonds for which moneys are to be deposited for the payment thereof in accordance with this Section 8.01 are not by their terms subject to redemption within the next succeeding sixty (60) days, the Issuer shall mail a notice to the Holders of such Bonds that the deposit required by this Section 8.01 of moneys or Defeasance Obligations has been made and said Bonds are deemed to be paid in accordance with the provisions of this Section 8.01 and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal of or Redemption Price, if applicable, and interest on said Bonds.

Nothing herein shall be deemed to require the Issuer to call any of the Outstanding Bonds for redemption prior to maturity pursuant to any applicable optional redemption provisions, or to impair the discretion of the Issuer in determining whether to exercise any such option for early redemption.

SECTION 8.02. SALE OF BONDS. The negotiated sale of the Bonds to SunTrust Bank, as the initial Bondholder, is hereby authorized.

SECTION 8.03. VALIDATION AUTHORIZED. To the extent deemed necessary or desirable by Bond Counsel, Bond Counsel is authorized to institute appropriate proceedings for validation of the Bonds pursuant to Chapter 75, Florida Statutes.

SECTION 8.04. SEVERABILITY OF INVALID PROVISIONS. If any one or more of the covenants, agreements or provisions of this Resolution shall be held contrary to any express provision of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed separable from the remaining covenants, agreements and provisions of this Resolution and shall in no way affect the validity of any of the other covenants, agreements or provisions hereof or of the Bonds issued hereunder.

SECTION 8.05. REPEAL OF INCONSISTENT RESOLUTIONS. All ordinances, resolutions or parts thereof in conflict herewith are hereby superseded and repealed to the extent of such conflict.

SECTION 8.06. EFFECTIVE DATE. This Resolution shall take effect immediately upon its adoption.
