

assessment roll for the MSBU based on the preliminary assessed property values; and

WHEREAS, the Board of County Commissioners desires to adjust said assessment roll based upon changes in the final and certified assessed valuations of properties within the MSBU.

NOW, THEREFORE BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF NASSAU COUNTY, this 12th day of April, 2004 that:

Section 1. The recitals set forth above are hereby adopted by and incorporated into this resolution as findings of the Board of County Commissioners of Nassau County, Florida.

Section 2. The revised non-ad valorem assessment roll for the non-ad valorem assessment on the real properties identified on such roll, all of which are located within the MSBU, is hereby adopted for the purpose of establishing the special assessments to finance the cost of the Beach Project. A copy of the assessment roll is attached hereto as Exhibit "A" and by reference made a part hereof.

Section 3. (a) The unit of measurement and the methodology to be used for determining the assessment to be levied on real property located in the MSBU to pay the cost of the Beach Project pursuant to this Resolution (the "Beach Project Assessment") are as follows:

1. The total annual debt service for bonds, notes or other obligations issued to finance the cost of the Beach Project and paid from the Beach Project Assessment (for purposes hereof, total annual debt service includes an interest rate of 1% above the rate on the bonds issued to finance the Beach Project, as permitted by the Ordinance) is divided between commercial properties and residential properties (13.5% of estimated debt service is assigned to commercial properties in the aggregate and 86.5% of the estimated debt service is assigned to residential properties in the aggregate).

2. The total debt service to be paid from the Beach Project Assessment on commercial properties is allocated in accordance with the proposed 2003 just valuation of each property as reflected by the records of the Nassau County Property Appraiser.

3. One-half of the total debt service to be paid from the Beach Project Assessment on residential properties (43.25% of total debt service) is allocated to all residential units or properties equally.

4. One-half of the total debt service to be paid from the Beach Project Assessment on residential properties (43.25% of total debt service) is allocated to those residential properties located in three zones within the MSBU based upon location. Zone 1 includes all residential properties facing or fronting the Atlantic Ocean and is allocated 56.31% of the remaining debt service. Zone 2 includes all residential properties located within the MSBU east of State Road A1A and not facing or fronting the Atlantic Ocean and is allocated 19.37% of the remaining debt service. Zone 3 includes residential properties located within the MSBU and west of State Road A1A and is allocated the remaining 24.32% of debt service.

5. Within each of the three (3) zones described in 4., 30% of the total debt service derived from the Beach Project Assessment is divided among all properties or units equally and 70.0% of the total debt service within each zone is allocated to each property or unit according to its proposed 2003 just valuation as reflected by the records of the Nassau County Property Appraiser.

6. The units of measurement for calculation of the assessments as set forth in paragraphs 1 through 5 above shall be adjusted and the assessments recalculated for each fiscal year due to changes in the assessed valuation of real property and changes in the use of property within the MSBU, including new construction.

7. (a) The mathematical formulas applying the methodology and units of measurements set forth above to determine the assessment for each parcel or unit being assessed hereunder shall be those formulas, applying the constants and variables, set forth in Exhibit "C" hereof and incorporated herein as part of this Resolution.

(b) The units of measurement for and the formulas to determine the Beach Project Assessment for the fiscal year beginning on October 1, 2003 as to each property described in Exhibit "A", shall be as set forth in Section 2 hereof and Exhibit "B" hereof, and, thereafter, such units of measurement and formulas are subject to approval and adjustment each year by resolution adopted by the Board of County Commissioners, which adjustment shall only be based on the following factors affecting the amount of the individual assessments: change in the use or value, or status of properties located within the MSBU; changes in the debt service for any bonds, notes or other obligations issued by Nassau County to finance the Beach Project; or due to varying interest rates. The adjustment to the assessments authorized by this Resolution shall not be based on any additional amount being assessed for additions to the Beach Project or for any other

projects or undertakings of Nassau County other than those set forth in this resolution.

Section 4. The amount of the Beach Project Assessment for each specific property located within the MSBU for the fiscal year beginning October 1, 2003 shall be provided in Exhibit "A".

Section 5. The Board of County Commissioners hereby finds, determines, and declares that the affected properties within the MSBU are specifically benefited by the Beach Project Assessment and that the method used to allocate the costs of the Beach Project Assessment as described in this Resolution, is fair and reasonable. In no event shall the Beach Project Assessment exceed the special benefit received thereby.

Section 6. The Beach Project Assessment shall be levied for the fiscal year beginning October 1, 2003, and may be levied for up to a total of five (5) years, subject only to such annual adjustments as are described in this Resolution.

Section 7. The costs of the Beach Project are to be paid from the proceeds of the Beach Project Assessment and the proceeds of the Beach Project Assessment are not to be used for any other purpose unrelated to the Beach Project. The costs for the portion of the Beach Project to be paid from the Beach Project Assessment shall not exceed Four Million Dollars (\$4,000,000) as more particularly described in Exhibit "C", which is attached hereto and by reference made a part hereof.

Section 8. (a) The Board of County Commissioners does hereby find that all statutory prerequisites to the adoption of the non-ad valorem assessment roll for the Beach Project Assessment have been satisfied, including (i) providing notice by first class United States Mail to all affected property owners within the MSBU, (ii) providing notice by publication in a newspaper of general circulation within Nassau County in accordance with the requirements of Ordinance No. 94-1 and Chapter 197, Florida Statutes, and (iii) a public hearing being held by the Board of County Commissioners as provided in such notices.

(b) Accordingly, the Board of County Commissioners hereby declares that the Beach Project Assessments for the fiscal year beginning October 1, 2003, shall be collected pursuant to the Uniform Method of Collection authorized in the Ordinance and Chapter 197, Florida Statutes.

Section 9. (a) The Board of County Commissioners does hereby authorize and direct the Chairman of the Board of County Commissioners to certify the revised non-ad valorem assessment roll for the Beach Project Assessment to the Tax Collector of

Nassau County, Florida, and other appropriate officials and entities involved in the levy and collection of the assessments determined by this Resolution no later than September 15, 2003.

(b) Appropriate officials of Nassau County are hereby authorized to do all things necessary to carry out the terms and conditions of this Resolution, including the mailing of notices to owners of real property against which the assessments are being levied setting forth the amount of such assessment, the date on which it is due, and the date on which an enforceable lien will be imposed upon the property if the assessment has not been paid in full, the levy and collection of the special assessments, the expenditure of the proceeds from the Beach Project Assessment, and contracting with other persons, including the South Amelia Island Shore Stabilization Association, Inc. ("SAISSA"), to administer, plan, and operate the Beach Project provided that any such proposed agreements or contracts shall be presented to the Board of County Commissioners for its consideration.

Section 10. Resolution No. 2003-117, to the extent inconsistent with the provisions hereof, is hereby modified and amended.

Section 11. This Resolution shall take effect immediately upon its adoption.

DONE AND ADOPTED in Regular Session this 12th day of April, 2004.
