

RESOLUTION 2006 - 11

A RESOLUTION DECLARING AN EMERGENCY AUTHORIZING WORK TO BE PERFORMED BY SOUTH GEORGIA SCALES, INC., ON THE SCALES AT THE LANDFILL.

WHEREAS, the Solid Waste director has advised that the scale at the Landfill is not working; and

WHEREAS, the scale is the means by which trucks are weighed leaving the Landfill; and

WHEREAS, the scale is an integral part of the Landfill operation; and

WHEREAS, it is crucial that the work be performed immediately; and

WHEREAS, South Georgia Scales, Inc., installed the scales and the Interim Director indicates that South Georgia Scales, Inc., is prepared to immediately repair the scales and is the only company able to do the work immediately; and

WHEREAS, the County Administrator has confirmed the emergency and recommends to the Board of County Commissioners that an emergency be declared, and that South Georgia Scales, Inc., be authorized to perform the work.

NOW, THEREFORE, BE IT RESOLVED this 26th day of January, 2006, by the Board of County Commissioners of Nassau County, Florida, as follows:

1. The Board hereby declares an emergency as to the repair work to be performed on the outbound scale.

2. Based upon the recitals set forth herein and the emergency recitals, quotes not be obtained, and Georgia Scales, Inc., is hereby authorized to perform the work.

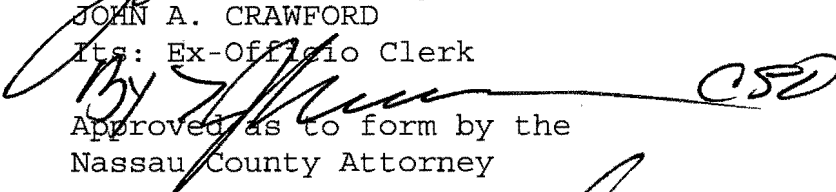

3. The total amount of the work not to exceed \$7,000.00.
