

RESOLUTION NO. 2006-98

A RESOLUTION DECLARING AN EMERGENCY AUTHORIZING WORK TO BE PERFORMED BY SOUTH GEORGIA SCALES, INC., ON THE SCALES AT THE LANDFILL.

WHEREAS, the Solid Waste Director has advised that the in-bound weighing scales at the West Nassau Landfill are not working; and

WHEREAS, the scale is the means by which trucks are weighed at the Landfill and is an integral part of the Landfill operation; and

WHEREAS, the scales being out of order causes back up of incoming traffic to the landfill; and

WHEREAS, it is crucial that the work be performed immediately; and

WHEREAS, South Georgia Scales, Inc., installed the scales, and the company is prepared to immediately repair the scales and is the only company that is able to perform the work immediately; and

WHEREAS, the County Administrator has confirmed the emergency and recommends to the Board of County Commissioners that an emergency be declared and that South Georgia Scales, Inc., be authorized to perform the work.

NOW, THEREFORE BE IT RESOLVED this 12th day of June, 2006, by the Board of County Commissioners of Nassau County, Florida as follows:

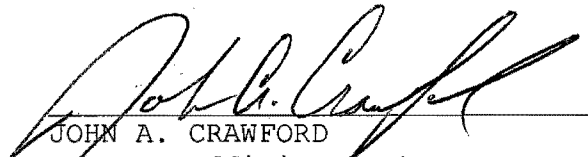

1. The Board hereby declares an emergency as to the repair work to be performed on the in-bound weigh scales.

2. Based upon the recitals set forth herein and the emergency recitals, quotes not be obtained and South Georgia Scales, Inc., is hereby authorized to perform the work.
3. The total amount of the work not to exceed \$5,000.00.
