Re: Parcel Number [Insert Number]
South Amelia Island Shore Stabilization Municipal Service Benefit Unit

Dear Property Owner:

The Board of County Commissioners of Nassau County (the "Board") created the South Amelia Island Shore Stabilization Municipal Service Benefit Unit to impose special assessments to fund the capital costs of beach renourishment local improvements within the SAISSA MSBU. The assessment for each parcel of real property is calculated based on a combination of factors including the parcel's property use, the just value of property attributable to such parcel of real property and the proximity to the beach. The initial assessments began in 2011 and are proposed to be collected in eight annual installments, the first of which was collected on the ad valorem tax bill mailed in November 2011 and the last of which will be included on the tax bill to be mailed in November 2018, as authorized by Section 197.3632, Florida Statutes. A more specific description of the project costs and the method of computing the assessment for each parcel of real property are set forth in the Initial Assessment Resolution adopted by the Board on January 10, 2011. Copies of the Master Capital Project and Service Assessment Ordinance, the Initial Assessment Resolution, the Final Assessment Resolution and the updated Assessment Roll are available for inspection the Nassau County Clerk of Court, located at 76347 Veterans Way, Yulee, Florida. Information regarding the assessment for your specific real property is attached to this letter.

Failure to pay your assessments will cause a tax certificate to be issued against the real property which may result in a loss of title. The total assessment revenue to be collected in the MSBU is estimated to be \$12,544,297.

The assessment project was financed by a bank loan. This will permit the cost attributable to your property to be amortized over the payment period. The annual assessment will include your share of the principal, interest, collection cost, and the amount Florida law requires the County to discount receipts for its annual budget. The maximum annual assessment proposed for your property is attached hereto. Six years of Annual Assessments remain to be paid; however, if there are no

significant defaults in payment of the assessments, the last loan payment may be made from any reserve accounts funded by the loan.

The Board will hold a public hearing at 7:00 P.M., or as soon thereafter as the matter can be heard, on August 26, 2013, in the Nassau County Commission Chambers, at the Nassau County Government Complex located at 96135 Nassau Place, Yulee, Florida, for the purpose of receiving comments on the imposition of assessments in the MSBU. You are invited to attend and participate in the public hearing or to file written objections with the Clerk of Court anytime prior to the public hearing.

If you decide to appeal any decision made by the Board with respect to any matter considered at the hearing, you will need a record of the proceedings and may need to ensure that a verbatim record is made, including the testimony and evidence upon which the appeal is to be made. In accordance with the Americans with Disabilities Act, if you need a special accommodation or an interpreter to participate in this proceeding, please contact the Clerk of Court's office at (904) 548-4600, at least seven days prior to the date of the hearing.

Questions regarding your assessment and the process for collection may be directed to the Clerk of Court at (904) 548-4600.
