WHEREAS, the Borrower has advised the City and the County that a portion of the proceeds of the Bonds will be applied to refinance the portion of the Project located in the County, and that such refinancing will result in a significant cost savings to the Borrower over the issuance and sale of separate issues of bonds by the City and the County in order to finance and refinance the Project; and

WHEREAS, the City and the County have agreed to enter into this Agreement for the purposes stated above; and

WHEREAS, on October 11, 2013, November 26, 2013, and August 27, 2014, the City authorized and approved the issuance of the Bonds, the application of the proceeds thereof and the execution and delivery of this Agreement; and

WHEREAS, the Interlocal Act authorizes the City and the County to enter into this Agreement and the Interlocal Act and Chapter 159 confer upon the City authorization to issue the Bonds and to apply the proceeds thereof to the financing and refinancing of the Project through a loan of such proceeds to the Borrower; and

WHEREAS, the parties hereto desire to agree to the issuance of the Bonds by the City for such purposes and such agreement by such parties is in the public interest; and

WHEREAS, pursuant to Section 6 hereof, the Borrower has agreed to indemnify the City and the County in connection with its execution of this Agreement;

NOW, THEREFORE, for and in consideration of the premises hereinafter contained, and intending to be legally bound hereby, the parties hereto agree as follows:

SECTION 1. Authorization to Issue the Bonds.

The City and the County do hereby agree that the City is hereby authorized to issue the Bonds in an aggregate principal amount not exceeding \$40,400,000 and to loan the proceeds thereof to the Borrower to finance and refinance the Project, with a portion of such proceeds to

be applied to refinance the portion of the Project located in the County. The City is hereby authorized to exercise all powers relating to the issuance of the Bonds vested in the County pursuant to the Constitution and the laws of the State of Florida and to do all things within the jurisdiction of the County which are necessary or convenient for the issuance of the Bonds and the financing and refinancing of the Project to the same extent as if the County were issuing its own revenue bonds under Chapter 159 for such purposes without any further authorization from the County to exercise such powers or to take such actions. It is in the intent of this Agreement and the parties hereto that the City be vested, to the maximum extent permitted by law, with all powers which the County might exercise with respect to the issuance of the Bonds and the lending of the proceeds thereof to the Borrower to finance and refinance the Project as though the County were issuing the Bonds as its own special limited obligations.

SECTION 2. Qualifying Project

A. Each of the parties hereto represents that the portion of the Project within its jurisdiction constitutes a "project" as such term is used in Chapter 159.

B. The City hereby further represents, determines and agrees as follows:

1. The portion of the Project located within the City is appropriate to the needs and circumstances of, and shall make a significant contribution to the economic growth of the City; shall provide or preserve gainful employment; and shall serve a public purpose by advancing the economic prosperity, the public health or the general welfare of the State of Florida and its people.

2. No financing or refinancing of the Project shall be entered into with a party that is not financially responsible and fully capable and willing to fulfill its obligations under the financing agreement, including the obligations to make payments in the amounts and at the times required, to operate, repair, and maintain at its own expense the Project, and to serve the purposes of Chapter 159 and such other responsibilities as may be imposed under the financing agreement.

3. The City and the other local agencies will be able to cope satisfactorily with the impact of the portion of the Project located in the City and will be able to provide, or cause to be provided when needed, the public facilities, including utilities and public services, that will be necessary for the construction, operation, repair, and maintenance of the portion of the Project located in the City and on account of any increases in population or other circumstances resulting therefrom.

4. Adequate provision will be made in the financing agreement for the operation, repair, and maintenance of the Project at the expense of the Borrower and for the payment of principal of and interest on the Bonds.

5. A public hearing was held on March 19, 2015, by the City, on behalf of the City, Baker County, Clay County, Nassau County and St. Johns County, Florida, during which comments concerning the issuance of the Bonds by the City to finance and refinance the Project were requested and could be heard.

C. For purposes of and in accordance with Section 159.29, Florida Statutes, as amended, the County hereby further represents, determines and agrees as follows:

1. The portion of the Project located within the County is appropriate to the needs and circumstances of, and shall make a significant contribution to the economic growth of the County; shall provide or preserve gainful employment; and shall serve a public purpose by advancing the economic prosperity, the public health or the general welfare of the State of Florida and its people.

2. The County and the other local agencies will be able to cope satisfactorily with the impact of the portion of the Project located in the County and will be able to provide, or cause to be provided when needed, the public facilities, including utilities and public services, that will be necessary for the construction, operation, repair, and maintenance of the portion of the Project located in the County and on account of any increases in population or other circumstances resulting therefrom.

SECTION 3. No Pecuniary Liability of the City or the County; Limited Obligation of the City.

Neither the provisions, covenants or agreements contained in this Agreement and any obligations imposed upon the City or the County hereunder, nor the Bonds issued pursuant to this Agreement, shall constitute a general indebtedness or liability of the City or any indebtedness of the County. The Bonds when issued, and the interest thereon, shall be limited and special obligations of the City payable solely from certain nongovernmental revenues and other nongovernmental amounts pledged thereto by the terms thereof.

SECTION 4. No Personal Liability.

No covenant or agreement contained in this Agreement shall be deemed to be a covenant or agreement of any member, officer, agent or employee of the City or the County in his or her individual capacity and no member, officer, agent or employee of the City or the County shall be liable personally on this Agreement or be subject to any personal liability or accountability by reason of the execution of this Agreement.

SECTION 5. Allocation of Responsibilities.

The City shall take all actions it deems necessary or appropriate in connection with the issuance of the Bonds, including, in its discretion, the preparation, review, execution and filing with government agencies of certificates, opinions, agreements and other documents to be delivered at the closing of the Bonds and the establishment of any funds and accounts pursuant to a loan agreement related to the Bonds.

Neither the City nor the County shall be liable for the costs of issuing the Bonds or the costs incurred by any of them in connection with the preparation, review, execution or approval of this Agreement or any documentation or opinions required to be delivered in connection therewith by the City, the County or counsel to any of them. All of such costs shall be paid from the proceeds of the Bonds or from other moneys of the Borrower.

SECTION 6. Indemnity.

The Borrower, by its approval and acknowledgement at the end of this Agreement, agrees to indemnify and hold harmless the City and the County, their respective officers, employees, representatives and agents, from and against any and all losses, claims, damages, liabilities or expenses of every conceivable kind, character and nature whatsoever, including, but not limited to, losses, claims, damages, liabilities or expenses (including reasonable fees and expenses of attorneys, accountants, consultants and other experts), arising out of, resulting from, or in any way connected with this Agreement or the issuance of the Bonds, other than any such losses, damages, liabilities or expenses, in the case of the City, arising from the willful misconduct of the City, and in the case of the County, arising from the willful misconduct of the County.

SECTION 7. Term.

This Agreement will remain in full force and effect from the date of its execution, subject to the provisions of Section 8 hereof, until such time as it is terminated by any party hereto upon 10 days written notice to the other party hereto. Notwithstanding the foregoing, it is agreed that this Agreement may not be terminated so long as any of the Bonds remain outstanding or unpaid (or any bonds issued to refund the Bonds remain outstanding and unpaid, unless otherwise expressly provided in connection with the issuance of such refunding bonds). Nothing herein shall be deemed in any way to limit or restrict either party hereto from issuing its own obligations or entering into any other agreement for the financing or refinancing of any facility which either party hereto may choose to finance.

SECTION 8. Filing of Agreement.

It is agreed that this Agreement shall be filed by the Borrower or its authorized agent or representative with the Clerk of the Circuit Court of Nassau County, Florida, and with the Clerk of the Circuit Court of Duval County, Florida, all in accordance with the Interlocal Act, and that this Agreement shall not become effective until so filed with the Borrower's executed approval and acknowledgment attached thereto.

SECTION 9. Severability of Invalid Provisions.

If any one or more of the covenants, agreements or provisions herein contained shall be held contrary to any express provisions of law or contrary to the policy of express law, though not expressly prohibited or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed separable from the remaining covenants, agreements or provisions and shall in no way affect the validity of any of the other provisions hereof.

SECTION 10. Governing Law.

This Agreement is being delivered and is intended to be performed in the State of Florida, and shall be construed and enforced in accordance with, and the rights of the parties shall be governed by, the laws of the State of Florida.

SECTION 11. Execution in Counterparts.

This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

IN WITNESS WHEREOF, the parties to this Agreement have caused this Agreement to be executed by the proper officers thereof, all as of the date first above written.
