

RESOLUTION NO. 2015- 55

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF NASSAU COUNTY, FLORIDA, PROCLAIMING APRIL 12 THROUGH APRIL 18, 2015, AS NATIONAL PUBLIC SAFETY TELECOMMUNICATIONS WEEK.

WHEREAS, April 12 through April 18, 2015, has been designated as National Public Safety Telecommunications Week; and

WHEREAS, the men and women of the Nassau County Sheriff's Office Communications Division serve as an indispensable link between our Sheriff's Deputies, City of Fernandina Beach Police Department, Fire Fighters, Paramedics, and the public; and

WHEREAS, telecommunications undergo approximately 395 hours of training in addition to Certification Exams to become certified through the State of Florida; and

WHEREAS, the telecommunicators who provide radio, telephone, and computer services to all of Nassau County's public safety units deserve to be commended for their dedication and professionalism; and

WHEREAS, each day hundreds of Nassau County citizens dial 9-1-1 for help in emergencies ranging from house fires, automobile accidents, and heart attacks, to crimes in progress; and

WHEREAS, the men and women who answer these calls for help, gathering essential information and dispatching the appropriate assistance, can often make the difference between life and death for persons in need; and

WHEREAS, Nassau County's 9-1-1 telecommunicators are a calm and reassuring voice at the other end of the phone, who offer assistance to the caller until the responding units arrive on the scene; and

WHEREAS, because emergencies can strike at any time, we rely on the vigilance and the preparedness of these telecommunicators twenty-four (24) hours a day and three hundred sixty-five (365) days a year; and

WHEREAS, Nassau County owes a great debt to the men and women who, by applying their expertise in telecommunications, help to make our County a safer place to live; and

WHEREAS, during this special observance, we acknowledge that debt and extend a heartfelt thanks to each of them.
