**RE: Landfill Aerial Photography and Photogrammetric Mapping
P&A # 10273-1**

Dear Mr. McIntyre:

This is in response to your request for a proposal from Pickett & Associates, Inc. to provide professional mapping services associated with the above referenced project.

Our scope of services and/or deliverables will be as follows:

- Acquisition of aerial photography, 1"=200' topographic map with 2' CI, 1"=400' reproducible B/W photo image plus a one mile radius of the Nassau County Landfill with County title block, four 1"=200' scale 30"x40" color enlargements centered on the landfill and a 1"=400' B/W photo of an area approximately 500 acres in size, to the west of the landfill.
- Ground Control Acquisition.
- Digital deliverables in ACADv14.

All mapping work shall meet or exceed the Florida Minimum Technical Standards requirements as set forth in Rule 61G17.

Our schedule to complete this work shall be twenty one (21) days from notice to proceed.
