SECTION 2. Qualifying Project

A. Each of the parties hereto represents that the portion of the Project within its jurisdiction constitutes a "project" as such term is used in Chapter 159.

B. The Commission hereby further represents, determines and agrees as follows:

4. Adequate provision will be made in the financing agreement for the operation, repair, and maintenance of the Project at the expense of the Borrower and for the payment of principal of and interest on the Bonds.

5. A public hearing was held on October 16, 2003, by the Commission, on behalf of the Commission, Clay County, Nassau County and St. Johns County, during which comments concerning the issuance of the Bonds by the Commission to finance and refinance the Project were requested and could be heard.

SECTION 3. No Pecuniary Liability of the Commission or the County; Limited Obligation of the Commission.

Neither the provisions, covenants or agreements contained in this Agreement and any obligations imposed upon the Commission or the County hereunder, nor the Bonds issued pursuant to this Agreement, shall constitute an indebtedness or liability of the Commission or the County. The Bonds when issued, and the interest thereon, shall be limited and special obligations of the Commission payable solely from certain nongovernmental revenues and other nongovernmental amounts pledged thereto by the terms thereof.

SECTION 4. No Personal Liability.

No covenant or agreement contained in this Agreement shall be deemed to be a covenant or agreement of any member, officer, agent or employee of the Commission or the County in his or her individual capacity and no member, officer, agent or employee of the Commission or the County shall be liable personally on this Agreement or be subject to any personal liability or accountability by reason of the execution of this Agreement.

SECTION 5. Allocation of Responsibilities.

The Commission shall take all actions it deems necessary or appropriate in connection with the issuance of the Bonds, including, in its discretion, the preparation, review, execution

and filing with government agencies of certificates, opinions, agreements and other documents to be delivered at the closing of the Bonds and the establishment of any funds and accounts pursuant to a trust indenture related to the Bonds.

Neither the Commission nor the County shall be liable for the costs of issuing the Bonds or the costs incurred by either of them in connection with the preparation, review, execution or approval of this Agreement or any documentation or opinions required to be delivered in connection therewith by the Commission, the County or counsel to either. The Borrower, by its approval and acknowledgement at the end of this Agreement, agrees to indemnify and hold harmless the Commission and the County, their respective officers, employees, representatives and agents, from and against any and all losses, claims, damages, liabilities or expenses of every conceivable kind, character and nature whatsoever, including, but not limited to, losses, claims, damages, liabilities or expenses (including reasonable fees and expenses of attorneys, accountants, consultants and other experts), arising out of, resulting from, or in any way connected with this Agreement or the issuance of the Bonds, other than any such losses, damages, liabilities or expenses, in the case of the Commission, arising from the willful misconduct of the Commission, and in the case of the County, arising from the willful misconduct of the County.

SECTION 7. Term.

This Agreement will remain in full force and effect from the date of its execution, subject to the provisions of Section 8 hereof, until such time as it is terminated by any party hereto upon 10 days written notice to the other party hereto. Notwithstanding the foregoing, it is agreed that this Agreement may not be terminated so long as any of the Bonds remain outstanding or unpaid. Nothing herein shall be deemed in any way to limit or restrict either party hereto from issuing its own obligations or entering into any other agreement for the financing or refinancing of any facility which either party hereto may choose to finance.

SECTION 8. Filing of Agreement.

It is agreed that this Agreement shall be filed by the Borrower or its authorized agent or representative with the Clerk of the Circuit Court of Nassau County, Florida, and with the Clerk of the Circuit Court of Duval County, Florida, all in accordance with the Interlocal Act, and that this Agreement shall not become effective until so filed with the Borrower's executed approval and acknowledgment attached thereto.

SECTION 9. Severability of Invalid Provisions.

If any one or more of the covenants, agreements or provisions herein contained shall be held contrary to any express provisions of law or contrary to the policy of express law, though not expressly prohibited or against public policy, or shall for any reason whatsoever be held

Notwithstanding the foregoing, it is agreed that this Agreement may not be terminated so long as any of the Bonds remain outstanding or unpaid.
