#### AGREEMENT FOR DISASTER RECOVERY SERVICES

THIS AGREEMENT made and entered into this <a href="24th">24th</a> day of <a href="September">September</a>, 2007, by and between the BOARD OF COUNTY</a>
COMMISSIONERS OF NASSAU COUNTY, FLORIDA, a political subdivision of the State of Florida, hereinafter referred to as the "County", and ASHBRITT, INC., GRUBBS EMERGENCY SERVICES, L.L.C., and TIM-PREP, INC., hereinafter collectively referred to as the "Contractor".

WHEREAS, the County lies on the east coast of the State of Florida, and, as such, may experience massive destruction wrought by the impact of a hurricane landfall, violent storms spawning tornadoes, as well as other natural and/or manmade disasters ("Events"); and

WHEREAS, it is foreseen that it may be necessary to provide for debris removal services to appointed and elected officials within the County, resulting from these Events; and

WHEREAS, the County has determined after extensive efforts that this is an area of specialized services, and, as such, the Contractor is considered to be a source of these specialized services; it is further understood that

the Contractor will perform as a contractor for all operations outlined in this Agreement.

NOW, FOR and IN CONSIDERATION of ten and no/100 dollars (\$10.00) and other mutually agreed upon consideration, the parties agree as follows:

#### 1. Scope of Services

It is the intent of this Agreement for the Contractor to remove as quickly as possible all hazards to life and property resulting in the County. Clean up, demolition, and removal will be limited to (1) that which is determined to eliminate or reduce immediate threats of significant public safety; (2) that which has been determined to eliminate immediate threats of significant damage to improved public or private property; and, (3) that which is considered essential to ensure economic recovery of the affected community to the benefit of the community atlarge. The Services shall consist of clean up, demolition, removal, reduction, and disposal of debris as directed by the designated representative of the County.

Specifically, the Scope of Services will include the items listed in Attachment "1", as priced in Attachment "2", and Attachment "3" of this Agreement under the corresponding heading.

The designated representative of the County shall utilize the services of each of the Contractors at the sole discretion of the County. At the time of the incident, the Contractor will be chosen, based on the County's needs.

#### 2. Services and Facilities

It is understood that, except as otherwise specifically stated in this Agreement and Attachments to this Agreement, the Contractor shall provide and pay for all labor, tools, equipment, transportation, supervision, and all other services and facilities of any nature whatsoever necessary to execute, complete and deliver the services within the time specified in the Notice to Proceed as agreed upon by the parties.

#### 3. Permits and Regulations

Permits and licenses of a temporary nature necessary for the prosecution of the Services shall be secured and paid for by the Contractor, unless otherwise stated in this Agreement.

#### 4. Supervision by Contractor

The Contractor will supervise and direct all Services in coordination with the County. The Contractor is solely responsible for the means, methods, techniques, sequences, safety program and procedures. The Contractor shall employ and maintain on the work site a qualified supervisor(s) who shall have full authority to act on behalf of the Contractor, and all communications given to the supervisor by the County's authorized representative shall be as binding as if given to the Contractor.

The name(s) of the supervisor(s) will be supplied to the County for each issuance of a Notice to Proceed.

#### 5. Priority of Work Areas

The County will approve the work area the Contractor will be allowed to work, in order of priority, to be established by the County. Daily and/or weekly scheduled meetings will be held to determine approved work areas. The Contractor shall remove all storm debris and leave the site from which the storm debris was removed in a clean and neat condition with the understanding that there will be certain debris that is not picked up by equipment and machinery used by the Contractor. Determination of when a

site is in a clean and neat condition will be at the discretion of the County.

#### 6. Working Hours

All activity associated with gathering and loading of storm debris shall be performed during visible daylight hours only. Hauling of storm debris to the disposal site will be allowed during visible daylight hours only between dawn and dusk. The Contractor may work during these hours seven (7) days per week, including holidays. It is understood between the parties that at the disposal site burning will take place twenty-four (24) hours, seven (7) days per week.

#### 7. Work Location

It is the intent of this Agreement to remove and properly dispose of storm debris in the unincorporated areas of the County as soon as possible. All of the work effort is focused primarily on the unincorporated area of the County. The scope of work may be expanded to include other areas as designated by the County.

#### 8. White Goods

The Contractor may expect to encounter white goods available for disposal. White goods will constitute household appliances as defined in the Florida

Administrative Code. The Contractor shall dispose of all white goods encountered in accordance with applicable laws.

Any white goods that may contain Freon, such as refrigerators, freezers, or air conditioners, shall have the Freon removed by the Contractor. The white goods shall be then placed in a separate area and shall at that time become the property of the County.

#### 9. Changes in Work

The County may at any time, as the need arises, order changes within the scope of work without invalidating this Agreement. If such changes increase or decrease the amount due under this Agreement, or in the time required for performance of the work, the County shall authorize an equitable adjustment by change order.

All changes affecting the project's costs or modifications of the terms or conditions of this Agreement shall be authorized by means of a written agreement or change order, which is mutually agreed upon by the County and the Contractor. All changes must be recorded on a contract change order before they can be included in a partial payment estimate.

## 10. Time for Completion

The date of beginning and the time of completion of the work are essential conditions of this Agreement, and the work agreed to shall be commenced on the date indicated by the Chairman of the Board of County Commissioners. The final completion date shall also be indicated by the Chairman, however, the County, at its option, may extend the contract period for an additional period of time.

The Contractor will proceed with the work at such rate of progress to insure full completion within the time period prescribed. It is expressly understood and agreed, by the company that it understands the time constraints regarding the work to be done.

#### 11. County Obligations

The County shall furnish all information and documents necessary for the commencement of work, to include valid written Notices to Proceed. A representative will be designated by the County to be the primary contact person for inspecting the work and answering any on-site questions prior to and after activation of this Agreement via a Notice to Proceed. Providing inspectors for the monitoring of debris operations shall be the responsibility of the County, as required by Federal law and policy governing

those specific operations. The County shall designate the public and private properties where work is to be performed

Copies of completed Right of Entry forms, where required, shall be furnished to the Contractor by the County.

#### 12. Suspension of Work, Termination, and Delay

The County may suspend the work or any portion thereof, for a period of not more than thirty (30) days, or at such further time as agreed upon by written notice to the Contractor. The Contractor will resume the work on the date so fixed. The Contractor will be allowed an increase of the contract price or any extension of the contract time, or both, directly attributable to any suspension with proper documentation and justification in advance and as agreed to, in writing, by the County. If the Contractor is adjudged as bankrupt or insolvent, or makes a general assignment for the benefit of its creditors, or a trustee or receiver is appointed for the Contractor or for any of its property, or if the Contractor files a petition to take advantage of any debtors' act, or to reorganize under the bankruptcy laws, or repeatedly fails to supply sufficiently skilled workmen or suitable material or equipment, or repeatedly fails to make prompt payments to subcontractors

for labor, materials or equipment, or disregards laws, ordinances, rules, regulations, or orders of any public body having jurisdiction over the work or otherwise violates any provisions of this Agreement, the County may, without prejudice to any other right or remedy and after giving the Contractor a minimum of five (5) days written notice, terminate the services of the Contractor, and finish the work by whatever method the County may deem expedient. In such case, the Contractor shall not be entitled to receive any further payment. If such cost exceeds such unpaid balance, the Contractor will pay the difference to the County.

If the Contractor's services have been so terminated by the County, said termination shall not affect any right of the County against the Contractor then existing, or which may thereafter accrue. Any retention or payment of monies by the County due the Contractor will not release the Contractor from compliance with this Agreement.

The parties understand that the primary source of funding to be used to pay the Contractor is from Federal and State sources, and the County may terminate or suspend this Agreement at any time after thirty (30) days' notice if the County reasonably determines that funding from

Federal and State sources is severely limited or unavailable.

After five (5) days from the delivery of written notice to the Contractor, the County may, without cause and without prejudice to any other right or remedy, elect to abandon the project and terminate the contract. In such case, the Contractor shall be paid for all work executed and any expenses sustained, plus reasonable profit for the work completed, except as to the termination previously described above.

If, through no act or fault of the Contractor, the work is suspended for a period of more than forty-five (45) days by the County or under an order of the court or any public authority, or the County fails to pay the contractor substantially the sum approved by the County within forty-five (45) days of its approval and presentation, the Contractor may, after ten (10) days from delivery of a written notice to the County, terminate the contract and recover from the County payment for all work executed and all expenses sustained.

#### 13. Insurance and Bonds

The Contractor shall purchase and maintain such insurance as will protect it from claims which may arise

out of or result from the Contractor's execution of the work, whether such execution by the Contractor, any subcontractor, or by anyone directly or indirectly employed by any of them, or by anyone for whose acts they may be This insurance requirement shall not limit the liable. liability of the Contractor. The County does not represent that these types or amounts of insurance are sufficient or adequate to protect the Contractor's interests liabilities, but are merely minimum. Except for workers' compensation and professional liability, the Contractor's insurance policy shall be endorsed to name the County as an additional insured to the extent of the County's interest arising from this Agreement. Contractor shall request its insurers to expand coverage as required herein and to provide that failure of Contractor to comply with any of the policy provisions will not void coverage for the County. Except for workers' compensation, the Contractor waives its right of recovery against the County, to the extent permitted by its insurance policies. The Contractor shall request that its insurers' policies include or be endorsed to include a severability of interest/crossliability provision so that the County will be treated as if a separate policy were in existence without increasing

the policy limits of liability. The Contractor is responsible for the amount of any deductible/self-insured retentions, which shall be disclosed to the County and may be disapproved by the County. They shall be reduced or eliminated at the option of the County.

The Contractor shall be required to provide performance bond in the up to the amount of one million and no/100 dollars (\$1,000,000.00) and payment bond in the up amount of one million and no/100 dollars to the (\$1,000,000.00). All insurance information and bonds, including the required amount as determined by the county, shall be presented to the County within seven (7) days of the date of the Notice to Proceed.

#### 14. Workers' Compensation Coverage

The Contractor shall purchase and maintain workers' compensation insurance for all workers' compensation obligations imposed by State law, and employer's liabilities limits of at least one million and no/100 dollars (\$1,000,000.00), each accident, each employee, and each disease. The Contractor shall also purchase any other coverages required by law for benefit of employees.

 $(\mathbf{r}_{i}, \mathbf{r}_{i}, \mathbf{r$ 

## 15. <u>General</u>, <u>Automobile and Excess or Umbrella</u> Liability Coverage

Minimum limits of one million and no/100 dollars (\$1,000,000.00) per occurrence for all liability must be provided, with excess or umbrella insurance making up the difference, if any, between the policy limits of underlying policies (including employer's liability required in the workers' compensation coverage section), and the amount of coverage required. As to commercial general liability, Coverage "A" shall include premises, operations, products, and completed operations, independent subcontractors, contractual liability covering this Agreement, and broad form property damage coverages. Coverage "B" shall include personal injury. The occurrence form of commercial general liability must be provided. Business vehicle liability coverage is to include bodily injury and property damage arising out of the operation, maintenance, or use of any vehicle, including owned, non-owned, hired vehicles, and employee non-ownership use. Umbrella liability insurance is preferred, but an excess liability equivalent may be allowed. Whichever type of coverage is provided, it shall not be more restricted than the underlying insurance policy coverages.

#### 16. Certificates of Insurance

Required insurance shall be documented in certificates insurance which provide that the County shall notified at least thirty (30) days in advance cancellation, non-renewal, or adverse change. New certificates of insurance are to be provided to County's Risk Manager at least fifteen (15) days prior to coverage renewals. Receipt of certificates or other documentation of insurance or policies or copies of policies by the Court or by any of its representatives, which indicate less coverage than is required, does not constitute a waiver of Contractor's obligation to fulfill the insurance requirements herein.

#### 17. Insurance of Contractor Primary

Insurance required of Contractor or any other insurance of Contractor shall be considered primary, and insurance of the County shall be considered excess, as may be applicable to claims arising out of the hold harmless, payment on behalf of the County, insurance, additional insurance, and certificates of insurance provisions of this Agreement.

#### 18. <u>Indemnification (Hold Harmless)</u>

The Contractor will indemnify and hold harmless the County and its agents and employees from and against all claims, damages, losses, and expenses, including attorney's fees, arising out of or resulting from the performance of the work, provided that any such claims, damages, loss or expense is attributable to bodily injury, sickness, disease, or death, or to injury to or destruction of tangible property, including the loss of use resulting therefrom, and is caused in whole or in part by any negligent or willful act or mission of the Contractor, any subcontractor, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable.

In any and all claims against the County, or any of its agents or employees, by any employee of the Contractor, any subcontractor, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, the indemnification obligation shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for the Contractor or subcontractor under workers' compensation

acts, disability benefit acts, or other employee benefit acts.

The Contractor agrees to pay, on behalf of the County, and to pay the costs of the County's legal defense, as may be selected by the County, for all claims described in this indemnification paragraph. Such payment on behalf of the County shall be in addition to any and all legal remedies available to the County and not be considered to be the County's exclusive remedy.

#### 19. Precautions

Attention is called to the fact that Contractor is responsible for locating utility lines and is responsible for contacting the utility company. In addition, Contactor shall identify septic and drain field areas and water meters. It is the Contractor's responsibility to protect all such utility lines, including service lines, and to replace, at Contractor's expense, any which may be damaged by the Contractor's equipment, or forces during the construction of the project.

To protect persons from injury and to avoid property damage, adequate barricades, construction signs, torches, and guards shall be placed and maintained during progress of the work and until it is safe for both pedestrians and

vehicular traffic. Contractor shall adhere to all additional requirements of the County.

#### 20. Protection of Lives and Property

In order to protect the lives and health of its employees under the contract, the Contractor shall comply with all pertinent provisions of the Occupational Safety and Health Administration and any State safety and health agency requirements.

#### 21. Subcontracting

The Contractor may utilize the services of subcontractors, where required. The Contractor agrees and shall utilize as a first priority those subcontractors who are from Nassau County and do business in Nassau County.

The Contractor shall be fully responsible to the County for acts and omissions of its subcontractors and of persons directly or indirectly employed by them, as the Contractor is for the acts and omissions of persons employed by it.

The Contractor shall cause appropriate provisions to be inserted in all subcontracts relative to the services giving the Contractor the same powers regarding terminating any subcontract that the County may exercise over the contractor under any provision of this Agreement.

Nothing contained in this Agreement shall create any contractual relationship between any subcontractor and the County. The Contractor shall supply the names and addresses of subcontractors and materials suppliers when requested to do so by the County upon activation of this Agreement and updated by the Contractor to the county on a bi-weekly basis during said activation.

The Contractor shall not use a subcontractor or material supplier against whom the County has a reasonable objection to, and shall make all reasonable attempts to subcontract with local firms currently doing business within the County. All subcontractors will operate in strict accord with all local, State and Federal laws governing this type of work.

#### 22. Audit and Access to Records

The County and the Clerk shall have access to any books, documents, papers, and records of the Contractor which are pertinent to this Agreement, for the purpose of making audits, examinations, excerpts and transcripts. The Contractor shall maintain all required records for three (3) years after final payment is made and all other pending matters are closed.

#### 23. Measurement and Payment

The Contractor will not be compensated for disposing of material not defined storm debris. The as Contractor will inspect each load to verify the contents or in accordance with the definition of storm debris. If any load is determined to contain material that does not conform to the definition of storm debris, the load will be ordered to be deposited at another landfill or receiving facility, and no payment will be allowed for that load, and the Contractor will be responsible for payment of tipping fees. For each suitable load disposed of, a record of the cubic yards will be recorded by the Contractor. Copies of each load record will be available to the Contractor and the County's designee on site.

#### 24. Contractor Invoicing

The Contractor may invoice the county not more than once every fifteen (15) days. The invoice must contain the following items:

- a. Verifiable cubic yard load tickets;
- b. Subcontractors' invoices, including the verified load receipt; and
- c. Summary sheet indicating, by day, the individual verified load receipt and invoice amounts.

The County may remove any disputed amount line items in the bill for review. Disputed items will be returned to the Contractor for additional clarification prior to payment of those tickets. Contractor will be subject to audit by Federal agencies pursuant to this Agreement.

## 25. Payment to Contractor

Payment to the Contractor will not be contingent on funding from any source. The County will apply for reimbursement for eligible costs to the Federal Emergency Management Agency (FEMA) and may be responsible for any local match requirements. Payment shall follow the parameters outlined in Section 22, Measurement and Payment, and Section 23, Contractor Invoicing.

The contractor shall submit payment requests to the Clerk with a copy to the County representative filled out and signed by the Contractor covering the work performed during the period covered by the payment request and supported by such data as the County representative and the Clerk may reasonably require. The County representative will, within seven (7) working days, either indicate in writing approval of payment or return the payment request to the Contractor indicating in writing the reasons for refusing to approve payment with a copy provided to the

Clerk. In the latter case, the Contractor may make the necessary corrections and re-submit the payment request to the Clerk. The Clerk will, within five (5) days after presentation of an approved payment request, pay the Contractor a payment on the basis of the approved payment request less the retainage. The retainage shall be an amount equal to two percent (2%) of said request. The County may, at its sole discretion, eliminate the retainage at any time. The Contractor shall submit payment requests every fifteen (15) days after the first payment request.

Upon completion and acceptance of the work, the entire balance found to be due the Contractor, including the retained percentages, but except such sums as may be lawfully retained by the County, shall be paid to the contractor within forty-five (45) days of completion and acceptance of the work.

The Contractor will indemnify and save the County and the County's agents harmless from any claims growing out of the lawful demand of subcontractors, laborers, workmen, mechanics, materialmen, and furnishers of machinery and parts thereof, equipment, tools, and all supplies, incurred in the furtherance of the performance of the work. The contractor shall, at the County's request, furnish

satisfactory evidence that all obligations of a nature designated above have been paid, discharged, or waived. the Contractor fails to do so, the County may, after having the Contractor, either pay unpaid notified withhold the Contractor's unpaid compensation, a sum of money deemed reasonably sufficient to pay any and all such lawful claims until satisfactory evidence is furnished that liabilities have been fully discharged, whereupon payment to the Contractor shall be resumed in accordance with the terms of this agreement, but in no event shall the provisions of this sentence be construed to impose any obligations upon the County to either the Contractor or any third party. In paying any unpaid bills of the Contractor, any payments so made by the county shall be considered as payment made under this Agreement by the County to the Contractor, and the County shall not be liable to the contractor for any such payments made in good faith.

If the County fails to make payment forty-five (45) days after approval, in addition to other remedies available to the Contractor, there shall be added to each such payment interest at the maximum legal rate, commencing on the first day after said payment is due, and continuing until the payment is received by the Contractor.

#### 26. Acceptance of Final Payment as Release

The acceptance by the Contractor of final payment shall be and shall operate as a release to the County of all claims and all liabilities to the Contractor, other than claims in stated amounts as may be specifically excepted by the Contractor, for all things done or furnished in connection with this work. Any payment, however, final or otherwise, shall not release the Contractor or its sureties from any obligations under this Agreement or the performance and payment bonds.

#### 27. **DISPUTES**

Any dispute arising under this Contract shall be addressed by the representatives of the County and the Contractor as set forth herein. Disputes shall be set forth in writing to the County Coordinator with a copy to the Project Manager and provided by overnight mail, UPS, FedEx, or certified mail, with a response provided in the same manner prior to any meetings of representatives. The initial meeting shall be with the County Coordinator and the Project Manager or their designee and a representative of the Contractor. If the dispute is not settled at that level, the County Attorney shall be notified in writing by the Project Manager or his/her designee, and the County

Attorney and the County Coordinator and the Project Manager or their designee(s) shall meet with the Contractor's representative(s). Said meeting shall occur within sixty (60) days of the notification by the County Coordinator. there is no satisfactory resolution, the disputes, or other matters in question between the parties to this Agreement arising out of or relating to this Agreement or breach thereof, if not disposed of agreement as set forth herein, shall be submitted to the mediation in accordance with mediation rules established by the Florida Supreme Court. Mediators shall be chosen by the County and the cost of mediation shall be borne by the Contractor. If either party initiates a Court proceeding, and the Court orders, or the parties agree to, mediation, the cost of mediation shall be borne by the Contractor. Contractor shall not stop work during the pendency of mediation or dispute resolution. No litigation shall be initiated unless and until the procedures set forth herein are followed.

#### 28. Entire Agreement

This Agreement and Attachments referred to herein contain the entire Agreement of the parties, and there are

no other binding promises or conditions in any other Agreement whether oral or written.

#### 29. Jurisdiction/Venue

This Agreement shall be governed by the laws of the State of Florida. Venue of this Agreement shall be in Nassau County, Florida.

#### 30. Term of Agreement

The term of this Agreement shall be effective from October 1, 2007, to September 30, 2008.

#### 31. Renewal of Agreement

This Agreement may be renewable on an annual basis after the written concurrence of both parties. Attachment "2" and Attachment "3" of this Agreement may be reviewed on an annual basis. Amended unit costs may be submitted by the Contractor to the County to reflect the current FEMA determination of reasonable costs for disaster recovery services listed in Attachments "1" and priced in Attachment "2" and "3" of this Agreement. Such amendments shall become part of this Agreement after a concurrence and signature of both parties.

#### 32. Termination

Either party may terminate this Agreement upon thirty (30) days' written notice to the other party.

### AGREEMENT FOR DISASTER RECOVERY SERVICES

#### ATTACHMENT 2 - Schedule of Rates for Services

The following is a listing of services and/or tasks to be provided by the Contractor to the County upon receipt of a Notice to Proceed. Costs denoted by dollar amounts represent a unit cost for materials or an hourly rate for personnel and equipment services. Costs denoted by unit prices denote the cost per cubic yard to provide the appropriate services of debris removal.

#### Contractor Invoicing and Payment to Contractor

The procedure for Contractor invoicing is described in Section 24 of the contract. The procedure for Measurement and Payment of loads is described in Section 23 of the contract.

#### Costs for Scope of Services

• • • • • • •

The costs for disaster recovery services shall be reasonable costs, as determined by FEMA guidelines. The cost table included in Attachment "2" will be updated annually, upon renewal of the Agreement, as outlined in Section 31 of the Agreement.

#### Cost of Out-of-County Disposal for White Goods

If the Contractor is required to dispose of white goods outside of the County, the cost will be negotiated at

the time of the event to provide the County with the best price for operations.

#### Cost of Removal for Hazardous Stumps

The removal and hauling of hazardous stumps is a unique process requiring specialized equipment. As such, this process requires unique documentation and costing. The County and the Contractor will measure each stump three (3) feet above normal ground level to determine the diameter of the trunk. Once the diameter is established, the stump will be physically removed by the best means available. The stump will be photo documented by the county and recorded on a specific stump log provided by the Contractor.

The Contractor shall invoice the County for hazardous stump and root removal and hauling to the TDSRS according to the agreed upon rates in Attachment "2".

#### Cost for Fill Dirt

The Contractor shall invoice the County for the market price for acquiring clean, non-sterile backfill material to level holes that pose immediate threats to the life, health and safety of the community. The fill will be quantified by the cubic yard.

Placement of the backfill material will be invoiced utilizing the hourly rates listed in Attachments "2" and "3" of this Agreement.

#### Cost for Sand Screening

The agreed cost includes pick-up of debris laden sand, hauling and processing screen located on the beach, processing the sand through the screen and returning clean sand to the beach as directed by the County. Debris removed from sand will be picked up, hauled, and processed utilizing the costs located above the debris removal from public property (rights-of-way).

#### Cost for Disposal of Demolition Material

The cost for disposal of material generated from demolition operations will be negotiated at the time of the Event based on distance of haul and tipping fees to provide the County with reasonable cost. The cost will be negotiated by the ton.

#### Cost for Site Remediation

TDSRS site(s) reclamation costs will be negotiated at the time of the Event.

Measurement and Payment for Emergency Road Clearance,

Demolition of Structures, Debris Removal from Private

Property and Special Considerations on Public Property.

Measurement of these services utilizing other than an hourly rate is difficult at best and would potentially lend itself to unnecessary disputes. Therefore, the County and Contractor agree that the Contractor shall invoice the County utilizing the hourly rates for services listed in Attachment "2" to this Agreement. A not-to-exceed amount shall be placed upon any specific work performed at an hourly rate.

The County and the Contractor shall have inspectors in the field with each work crew to monitor, record, and sign time sheets for actual times worked for each piece of equipment and crew member present at a particular work site. These signed records shall be the basis for the Contractor's invoice(s) to the County.

#### Cost Table for Scope of Services

The itemized costs listed in the table below shall be the agreed upon not-to-exceed costs for services defined in Attachment "1". The Contractor could negotiate a cost less than those listed in the table below, at the time a Notice to Proceed is issued. Requests to amend the Cost Table may be submitted under the conditions outlined in Section 31 of the Agreement. Costs for additional services not outlined

in this table shall be negotiated at the time a Notice to Proceed is issued.

\*Disposal costs (tipping Fees) shall be invoiced to the County by the Contractor based upon the actual tipping fee of the designated solid waste disposal site, regardless of final disposal location, at the time of disposal. This reference of cost does not preclude the Contractor from utilizing alternate disposal sites as agreed to by the parties (See Attachment "1").

#### AGREEMENT FOR DISASTER RECOVERY SERVICES

## ATTACHMENT 3 - Schedule of Equipment Rates - Applicant-Owned Equipment

The attached Schedule of Equipment Rates is based on 44 CFR § 206.228 Allowable Costs, and applies to applicant-owned equipment in good mechanical condition, complete with all required attachments.

THESE RATES ARE APPLICABLE TO MAJOR DISASTERS AND EMERGENCIES DECLARED BY THE PRESIDENT AFTER THE DATE OF PUBLICATION OF THIS SCHEDULE (last publication date 8/28/05), AND MAY BE SUBJECT TO CHANGE DEPENDING ON CURRENT ALLOWABLE COSTS, AS DEFINED BY FEMA.

[ATTACHMENT - FEMA EQUIPMENT RATE SCHEDULE, LATEST VERSION]

 $\frac{1}{r} = \frac{r}{r} = \frac{1}{r} \cdot \frac{1}{r} \cdot \frac{1}{r}$ 

# DEPARTMENT OF HOMELAND SECURITY EMERGENCY PREPAREDNESS AND RESPONSE DIRECTORATE RECOVERY DIVISION PUBLIC ASSISTANCE BRANCH

WASHINGTON, D.C. 20472

The rates on this Schedule of Equipment Rates are for applicant-owned equipment in good mechanical condition, complete with all required attachments. Each rate covers all costs eligible under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. § 5121, et seq., for ownership and operation of equipment, including depreciation, overhead, all maintenance, field repairs, fuel, lubricants, tires, OSHA equipment and other costs incident to operation. Standby equipment costs are not eligible.

Equipment must be in actual operation performing eligible work in order for reimbursement to be eligible. LABOR COSTS OF OPERATOR ARE NOT INCLUDED in the rates and should be approved separately from equipment costs.

Information regarding the use of the Schedule is contained in 44 CFR § 206.228 *Allowable Costs*. Rates for equipment not listed will be furnished by FEMA upon request. Any appeals shall be in accordance with 44 CFR § 206.206 *Appeals*.

THESE RATES ARE APPLICABLE TO MAJOR DISASTERS AND EMERGENCIES DECLARED BY THE PRESIDENT ON OR AFTER AUGUST 28, 2005.
