Section 2: Problem Overview

General Project Information

Project Title: NASSAU COUNTY DRUG ERADICATION & ENFORCEMENT
Subgrant Recipient: Nassau County Board of County Commissioners
Implementing Agency: Nassau County Sheriff's Office
Project Start Date: 10/1/2009 **End Date:** 9/30/2010

Problem Identification

The Nassau County Drug Eradication and Enforcement Unit referred to as DEEU continues to observe an increase in criminal and narcotic activity. This activity includes the manufacture and cultivation, sale and use, importing, transporting and exporting of illicit narcotics through and into Nassau County.

Nassau County is surrounded by deep water on the north and West borders, the Atlantic Ocean on the eastern border and Duval County on the southern border. Interstate 95 and U.S. Highway 1 extend north and south through the entire County. Our County serves as a picturesque retreat for tourist and transient populations interested in North Florida, areas within the Jacksonville Metropolitan Statistical Area (MSA), South Georgia, and the Kings Bay Naval Submarine Station.

Illegal drug activity adversely affects every community within Nassau County. Nassau County has approximately 70,000 permanent residents and the east side of Nassau County with its historic and coastal attributes serves as safe haven to approximately 500,000 tourists and transients each year. The drug industry thrives on both the permanent and temporary residents of the County. The west side of Nassau County is rural and experiences labs which manufacture methamphetamine and the cultivation of marijuana. Certainly the portability and ease in the manufacturing of methamphetamine has added to the progression of these illicit drugs into the east side of Nassau County.

According to current crime statistics, in 2008 there was a 33.3% increase from 2007 in robbery involving person-to-person encounters. For 2008 burglary increased by 18.4 % and larceny (theft) from general public access buildings like churches, restaurants, museums increased by 400%. Notably for 2008 simple assault from Domestic Violence increased by 1,714.3%. Additional crime statistics collected by the Nassau County Sheriff's Office show that for the first quarter of fiscal year 2008-2009 October 1, 2008 to December 31, 2008, there was 1 rape, 121 burglaries, 8 robberies, 41 aggravated assaults, and six arsons. From January 1, 2009 to August 12, 2009 the statistics show 2 murders, 1 rape, 213 burglaries, 5 robberies, 127 aggravated assaults, and 3 arsons. The number of death investigations from October 1, 2008 to December 31, 2008 was 11 death investigations. The number of death investigations from January 1, 2009 to August 12, 2009 was 28 death investigations. The problem of illegal drug activity affects the entire population of Nassau County, whether it is through criminal activity such as burglary, robbery or theft, child abuse and/or neglect (ie. crimes against persons and crimes against property) and these crime statistics are directly related to narcotics abuse which continues to rise.

Project Summary

The Nassau County Drug Eradication and Enforcement Unit (DEEU) is a unit which includes a Criminal Patrol Unit, Narcotics Unit, Marijuana Eradication Unit, a Marine Unit,

Application for Funding Assistance

Florida Department of Law Enforcement Justice Assistance Grant - County-wide

a Drug Abuse Resistance Education (DARE) Unit, a K-9 Unit and a new Crime Scene Unit which work together to combat illegal criminal and narcotic activity.

The Criminal Patrol Unit is continually involved with the interception of illicit narcotics and money laundering, terrorist activity, weapon and explosive related criminal activity, transportation and the use of weapons of mass destruction in correlation with interstate/intrastate travel along I-95, U.S. Highway 1 and U.S. Highway 17.

The Narcotics Unit serves drug-related search warrants and gathers intelligence and documentation related to domestic and international terrorist, terrorist activity, and the financing and/or furtherance of terrorism. DEEU is continually involved in conducting undercover operations. The purchase of specialized surveillance and recording equipment helps to further undercover investigations as well as support court testimony and prosecution efforts.

The Marijuana Eradication Unit actively pursues marijuana cultivation cases by utilizing aerial flights in a dual role to eradicate outdoor growers of marijuana as well as for reconnaissance for domestic security for ports, channels and bridges in and along Nassau County. Searching vessels, cargo holds and compartments are also conducted to prevent the transport of illicit narcotics and other contraband.

The Marine Unit is involved in patrolling various stations along the Waterways of Nassau County including the Florida entry point bridges along the I-95 corridor and U.S. Highway 17 spanning waterways covering Florida and Georgia. Additionally, the Marine Unit patrols along two (2) CSX railroad rail bridges which connect the Eastern Seaboard coastlines East to West along the St. Marys River (Florida/Georgia). The Marine Unit is also active in fulfillment of their role on the Regional Domestic Security Task Force in maintaining security of the Nassau Terminals. Notably the Port of Fernandina, a local port, which is one of the 14 deep water ports in Florida, is one of the primary patrol zones for the Marine Unit. The Port of Fernandina is a high activity port for recreational traffic and subsequently for illegal activity. The presence of the Marine Unit at this port and along other waters in the region is vital. The Marine Unit also provides additional security on the homeland for the naval nuclear submarines at the Kings Bay Naval Submarine Base.

DEEU members have access to and ongoing interaction on as as needed basis with other law enforcement agencies such as the Drug Enforcement Administration, the Florida Department of Law Enforcement, the Florida Fish and Wildlife Conservation Commission, and the Florida Air National Guard. This partnership increases the effectiveness of DEEU in the interception of illicit narcotics, weapons, and other items that enhance the abilities of suppliers of narcotics to dealers or terrorists and their subsequent apprehension. Constant modernization of recording and surveillance equipment is imperative due to the ever changing trends in the sale and delivery of narcotics.

Grantee further agrees, as a condition of grant approval, to submit a Privacy Certificate that is in accord with requirements of 28 C.F.R. Part 22 and, in particular, section 22.23.

54. State Information Technology Point of Contact

The subgrant recipient agrees to ensure that the State Information Technology Point of Contact receives written notification regarding any information technology project funded by this grant during the obligation and expenditures period. This is to facilitate communication among local and state governmental entities regarding various information technology projects being conducted with these grant funds. In addition, the recipient agrees to maintain an administrative file documenting the meeting of this requirement. For a list of State Information Technology Points of Contact, go to <http://www.it.ojp.gov/default.aspx?area=policyAndPractice&page=1046>.

55. Interstate Connectivity

To avoid duplicating existing networks or IT systems in any initiatives funded by the Bureau of Justice Assistance for law enforcement information sharing systems which involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless the subgrant recipient can demonstrate to the satisfaction of the Bureau of Justice Assistance that this requirement would not be cost effective or would impair the functionality of an existing or proposed IT system.

56. Supplanting

The subgrant recipient agrees that funds received under this award will not be used to supplant State or local funds, but will be used to increase the amounts of such funds that would, in the absence of Federal funds, be made available for law enforcement activities.

57. Conflict of Interest

The subgrant recipient and implementing agency will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.

58. Uniform Relocation Assistance and Real Property Acquisitions Act

The subgrant recipient will comply with the requirements of the Uniform Relocation Assistance and Real Property Acquisitions Act of 1970 (42 U.S.C. § 4601 et seq.), which govern the treatment of persons displaced as a result of federal and federally-assisted programs.

59. Limitations on Government Employees Financed by Federal Assistance

The subgrant recipient will comply with requirements of 5 U.S.C. §§ 1501-08 and §§ 7324-28, which limit certain political activities of State or local government employees whose principal employment is in connection with an activity financed in whole or in part by federal assistance.

60. Equal Treatment for Faith Based Organizations

The grantee agrees to comply with the applicable requirements of 28 C.F.R. Part 38, the Department of Justice regulation governing "Equal Treatment for Faith Based Organizations" (the

"Equal Treatment Regulation"). The Equal Treatment Regulation provides in part that Department of Justice grant awards of direct funding may not be used to fund any inherently religious activities, such as worship, religious instruction, or proselytization. Recipients of direct grants may still engage in inherently religious activities, but such activities must be separate in time or place from the Department of Justice funded program, and participation in such activities by individuals receiving services from the grantee or a sub-grantee must be voluntary. The Equal Treatment Regulation also makes clear that organizations participating in programs directly funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. Notwithstanding any other special condition of this award, faith based organizations may, in some circumstances, consider religion as a basis for employment. See http://www.ojp.gov/about/ocr/equal_fbo.htm.

61. Certification for Employees Working Solely on a Single Federal Award

Any project staff that are fully funded by the grant must certify that they worked solely on the grant. The certification must be prepared at least semi annually and must be signed by the employee and by a supervisory official having first hand knowledge of the work performed by the employee.

Importance: High

Good Morning Lucinda,

The chairman of the Board is the representative signature for the Nassau County Board of County Commissioners. Since he (the Chairman) was absent at the August 19, 2009 meeting the Vice-Chairman presided at the meeting. Because the Vice-Chairman presided over the meeting and conducted the business of the Board, he - the Vice Chairman - was authorized by the Board to sign the document(s). The motion was different from the agenda item because the Chairman of the Board was absent for the August 19th meeting and the Vice-Chairman ran the meeting.

Let me know if you need anything else.

Hey Eron,

Tab I and J show that the Chairman can sign the grant application, but the first page you sent says Vice-Chairman. What is the difference in the two documents?
