THIS INTERLOCAL CONTRACT ("Contract"), made and entered into pursuant to the Texas Interlocal Cooperation Act, Chapter 791, Texas Government Code (the "Act"), by and between the Houston-Galveston Area Council, hereinafter referred to as "H-GAC," having its principal place of business at 3555 Timmons Lane, Suite 120, Houston, Texas 77027, and \*BOARD OF COUNTY COMMISSIONERS OF NASSAU COUNTY, FLORIDA, a political subdivision of the State of Florida, a local government, a state agency, or a non-profit corporation created and operated to provide one or more governmental functions and services, hereinafter referred to as "End User," having its principal place of business at \*96135 Nassau Place, Suite 1, Yulee, Florida 32097

**WITNESSETH**

**WHEREAS**, H-GAC is a regional planning commission and political subdivision of the State of Texas operating under Chapter 391, Texas Local Government Code; and

**WHEREAS**, pursuant to the Act, H-GAC is authorized to contract with eligible entities to perform governmental functions and services, including the purchase of goods and services; and

**WHEREAS**, in reliance on such authority, H-GAC has instituted a cooperative purchasing program under which it contracts with eligible entities under the Act; and

**WHEREAS**, End User has represented that it is an eligible entity under the Act, that its governing body has authorized this Contract on \*November 7, 2016 (Date), and that it desires to contract with H-GAC on the terms set forth below;

**NOW, THEREFORE**, H-GAC and the End User do hereby agree as follows:

**ARTICLE 1: LEGAL AUTHORITY**

The End User represents and warrants to H-GAC that (1) it is eligible to contract with H-GAC under the Act because it is one of the following: a local government, as defined in the Act (a county, a municipality, a special district, or other political subdivision of the State of Texas or any other state), or a combination of two or more of those entities, a state agency (an agency of the State of Texas as defined in Section 771.002 of the Texas Government Code, or a similar agency of another state), or a non-profit corporation created and operated to provide one or more governmental functions and services, and (2) it possesses adequate legal authority to enter into this Contract.

**ARTICLE 2: APPLICABLE LAWS**

H-GAC and the End User agree to conduct all activities under this Contract in accordance with all applicable rules, regulations, and ordinances and laws in effect or promulgated during the term of this Contract.

**ARTICLE 3: WHOLE AGREEMENT**

This Contract and any attachments, as provided herein, constitute the complete contract between the parties hereto, and supersede any and all oral and written agreements between the parties relating to matters herein.

**ARTICLE 4: PERFORMANCE PERIOD**

The period of this Contract shall be for the balance of the fiscal year of the End User, which began \*10/1/2016 and ends \*9/30/2017. This Contract shall thereafter automatically be renewed annually for each succeeding fiscal year, provided that such renewal shall not have the effect of extending the period in which the End User may make any payment due an H-GAC contractor beyond the fiscal year in which such obligation was incurred under this Contract.

**ARTICLE 5: SCOPE OF SERVICES**

The End User appoints H-GAC its true and lawful purchasing agent for the purchase of certain products and services through the H-GAC Cooperative Purchasing Program. End User will access the Program through HGACBuy.com and by submission of any duly executed purchase order, in the form prescribed by H-GAC to a contractor having a valid contract with H-GAC. All purchases hereunder shall be in accordance with specifications and contract terms and pricing established by H-GAC. Ownership (title) to products purchased through H-GAC shall transfer directly from the contractor to the End User.

(over)

**ARTICLE 6: PAYMENTS**

H-GAC will confirm each order and issue notice to contractor to proceed. Upon delivery of goods or services purchased, and presentation of a properly documented invoice, the End User shall promptly, and in any case within thirty (30) days, pay H-GAC's contractor the full amount of the invoice. All payments for goods or services will be made from current revenues available to the paying party. In no event shall H-GAC have any financial liability to the End User for any goods or services End User procures from an H-GAC contractor.

**ARTICLE 7: CHANGES AND AMENDMENTS**

This Contract may be amended only by a written amendment executed by both parties, except that any alterations, additions, or deletions to the terms of this Contract which are required by changes in Federal and State law or regulations are automatically incorporated into this Contract without written amendment hereto and shall become effective on the date designated by such law or regulation.

H-GAC reserves the right to make changes in the scope of products and services offered through the H-GAC Cooperative Purchasing Program to be performed hereunder.

**ARTICLE 8: TERMINATION PROCEDURES**

H-GAC or the End User may cancel this Contract at any time upon thirty (30) days written notice by certified mail to the other party to this Contract. The obligations of the End User, including its obligation to pay H-GAC's contractor for all costs incurred under this Contract prior to such notice shall survive such cancellation, as well as any other obligation incurred under this Contract, until performed or discharged by the End User.

**ARTICLE 9: SEVERABILITY**

All parties agree that should any provision of this Contract be determined to be invalid or unenforceable, such determination shall not affect any other term of this Contract, which shall continue in full force and effect.

**ARTICLE 10: FORCE MAJEURE**

To the extent that either party to this Contract shall be wholly or partially prevented from the performance within the term specified of any obligation or duty placed on such party by reason of or through strikes, stoppage of labor, riot, fire, flood, acts of war, insurrection, accident, order of any court, act of God, or specific cause reasonably beyond the party's control and not attributable to its neglect or nonfeasance, in such event, the time for the performance of such obligation or duty shall be suspended until such disability to perform is removed; provided, however, force majeure shall not excuse an obligation solely to pay funds. Determination of force majeure shall rest solely with H-GAC.

(Special requirements apply: See Program Info/Executing an Interlocal Contract with HGACBuy)

#### The Texas Interlocal Cooperation Act

Most States in the United States have either Interlocal Cooperation or Joint Powers authority to allow local governments in those states to join and participate in programs like HGACBuy.

In 1971, the Texas Legislature passed the Interlocal Cooperation Act [Texas Government Code, Title 7, Chapter 791] to promote activities among local governments across Texas. Any local government or non-profit providing government services may contract or agree with one or more local governments under the terms of this Act to conduct purchasing and other administrative functions. The following excerpt from the Act states that... "The Interlocal Cooperation Act's purpose is to improve the efficiency and effectiveness of local governments by authorizing the fullest possible range of inter-governmental contracting authority at the local level including contracts between all political subdivisions of the state and agencies of the state.

#### Legal Authority

Governmental entities join HGACBuy by execution of an Interlocal Contract (ILC) which can be found on the HGACBuy website under Program Info.

By executing the ILC, the End User represents and warrants to H-GAC that (1) it is eligible to contract with H-GAC under the Act because it is one of the following: a qualifying non-profit corporation, county, municipality, special district, or other political subdivision of the State of Texas, or another state, and (2) it possesses adequate legal authority to enter into this Contract.

#### Scope of H-GAC's Professional Services

When participating in HGACBuy, members make their purchase orders out to, and directly pay, the HGACBuy contractor. However, H-GAC does act as the designated purchasing agent on behalf of participating End Users by performing specific services including, but not limited to:

- Conducting research and surveys
- Developing specifications for each product/service
- Soliciting vendor participation
- Issuing specifications documents
- Conducting pre-bid/pre-proposal conferences
- Opening bid/proposal responses
- Evaluating responses
- Issuing Vendor Contracts awarded by the H-GAC Board of Directors
- Certifying contract validity
- Contracts Administration

#### Interlocal Contract Renewals

Provisions of the Interlocal Cooperation Act provide for annual renewal of Interlocal Contracts. The contract document issued by HGACBuy contains a provision for automatic annual renewal. Unless an updated contract document is requested, or statutory change occurs, the initial enactment could remain in effect in perpetuity. A permanent identification number is assigned to each End User contract.

#### Purchasing Statutes Applied to H-GAC Competitive Bid Process

Products offered through HGACBuy have been subjected to either the competitive bid or competitive proposal format based on Texas statutes for Councils of Governments under the Local Government Code Chapter 252. The 76th Legislature, Regular Session, added language that stipulates Councils of Governments shall specifically use "municipal bidding statutes". As administrator, H-GAC's rules of governance apply. In evaluating bid and proposal responses, HGACBuy takes into account any prospective contractor's ability to meet performance requirements. Factors considered include number and location of sales/service facilities, depth of staff, qualifications of technical support personnel, and business continuity. Contractors are expected to service all End Users participating in the Program wherever possible, practical, and not contrary to franchise or dealership agreements.

#### **H-GAC Board of Directors Awards All Contracts**

The Board of Directors composed of 35 elected officials awards all H-GAC cooperative purchasing contracts. As a political subdivision of the State of Texas, Board agenda are publicly posted in advance of public meetings. Board meetings are customarily held on the third Tuesday of each month in H-GAC Conference Room A, Second floor, 3555 Timmons Lane, Houston. The Houston-Galveston Area Council is one of Texas' 24 regional councils of governments.

#### **Steps To Placing Purchase Orders Through HGACBuy**

##### ***Step 1: (first time only)***

Execute the "Interlocal Contract" (ILC) found on the HGACBuy website under Program Info, and return to H-GAC. H-GAC will sign two copies and return one to the End User for their records. The ILC may be faxed to 713-993-4548 for expedited processing.

##### ***Step 2:***

Obtain specific product details from the HGACBuy website, [www.HGACBuy.org](http://www.HGACBuy.org). Then, contact the contractor's nearest representative for additional assistance and a definitive price quotation. Contractor information can be found at the bottom of each contracts web page under Products Available.

##### ***Step 3:***

Prepare and submit your purchase order directly to the relevant HGACBuy contractor, after completing consultation with the contractor's representative. A copy of the order along with a copy of the contractor's written quotation shall be faxed or mailed to HGACBuy at FAX: 713-993-4548. Orders should include specific details regarding the purchase (i.e., name of the End User's contact person, shipping/delivery instructions, and installation details, if any). HGACBuy contractors will then invoice End User for all purchases, and End User will pay the contractor directly following delivery and acceptance.

#### **NOTE: Performance Bond**

HGACBuy's contractual requirements no longer include a Performance Bond, and bid pricing should reflect this cost saving. However, Contractor must be prepared to offer a Performance Bond to cover any specific order, if so requested by End User. Contractor shall quote a price to End User for provision of any requested Performance Bond. If Performance Bond is requested by End User for a particular order, Contractor agrees to furnish the Performance Bond within ten (10) days of receipt of End User's purchase order.

#### **HGACBuy Order Confirmation**

When the copy of a purchase order and contractor's written quotation are received by HGACBuy (see Step 3 above), an Order Confirmation is prepared and sent to the Member and the Contractor - authorizing the Contractor to proceed with the order.

#### **Remitting End User Payments For Products and Services Rendered**

The prompt payment requirements for products and services rendered through cooperative purchasing states that "...upon delivery of the goods and services purchased, and presentation by HGACBuy contractor of a properly documented invoice, the End User shall promptly, and in any case within thirty (30) days, pay the HGACBuy contractor the full amount of the invoice.

All contracts between HGACBuy and its contractors require prompt payment upon delivery of products/services to an End User.

#### **Ownership Passes Directly From Contractors to End Users**

HGACBuy does not at any time take title to any product. Contractors assign ownership directly to End Users.

## Reimbursement of HGACBuy's Operational Costs

The HGACBuy program is solely funded through the assessment of an administrative fee paid by the contractor on each order.

## End Users Invited to Attend Pre-Bid Conferences

HGACBuy schedules publicly announced pre-bid/pre-proposal specification conferences with manufacturers, distributors, representatives, and dealers for the various product categories offered. These conferences, held throughout each year, are widely attended by the various industry groups represented in the Program. End Users are invited to attend these conferences also. See a listing of scheduled pre-bid conferences on the HGACBuy website under Bid Notices.

## 3-Way Partnership At Work

The three-way partnership between HGACBuy, Program End Users, and Contractors is a very important relationship that provides vital links to ensure effective cooperative results. Clear, concise communication is essential to making the partnership effective and successful. The contact path includes all three parties: HGACBuy, End User, and Contractor.

**H-GAC's Role:** HGACBuy's role is to conduct product research and surveys, write technical specifications, conduct pre-bid conferences, open bids, and evaluate responses. After contracts are awarded by the H-GAC Board, HGACBuy certifies contract validity, and administers contracts.

**The End User's Role:** End Users are expected to consult with Contractors' representatives for the purpose of determining the exact requirements needed to serve constituents. End Users work with Contractor's representatives to detail and complete all documentation required when submitting purchase orders.

**The Contractor's Role:** HGACBuy relies upon its Contractors to quickly respond to End User inquiries that provide detailed product information and pricing, including priced options for specific products. Contractors' representatives work closely with each End User to meet specific constituent needs.

## H-GAC's Bid Notices

The Program's Coordinator for Specifications & Bids directs the bid/proposal cycle for products and services that HGACBuy desires to place under contract on behalf of Members. The near term schedule of procurements is posted on the HGACBuy website under Bid Notices.

## Distribution of H-GAC Product Specifications

Product/service specifications and Invitations To Submit Competitive Bids/Proposals are distributed by email to all prospective responders that HGACBuy is aware of. The documents are also posted on the HGACBuy website, and the legally required notices are posted in newspapers, including minority-emphasis publications.

## End User Benefits

HGACBuy offers significant benefits to participating End Users whether large, medium, or small size.

- Expedited procurement
- Volume purchasing discounts
- On-duty professional staff assistance
