Re: Comcast Business Service-Internet Access

Charlotte,
Each year the Nassau County Public Library applies for E-Rate grant funding. The application includes a request for quotes each for voice and data line service. The request for quotes is posted on the Universal Service Fund website for providers to view for thirty days. We have the choice each year to either accept a quote, or to stay with our current services.

This year we received three quotes for voice and data service. Comcast has offered a quote for far more bandwidth than our existing service. They are offering a download speed of 50 mgs and an upload speed of 10 mgs. The offer also includes waiving almost the entire installation fee. I checked with Guy Riner, and he confirmed that Comcast is the only provider in our area that is able to offer this bandwidth to the libraries and that the pricing was good. Comcast would waive the \$15,000 connection fee if we agreed to the pricing for three years. Comcast is only offering service to FB, CAL and HLD at this time.

The greater bandwidth is really needed for library patrons. The internet is very slow for patrons, especially in the late afternoons when students are out of school and using the internet. It takes a very long time to upload documents, such as: financial aid forms, job applications, legal forms, etc. We currently only have a download speed of 6 mgs and an upload speed of less than one mg.

AGREEMENT

1. This Comcast Business Service Order Agreement sets forth the terms and conditions under which Comcast Cable Communications Management, LLC and its operating affiliates ("Comcast") will provide the Services to Customer. This Comcast Business Service Order Agreement consists of this document ("SOA"), the standard Comcast Business Terms and Conditions ("Terms and Conditions"), and any jointly executed amendments ("Amendments"), collectively referred to as the "Agreement". In the event of inconsistency among these documents, precedence will be as follows: (1) Amendments, (2) Terms and Conditions, and (3) this SOA. This Agreement shall commence and become a legally binding agreement upon Customer's execution of the SOA. The Agreement shall terminate as set forth in the Terms and Conditions (<http://business.comcast.com/terms-conditions/index.aspx>). All capitalized terms not defined in this SOA shall reflect the definitions given to them in the Terms and Conditions. Use of the Services is also subject to the then current High-Speed Internet for Business Acceptable Use Policy located at <http://business.comcast.com/terms-conditions/index.aspx> (or any successor URL), and the then current High-Speed Internet for Business Privacy Policy located at <http://business.comcast.com/terms-conditions/index.aspx> (or any successor URL), both of which Comcast may update from time to time.

2. Each Comcast Business Service ("Service") carries a 30 day money back guarantee. If within the first thirty days following Service activation Customer is not completely satisfied, Customer may cancel Service and Comcast will issue a refund for Service charges actually paid by Customer, custom installation, voice usage charges, and optional service fees excluded. In order to be eligible for the refund, Customer must cancel Service within thirty days of activation and return any Comcast-provided equipment in good working order. In no event shall the refund exceed \$500.00.

If you use the service in the first 30 days, you will be refunded your subscription fees, but charged the applicable one-time fee.

3. IF CUSTOMER IS SUBSCRIBING TO COMCAST'S BUSINESS VOICE SERVICE, I ACKNOWLEDGE RECEIPT AND UNDERSTANDING OF THE E911 NOTICE:

E911 NOTICE

Comcast Business Voice service ("Voice") may have the E911 limitations specified below:

- In order for 911 calls to be properly directed to emergency services using Voice, Comcast must have the correct service address for the Voice Customer. If Voice is moved to a different location without Comcast's approval, 911 calls may be directed to the wrong emergency authority, may transmit the wrong address, and/or Voice (including 911) may fail altogether.
- Voice uses electrical power in the Customer's premises. If there is an electrical power outage, 911 calling may be interrupted if the battery back-up in the associated multimedia terminal adapter is not installed, fails, or is exhausted after several hours.
- Voice calls, including calls to 911, may not be completed if there is a problem with network facilities, including network congestion, network/equipment/power failure, or another technical problem.
- Comcast will need several business days to update a Customer service address in the E911 system. All change requests and questions should be directed to 1-800-391-3000. USE OF VOICE AFTER DELIVERY OF THIS DOCUMENT CONSTITUTES CUSTOMER ACKNOWLEDGEMENT OF THE E911 NOTICE ABOVE.

4. To complete a Voice order, Customer must execute a Comcast Letter or Authorization ("LOA") and submit it to Comcast, or Comcast's third party order entry integrator, as directed by Comcast.

5. New telephone numbers are subject to change prior to the install. Customers should not print their new number on stationery or cards until after the install is complete.

6. Modifications: All modifications to the Agreement, if any, must be captured in a written Amendment, executed by an authorized Comcast Senior Vice President and the Customer. All other attempts to modify the Agreement shall be void and non-binding on Comcast. Customer by signing below, agrees and accepts the Terms and Conditions of this Agreement.

Hello Anthony,
We are working on completing the agreement with Comcast for business service.

Page 71 20

The electronic agreement you sent does not state 3 years, it just says minimum of 2 years. Please see page one top right term 36 months. Is there an automatic renewal? Yes, after the term the services are billed at rack rate (regular price/no discounts) unless you call in prior to the expiration date to renew. Renewal is not addressed in the agreement.

Also, will your company send over an original signed agreement first? Here are the signed agreement you signed via DocuSign.

Our contract dept says the official start date of the agreement will be the executed date. The install date official start date.

Thanks, Dawn
