1. **Parties.** The Parties to this Agreement are the Federal Emergency Management Agency (FEMA), Department of Homeland Security, and the Board of County Commissioners (Licensor.)
2. **Authority.** This Agreement is authorized under the provisions of the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. §§ 5121-5207, et seq.
3. **Purpose.** FEMA desires to use, and the Licensor agrees to license and permit FEMA to use the following described property (hereinafter referred to as the "Premises") at no cost to FEMA:

Previous Nassau Sheriff's Office, 76001 Bobby Moore Circle, Area in the parking lot and 1 mobile facility with air conditioning and bathroom. Include any areas excepted from use or for shared use.

4. **Scope.** The Licensor will authorize FEMA the use of the premises identified above for the following purposes:

(e.g. FEMA will use the Premises primarily as a Disaster Recovery Center/Public Assistance office where FEMA will receive members of the public for the purpose of providing information such as the status of applications, and general information on FEMA disaster assistance. Other Federal, State, local and voluntary organizations may also use the Premises to provide similar information on their programs.)

5. **Duration.** This Agreement shall become effective upon execution, and expire no later than **30 days from execution**, unless terminated prior to that date with 10 calendar days notice from either party. The Agreement may be extended by mutual consent of the parties.

6. **Duties and Responsibilities.**

- a. Licensor shall:

- 1) At no cost to FEMA, maintain the Premises in good repair and condition, and supply utilities including heat, air conditioning, light, ventilation, sanitation, trash removal, and cleaning services during the period of this Agreement unless FEMA enters into separate agreements to provide for utility, sanitation and cleanings services;

- 2) Provide FEMA with any keys or other instruments necessary to access the Premises, as needed by FEMA, and coordinate with FEMA to assist with limiting the access of third parties;
- 3) Maintain at Licensor's own expense existing electrical service, and all other utilities including water and sewer for the duration of this Agreement, unless separately metered and contracted for by FEMA under separate agreements;
- 4) Permit FEMA to install, if necessary, electrical and telecommunications upgrades with the approval of the Licensor, which will become the property of the Licensor upon termination of the lease and not be removed by FEMA;
- 5) Permit FEMA to provide, as necessary, office furniture and equipment for its use. This property and other removable property provided by FEMA necessary to carry out the intended use of the Premises will remain FEMA property in the exclusive control and authority of FEMA in accordance with FEMA 119-7-1, and will be removed by FEMA upon termination of this Agreement; and
- 6) Permit FEMA to make other minor alterations to the Premises such as the installation of signage, which will be removed upon termination of the Agreement.
- 7) Maintain insurance for liability, and for loss of or damage to the property, arising from the wrongful or negligent acts or omissions of third parties.

b. FEMA shall:

- 1) Maintain the Premises in clean and orderly condition;
- 2) Surrender the Premises in the same state and condition as it was in at the commencement of FEMA use and occupancy, excepting normal wear and tear, excluding upgrades made in accordance with paragraph 6a(4) above, and including the removal of any items installed in accordance with 6a(5) and (6) above;
- 3) Provide for any required security or cleaning services under separate contract at FEMA expense; and
- 4) Permit the Licensor to enter the Premises with approval of the designated FEMA Point of Contact, or as otherwise coordinated for routine entry or shared use, as described in paragraph 3 of this Agreement.

7. Non-Fund Obligating Agreement. Nothing in the Agreement shall authorize FEMA to obligate or transfer any funds in connection with FEMA's use and occupancy of the Premises. Any additional work or activity that would require the transfer of funds or the provision of goods or services among the parties will require execution of a separate agreement and will be

contingent upon the availability of appropriated funds. Such activity must be independently authorized by appropriate statutory authority. This Agreement does not provide such authority.

8. Liability. Licensor and the United States each agree to be responsible for the negligent or wrongful acts or omissions of their respective employees arising under this agreement. The parties agree -- subject to any limitations imposed by law, rule, or regulation -- to cooperate in good faith to resolve any claims promptly and, whenever appropriate, without litigation. For all claims or suits arising under this agreement, each party's designated legal representatives will, within (7) calendar days of receipt, provide each other's designated legal representatives copies of any documents memorializing such claims. Nothing in this Agreement shall be construed as a waiver of any sovereign immunity of the United States. The Federal Tort Claims Act (FTCA), 28 U.S.C. §§ 1346 (b), 2671-2680 provides the exclusive monetary damages remedy for allegedly wrongful or negligent acts or omissions by federal employees within the scope of their employment.

9. Compliance with Applicable Law: The Licensor shall comply with all Federal, State and local laws applicable to the Licensor as owner, or Licensor, or both of the Premises, including, without limitation, laws applicable to construction, ownership, alteration or operation of both or either thereof, and will obtain and maintain all required and permits, licenses and similar items, at no cost to FEMA. United States law will be applied to resolve any dispute or claim.

10. Proper Use of Premises. Licensor warrants that the Premises may be used for the purposes intended by FEMA as described in this Agreement. Nothing in this Agreement shall be construed to create a duty on FEMA to inspect for toxic material or latent environmental conditions which could be affected by FEMA's intended use of the Premises. Any known environmental conditions which could affect FEMA's use of the Premises, known to the Licensor, must be disclosed to FEMA.

11. Integrated Agreement: This Agreement contains the entire agreement of the parties. No agreement outside of this document can alter these provisions. Any changes to this Agreement must be made in writing with the mutual consent of the parties.
