**AMENDMENT NUMBER ONE/FIRST EXTENSION TO THE CONTRACT
FOR GROUNDWATER AND SURFACE WATER MONITORING FOR
COUNTY LANDFILLS**

This Amendment entered into this 28th day of January, 2019 by and between the **BOARD OF COUNTY COMMISSIONERS OF NASSAU COUNTY, FLORIDA**, a political subdivision of the State of Florida, (hereinafter referred to as "County") and **RS&H, Inc.**, 10748 Deerwood Park Boulevard South, Jacksonville, Florida 32256 (hereinafter referred to as "Vendor").

WHEREAS, the parties entered into an Agreement dated January 9, 2017, for Groundwater and Surface Water Monitoring for County Landfills; and

WHEREAS, the Agreement provided for an initial term of January 1, 2017 through December 31, 2018 and provided for one year renewals upon mutual agreement of the parties and shall not exceed three (3) years in length; and

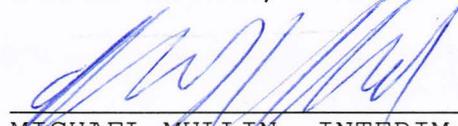

WHEREAS, the parties desire to extend the Agreement for a period of one (1) year beginning January 1, 2019 and ending December 31, 2019; and

WHEREAS, pursuant to Section 22 Escalation Clause of the Agreement, the Vendor is requesting an adjustment in price as outlined in Exhibit "1" attached hereto.

NOW, THEREFORE, FOR AND IN CONSIDERATION of the mutual covenants and agreements herein contained, the parties hereto agree as follows:

1. In accordance with Section 19 of the Agreement dated January 9, 2017, the performance period is hereby extended for an additional one (1) year period beginning January 1, 2019 and ending December 31, 2019.
2. In accordance with Section 22 of the Agreement dated January 9, 2017, the unit costs are adjusted as outlined in Exhibit "1" attached hereto.
3. All other provisions of the Agreement dated January 9, 2017, not in conflict with this Amendment, shall remain in full force and effect.
4. Time is of the essence.

BID SUMMARY

Nassau County Landfill			Annual Cost
West Nassau Landfill		\$	17,387.00
Lofton Creek Landfill		\$	18,450.00
Bryceville Landfill		\$	-
TOTAL ANNUAL COST			\$ 35,837.00

Notes: a). The Add/Alternate items for each landfill are not to be included in the Landfill Subtotal or the Bid Total. These costs will still be considered in the Bid analyses by assuming a hypothetical number of resampling:

- Field Resampling Groundwater (1 to 4): 1
- Field Resampling Groundwater (More than 4): 5
- Field Resampling Surface Water (1 to 4): 1

b). The Lofton Creek and Bryceville landfills are nearing the end of long term care in 2017 and water quality monitoring could end at Bryceville Landfill and be reduced at the Lofton Creek Landfill. Therefore, this Scope of Services during the Contract Period does not guarantee a maximum or minimum number or frequency of samples to be analyzed during the Contract Period for each of the landfill facility locations; the numbers given are best estimates of quantities as currently permitted. Should the number of samples or the frequency of analysis for any parameter be increased or decreased, the CONTRACTOR shall honor the unit price indicated on the Bid Form.
