**PROJECT UNDERSTANDING**

On May 25, 2024, Nassau County approved Pond & Company's Task Order #4 to engineer, design and pursue state and federal environmental permits for the Three Rivers Community Kayak Ramp and Launch (project). Pond is pleased to continue supporting the project; however, the project scope and design have expanded since the acceptance of Task Order #4. Due to design constraints, the project no longer qualifies for the previously proposed permitting strategy. Per guidance received from Nassau County on February 26, 2025, a detailed description of the proposed revised scope is found below.

Pond will revise construction documents in response to one (1) request from USACE SAJ.

**State Environmental Permitting:**

Pond assumes an Individual Environmental Resource Permit (ERP) and SSL Letter of Consent from the St. Johns River Water Management District (SJRWMD) will be required. On Nassau County's behalf, Pond will prepare and submit an Application for Individual Environmental Resource Permit and Authorization to Use State-Owned Submerged Lands (including Section A, C and F) and supplemental information to SJRWMD. This will include a field visit to conduct a wetland functional assessment in accordance with the Uniform Mitigation Assessment Methodology (UMAM) and/or the Wetland Rapid Assessment Procedure (WRAP). Pond will participate in one (1) virtual preapplication meeting, respond to one (1) Request for Additional Information, and attend a one (1) site visit with SJRWMD staff, if necessary. Pond will revise construction documents in response to one (1) request from SJRWMD.

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, County of Nassau (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

**How to contact County of Nassau:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
