SECTION 9: PERFORMANCE BOND

(a) GRANTEE shall, concurrently with the filing of its acceptance of this franchise, file with the COUNTY Clerk and at all times thereafter maintain in full force and effect for the term of this franchise, at GRANTEE'S expense, a corporate surety bond in a company and any form approved by the County Attorney and in the amount of TWENTY FIVE THOUSAND AND NO/100 DOLLARS (\$25,000.00), renewable annually, and conditioned on the faithful

performance of GRANTEE of all the terms and conditions of this franchise for the term thereof.

(b) If GRANTEE shall, under other terms of this franchise ordinance, forfeit the franchise other than by reason of the acquisition by COUNTY of GRANTEE's property, then in that event, COUNTY shall be entitled to recover under the terms of such bond the full amount of any loss occasioned to COUNTY by reason of such violation of forfeiture to the full amount of such bond.

SECTION 10: CONSTRUCTION BOND

Grantee shall, concurrently with the filing of its acceptance of this franchise, obtain and maintain at its cost and expense, and file with the County Clerk, a corporate surety bond in a company authorized to do business in the State of Florida, and found acceptable by the County Attorney, in the amount of \$275,000.00 to guarantee the timely construction and activation of the CATV system and the safeguarding of damage to private property and restoration of damages incurred with utilities.

The bond shall provide, but not be limited to the following condition: There shall be recoverable by the County, jointly and severally from the principle and surety, any and all damages, loss or costs suffered by the County resulting from failure of the Grantee to satisfactorily complete and activate the CATV system pursuant to the terms and conditions of this ordinance.

Existing conduits, and other such structures of any electric power system, telephone company, or other public utility located in the COUNTY shall be used to the extent practicable in order to minimize interference with travel and avoid unnecessary duplication of facilities. The COUNTY shall actively assist GRANTEE to the fullest extent possible in obtaining reasonable joint conduit use agreements from the owners of existing conduits. To the extent that existing conduits, are not available, or are not available under reasonable terms and conditions, including excessive cost or unreasonable limitations upon the use of GRANTEE'S cable television system, GRANTEE shall have the right to purchase, lease, or in any other manner acquire land, rights-of-way, or public utility easements upon or under which to erect and maintain its own conduits, and other such structures as may be necessary for the construction and maintenance of its cable television system.

(b) In case of any disturbance by GRANTEE of pavement, sidewalk, driveway or other surfacing, GRANTEE shall, at its own costs and expense and in a manner approved by the COUNTY replace and restore all paving, sidewalk, driveway or surface so disturbed in as good condition as before said work was commenced.

(c) In the event that at any time during the period of this franchise the COUNTY shall lawfully elect to alter or change any street, alley, public utility easement, or other public way

requiring relocation of GRANTEE's Facilities, then in such event GRANTEE, upon reasonable notice by the COUNTY shall remove, relay and relocate the same at its own expense; provided, however, that where public funds are available for such relocation pursuant to law, GRANTEE shall not be required to pay cost.

(d) All lines, structures and other facilities of GRANTEE, in, on, over and under the streets, sidewalks, alleys, public utility easements and public grounds or places of the COUNTY shall be kept by GRANTEE at all times in a safe and substantial condition.

(e) It shall be the obligation of the GRANTEE to locate all its line facilities under the ground.

If GRANTEE shall in any case be unable for operational reasons only to locate or relocate any part of its property underground, then the County Engineer, on being satisfied as to the facts thereof may permit such property to remain above the ground even though other facilities may be placed under ground in the area. However, any such permission shall be on such conditions as the County Engineer may require to the public welfare.

(f) GRANTEE or any person, firm or corporation erecting, constructing or maintaining any of the property used by or for GRANTEE shall at all times employ due care or the highest degree of care required by the law under the facts and circumstances and shall maintain and install the property of GRANTEE in accordance with commonly accepted methods and principles so as to prevent failures and accidents likely to or which may tend to cause damage, injury or nuisance to the public.

(g) All CATV facilities shall conform at least to the standards of the National Electrical Code of the National Board of Fire Underwriters or the latest edition thereof at the time any such facility shall be installed or replaced. However,

nothing shall prohibit more stringent or rigid requirements being imposed on GRANTEE either by COUNTY through ordinance or through agreement between GRANTEE and the COUNTY.

(h) Whenever GRANTEE shall cause or any person on its behalf shall cause any injuries or damage to any public property or street, by or because of the installation, maintenance or operation of the CATV facilities such injury or damage shall be immediately remedied in such fashion as directed by the COUNTY ENGINEER unless ordinances of the COUNTY shall make other provisions therefore.

SECTION 12: CONSTRUCTION SCHEDULE

(a) On-site engineering and preparation of construction plans, maps and instructions shall be completed within SIXTY (60) days after the franchise has been granted.

(b) Actual construction of the cable television system will commence no later than NINETY (90) working days after on-site engineering has been completed, simultaneously with installation of the "head-end" (antenna site) and cable plant.

(c) The Cable Television System shall be completed in the shaded areas shown on Exhibit "A" within ONE YEAR from date of receipt of the franchise grant.

SECTION 13: RATES

The procedure for considering an application for a change in subscriber rates shall be conducted in accordance with the requirements of paragraph (d) of this section.

(a) Initial Rates. The GRANTEE shall establish initial rates for its service in accordance with the rates contained in GRANTEES proposal for franchise and said rates shall be set forth in the minutes of the Board of County Commissioners meeting.

(b) Authority to regulate rates: To the extent permitted by Federal and State law, the COUNTY may regulate rates for basic cable service.

(c) By it's acceptance of a franchise, the GRANTEE

specifically grants and agrees that it's rates and charges to its members shall be fair and reasonable and no higher than necessary to meet all its necessary costs of service.

(d) No increase in rates charged for installation of equipment and regular basic subscriber services shall be made effective except as authorized by THE BOARD within thirty (30) days after written notice of the proposed increase is given by GRANTEE to GRANTOR and after a full, open and public rate proceeding upon prior notice and opportunity of all interested parties to be heard.

SECTION 14: FCC RULES APPLICABLE

This franchise is governed by and subject to all applicable rules, regulations and policies of the "Cable Communications Policy Action of 1984" (S-66), and by the laws of the State of Florida. Should there be any modifications of the provisions of S-66, the BOARD and GRANTEE agree that this franchise shall be appropriately amended within one (1) year after the effective date of the adoption of the modification or upon renewal of this franchise, whichever occurs first.

SECTION 15: FRANCHISE TERM

This franchise shall take effect and be in full force from and after acceptance by GRANTEE as provided in Section 29, and the same shall continue in full force and effect for a term of fifteen (15) years; provided, however, that should FCC authorization be necessary in connection with implementation or continuation of the cable television service contemplated by this franchise, then the term shall begin upon the effective date of such FCC authorization.

SECTION 16: RENEWAL PROCEDURE

GRANTEE shall have the unlimited option to renew this franchise for an additional period not to exceed fifteen (15) years. Should GRANTEE desire to exercise this option, it shall

so notify the COUNTY, in writing, not less than three (3) months prior to expiration of this franchise.

SECTION 17: FORFEITURE

If GRANTEE should violate any of the terms, conditions, or provisions of this franchise or if GRANTEE should fail to comply with any reasonable provisions of any ordinance of the COUNTY regulating the use by GRANTEE of the streets, alleys, public utility easements or public ways of the COUNTY and should GRANTEE further continue to violate or fail to comply with the same for a period of thirty (30) days after GRANTEE shall have been notified in writing by the BOARD to cease and desist from any such violation or failure to comply so specified, then GRANTEE may be deemed to have forfeited and annulled and shall thereby forfeit and annul all the rights and privileges granted by this franchise; provided, however, that such forfeiture shall be declared only by written decision of the BOARD after an appropriate public proceeding before the BOARD affording GRANTEE due process and full opportunity to be heard and to respond to any such notice of violation or failure to comply; and provided further, that the BOARD may, in its discretion and upon a finding of violation or failure to comply, impose a lesser penalty than forfeiture of this franchise or excuse the violation or failure to comply upon a showing by GRANTEE of mitigating circumstances. GRANTEE shall have the right to appeal any finding of violation or failure to comply and any resultant penalty to any court of competent jurisdiction. In the event that forfeiture is imposed upon GRANTEE, it shall be afforded a period of six (6) months within which to sell, transfer, or convey this cable television system to a qualified purchaser at fair market value. During this six (6) month period, which shall run from the effective date of the final order or decision imposing forfeiture, including any appeal, GRANTEE shall have the right to operate

this cable television system pursuant to the provisions of this franchise.

SECTION 18: SURRENDER RIGHT

GRANTEE may surrender this franchise at any time upon filing with the Clerk of the BOARD a written notice of its intention to do so at least three (3) months before the surrender date. On the surrender date specified in the notice, all of the rights and privileges and all of the obligations, duties and liabilities of GRANTEE in connection with this franchise shall terminate.

SECTION 19: TRANSFERS

The GRANTEE shall not transfer this franchise to another person or entity without prior approval of the COUNTY by ordinance.

SECTION 20: REMOVAL AND ABANDONMENT OF PROPERTY

If the use of any part of GRANTEE's CATV system is discontinued for any reason for a continuous period of twelve (12) months or if such system has been installed in any street without complying with the requirements of GRANTEE's franchise, or this franchise has terminated or is revoked, GRANTEE shall promptly, on being given thirty (30) days prior notice, remove from the streets all its facilities other than that which the County Engineer may permit to be abandoned in place. In the event of such removal, GRANTEE shall promptly restore the street from where such facilities have been removed to a condition satisfactory to the County Engineer, except that none of this Paragraph of this Article shall apply to any purchase of the system or any part thereof by the County or to the condemnation of such system or part thereof by the COUNTY even though the franchise shall thereby be terminated or revoked.

Any property of GRANTEE remaining in place NINETY (90) days after the termination or revocation of this franchise shall be

considered permanently abandoned unless the County Engineer has extended such time not to exceed an additional THIRTY (30) days.

Any property of GRANTEE to be abandoned in place shall be abandoned in such manner as the County Engineer shall prescribe. On permanent abandonment of the property in place, the property shall become that of the COUNTY, and GRANTEE shall submit to the County Engineer an instrument in writing, to be approved by the County Attorney, transferring to COUNTY the ownership of such property.

If all or any part of the facilities used by or in GRANTEE's CATV system shall be the property of any other person than that of GRANTEE, nevertheless such other person shall be subject to all of the provisions of this ARTICLE and any notice required herein, if given to GRANTEE, shall be deemed notice to such other person.

SECTION 21: PROGRAM PRESENTATION

All programs of broadcasting stations carried by GRANTEE shall be distributed or transmitted to the subscriber in their entirety without delay from the time originally broadcast, and without additional announcements, advertisements or other deletions, additions, or changes to the programs, except nothing shall prohibit such changes or delays as may be required by law.

All programs of all broadcasting stations carried by GRANTEE shall be transmitted or distributed by GRANTEE without material degradation of picture quality or sound and without significant variation between the quality of the picture or sound transmitted or distributed by GRANTEE to the subscribers between the programs of one broadcasting station and another, so far as the same may be within the control of GRANTEE.

Whenever any broadcasting station carried by GRANTEE shall transmit or broadcast any television or part thereof in color, it shall be the duty of GRANTEE to distribute or transmit said

program or said part in color to its subscribers.

SECTION 22: PREFERENTIAL OR DISCRIMINATORY PRACTICES

GRANTEE shall not, as to rates, charges, service, service facilities, rules, regulation or any other respect, make or grant any undue preference or advantage to any person, or subject any person to any undue prejudice or disadvantage, provided, however, connection charges may be waived or modified during promotional campaigns of GRANTEE.

SECTION 23: REMOVAL ON SUBSCRIBER'S REQUEST

On termination of service to any subscriber the GRANTEE shall promptly remove all of its facilities and equipment from the premises of such subscriber if the subscriber shall so request. In the event the facilities of GRANTEE shall be so constructed and designated that by the use of ordinary household tools and without special skills or knowledge and without unreasonable risk of harm, the subscriber may be capable at any time of disconnecting the system of GRANTEE from the subscriber's television set or receiver so that said set or receiver may be used independently of the system for service of GRANTEE.

SECTION 24: EMERGENCY USE

GRANTEE shall provide a Com Alert Channel on all channels that is accessible by telephone to the County Civil Defense Director's office. This shall be used in the event of an emergency or disaster.

SECTION 25: RIGHTS RESERVED TO COUNTY

Without limitation on the rights which COUNTY might otherwise have, COUNTY does hereby expressly reserve the right, powers and authority to exercise its governmental powers now or hereafter to the full extent that such powers may be bested in or granted to COUNTY; to determine through its BOARD OF COUNTY COMMISSIONERS and questions of fact relating to the meaning, terms, obligations or other factors of this franchise; and to

grant additional franchises within the COUNTY to other persons for the conduct of CATV under any conditions whatsoever acceptable to COUNTY, notwithstanding the same might be alleged to be more favorable than the rights granted herein.

SECTION 26: OPTION TO PURCHASE

(a) Should GRANTEE desire to sell its CATV system at the expiration of this franchise, whether by termination, forfeiture or otherwise, COUNTY shall have and is hereby granted the option to purchase the entire system of the GRANTEE at a price based on the reasonable market value of the physical system in place but shall not include nor shall GRANTEE receive any sum whatsoever for the valuation of any right or privilege appertaining to GRANTEE because of this franchise.

(b) Failure of COUNTY and GRANTEE to agree on the price to be paid for the system shall not delay the performance required herein by GRANTEE, that is the requirement to transfer the system to the COUNTY immediately following the exercise of COUNTY's option to purchase. In the event, however, the price shall not be agreed upon within SIXTY (60) days after the option shall have been exercised, then GRANTEE shall be entitled to the statutory rate of interest then being paid on judgments within the State of Florida from the time that COUNTY shall have exercised its option and until the payment is finally made for the system.

(c) At any time prior to the natural expiration of the franchise as provided in Section 14 herein, should GRANTEE receive a bona fide offer to purchase its system, COUNTY shall have the right of first refusal to purchase said system at the same price and upon the same terms as said bona fide offer.

(d) In order to avail itself of its option to purchase, COUNTY shall give written notice to GRANTEE of its desire to exercise its option, which notice shall be valid if given on or before the day this franchise shall so expire, or within thirty

(30) days of notice of GRANTEE's bona fide offer as set forth in Sub-Section (c). On the exercise of this option by COUNTY, GRANTEE shall immediately transfer to COUNTY possession and title to all facilities and property, real and personal, of the CATV system, free from all liens and encumbrances not agreed to be assumed by the COUNTY in lieu of some portion of the purchase price hereinafter set forth.

(e) GRANTEE shall execute such warranty deeds or other instruments of conveyance as shall be necessary for the transfer of the system to the COUNTY. GRANTEE shall make it a condition of any contract entered into by it in reference to its operations under this franchise that the contract shall be subject to the exercise of this option by the COUNTY and the COUNTY shall have the right to succeed to all privileges and obligations thereof on the exercise of its option.

SECTION 27: FURTHER AGREEMENT AND WAIVER BY GRANTEE

GRANTEE agrees by the acceptance of this franchise that it will not at any time set up against the COUNTY in any claim or proceeding any condition or term of this franchise as unreasonable, arbitrary or void, or that the COUNTY had not authority or power to make such term or condition, but shall be required to accept the validity of the terms and conditions of this franchise in their entirety.

SECTION 28: FRANCHISE FEE

(a) In consideration of the terms of this franchise, GRANTEE agrees to pay the County a sum of money equal to Four Percent (4.0%) of GRANTEE's gross subscriber revenues per year derived from installation of equipment and regular subscriber service in the franchise area. Such annual sum shall be payable one-half (1/2) thereof at the end of each semi-annual period. The semi-annual anniversary shall be the last day of June and last day of December of each year, and each semi-annual payment

shall be paid within SIXTY (60) days thereafter. This payment shall be in addition to any other tax or payment owed to the COUNTY by the GRANTEE.

(b) COUNTY shall have the right to inspect GRANTEE's records showing the gross receipts from which its franchise payments are computed and the right of audit and recomputation of any and all amounts paid under this franchise shall always be accorded to COUNTY.

(c) The parties agree that either party may seek to renegotiate either the franchise fee herein every five (5) years during the live of this franchise.

SECTION 29: RECEIVER SALES PROHIBITED

As a condition of this franchise, GRANTEE agrees that is shall not engage in the business of sales or repair of television receivers owned by its subscriber; not shall it be responsible for the operating condition of said receivers; provided, however, that this paragraph shall not apply to converters, decoders, home interactive terminals and other such devices as may be used in furnishing any programming or service via GRANTEE's cable television system.

SECTION 30: EXTENSION RULE

Extension of the system into any areas not specifically covered in the initial construction plan shall nonetheless be required if the terms of any of the following conditions are met:

(a) Mandatory Extension Rule: GRANTEE shall extend system upon request to any contiguous area not designated for initial service when potential subscribers can be served by extension of system past dwelling units equivalent to a density of 50 homes per lineal mile of cable. Extension shall be at GRANTEE'S cost. Where aerial extension is allowed by regulation but underground installation is requested by benefited subscribers, the cost of undergrounding that exceed estimated aerial extension cost may be charged to benefited subscribers.

(b) Early Extension: In areas not meeting the requirements for mandatory extension of service, GRANTEE shall provide, upon request of ten (10) or more potential subscribers desiring service, an estimate of the costs required to extend service to said subscribers. GRANTEE shall then extend service upon request of said potential subscribers according to the rate schedule. GRANTEE may require advance payment or assurance of payment satisfactory to GRANTEE. The amount paid by subscribers for early extension shall be nonrefundable, and in the event the area subsequently reaches the density required for mandatory extension, such payment shall be treated as consideration for early extension.

SECTION 31: ACCEPTANCE

This Ordinance shall become effective when accepted in writing by GRANTEE and shall then be and become a valid and binding contract between the COUNTY and GRANTEE; provided, however, that this Ordinance shall be void unless GRANTEE shall, within ninety (90) days after the final passage of this Ordinance, file with the Clerk of the Board, a written acceptance of this Ordinance and the franchise herein granted, agreeing that it will comply with all the provisions and conditions hereof and that it will refrain from doing all of the things prohibited by this Ordinance.

SECTION 32: UNLAWFUL ACTS

(a) It shall be unlawful for any person to make any unauthorized connection, whether physically, electrically, acoustically, inductively or otherwise, with any part of GRANTEE'S cable television system for the purpose of enabling himself or others to receive any television signals, radio signals, pictures, programs, sounds, or any other information intelligence transmitted over GRANTEE'S cable system without payment to GRANTEE or its lessee.

(b) It shall be unlawful for any person, without the consent of the owner, to willfully tamper with, remove, or injure any cable wire, or other equipment used for the distribution of television signals, radio signals, picture, programs, sounds, or any other information or intelligence transmitted over GRANTEE's cable system.

(c) It shall be a misdemeanor punishable by a fine of not more than \$500.00, or by imprisonment for a term not to exceed six (6) months, or both, for any person to violate any of the provisions of this Section

SECTION 33: SEVERABILITY

If any section, sub-section, sentence, clause, phrase or portion of this Ordinance is for any reason held invalid of unconstitutional by any Federal or State court or administrative or governmental agency or competent jurisdiction, specifically including the Federal Communications Commission, such portion shall be deemed a separate, distinct and independent provision, and such holding shall not affect the validity of the remaining portions hereof.

SECTION 34: EFFECTIVE DATE

This Ordinance shall become effective upon acceptance by GRANTEE as provided in Section 29. The effective date shall be the date upon which the written acceptance provided for in Section 30 is received by the Clerk of the Board.
