Dear Mrs. Cox:

The Board of Directors of Pirates' Wood convened on February 2nd and unanimously agreed to rename Buccaneer Trail (A.K.A. Captain Hooks Trail) to Caravel Trail. We feel this change will prevent any confusion should an emergency arise. We further understand that the most recent street numbers (October 1994) assigned will remain the same for Caravel Trail. Since the name Caravel Trail has been pre-approved by your agency, would you kindly petition the Nassau County Commissioners to officially affect our desired name change.

If you could advise us when this name change is officially made we would appreciate it.

Sincerely,

A handwritten signature in cursive script, appearing to read "George C. Lawrence". The signature is written in black ink and is positioned above the typed name.
