

**RESOLUTION 99- 98**

**WHEREAS** the Nassau County Board of County Commissioners ceased its self-insured worker's compensation program and purchased third party insurance effective October 1, 1994. However, the County is still liable for the open claims as of September 30, 1994.

**WHEREAS** there are only six open claims, a separate fund to account for the worker's compensation self-insurance program is not considered necessary. The open claims activity can be recorded in the applicable funds and departments for which the employees worked.

**BE IT THEREFORE** resolved by the Board of County Commissioners, Nassau County, Florida in regular session, duly assembled on the 26th day of July, 1999 to close the Worker's Compensation Self-Insurance Fund, transferring asset and liability balances to applicable funds and to account for the open claims in the applicable funds/departments.

**ADOPTED** this 26th day of July, 1999.
