Dear Chip:

You have been an invaluable partner with the Amelia Island Museum of History. As we have needed counsel and guidance, you have always been there for us. Therefore, it may come as no surprise that we are once again seeking your support on the Museum's behalf.

Each year at this time we request a letter of support from the County Commissioners to include with our grant application for General Operating Support from the Division of Historical Resources, a department of Florida's Secretary of State office. Each year the Commissioners approve a Resolution. The one from last year is enclosed and I have noted changes that would be applicable to this year's Resolution should we be so fortunate as to prevail. Resolutions and other letters of support need to be attached to our grant application so I need to receive any actions coming from the Commissioners. We would be grateful to receive support by **December 1st**.

We do "Thank You", Chip, for all that you do for the Museum. Your support is appreciated at a time when the Museum is reaching out toward a new level of programs and service.

Most sincerely,

Marlene K. Schang
Acting Director
