

RESOLUTION NO. 2016-25

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF NASSAU COUNTY, FLORIDA GRANTING A WAIVER, PURSUANT TO NASSAU COUNTY ORDINANCE 99-17, SECTION 15.2.1, TO RONALD BRUCE WILDER, JR. AND LESLIE A. WILDER.

WHEREAS, Ronald Bruce Wilder, Jr., and Leslie A. Wilder own a parcel of property whose address is 55020 Countree Life Way, Nassau County, Florida, described in the Exhibit "A" attached hereto; and

WHEREAS, the road is referred to as Countree Life Way, described as a 60 foot easement for ingress, egress, and utilities; and

WHEREAS, Ronald Bruce Wilder, Jr. and Leslie A. Wilder purchased their property and obtained the right to the sixty foot (60') easement from Albert L. Higginbotham and Shari T. Graham; and

WHEREAS, Countree Life Way is a dirt road not dedicated to the public nor owned or maintained by Nassau County; and

WHEREAS, Ronald Bruce Wilder, Jr. and Leslie A. Wilder applied for a building permit for their property, and the county records indicate there have been ten (10) building permits issued on Countree Life Way; and

WHEREAS, Ronald Bruce Wilder, Jr., and Leslie A. Wilder have indicated that the road has been improved and is maintained by all of the property owners; and

WHEREAS, Nassau County Roadway and Drainage Standard Ordinance No. 99-17, Section 11.2.2 states that a 60' easement can serve up to five (5) dwelling units and additional units will require the approval of the Public Works Director; and

WHEREAS, the Public Works Director did not approve the eleventh (11th) dwelling unit; and

WHEREAS, pursuant to Section 15.2.1 of Ordinance 99-17, after a variance is denied by the Public Works Director, an owner can appeal to the Board of County Commissioners for a waiver and the owners have appealed that decision to the Board of County Commissioners.

NOW, THEREFORE, BE IT RESOLVED this 22nd day of February, 2016 by the Board of County Commissioners of Nassau County, Florida, that:

1. Based on the Wilder's presentation and the facts presented, the denial of the building permit would create a hardship and, based on the standards and objectives of Ordinance 99-17, the waiver is hereby approved.
2. The condition of the granting of this waiver is the execution, by Ronald Bruce Wilder, Jr., and Leslie A. Wilder of the Affidavit attached as Exhibit "B".
3. The granting of this waiver is specific to the facts and conditions applicable to Ronald Bruce Wilder, Jr., and Leslie A. Wilder only.
4. This Resolution, by consent of the Board of County Commissioners of Nassau County, Florida, and Ronald Bruce Wilder, Jr., and Leslie A. Wilder shall be recorded.

EXHIBIT "B"

AFFIDAVIT

WE, THE UNDERSIGNED AFFIANTS, DO HEREBY UNDER OATH
ACKNOWLEDGE AND AGREE that:

1. I applied for a waiver, pursuant to Section 15.2 of Nassau County Ordinance 99-17, as amended, in order to pull a building permit on property described in Exhibit "A". The waiver is necessary as the property is located on a 60' non paved easement.
2. My Property fronts on a 60' easement, known as Countree Life Way.
3. Nassau County did not construct, inspect nor approve the construction of the easement or the utilization of the easement for access.
4. The easement is not dedicated to the public.
5. Nassau County does not maintain the easement nor will it maintain the easement.
6. The responsibility for maintenance of the easement rests with me and the other property owners and/or the developers, Albert L. Higginbotham and Shari T. Graham.
7. Emergency response and/or response times may be adversely affected based upon the maintenance of the easement.
8. My Property is not in a platted subdivision, and the County cannot make any assertions as to the adequacy of drainage and there is no approved stormwater management plan.
9. The term "maintenance" shall include, but not be limited to, repairing the road surface, clearing obstructions, grading or scraping the road as necessary, cleaning or recutting ditches as necessary, trimming brush along the roadside, unplugging or opening culverts or drainpipes, and performing any and all necessary work required to maintain the road in a condition that will allow for reasonable and safe access of standard passenger vehicles.

Under penalties of perjury, I declare the above statements to be true to the best of my knowledge and belief.

Dated 2-18-16.
